2018-19 Budget Transmittal Letter

May 10, 2018

The Honorable Mayor Fournier and
Members of the City Commission:

Presented herewith is the City Manager's Recommended 2018-19 Budget for the City of Royal Oak. I'm afraid this is not a particularly interesting or exciting budget even though it promises to be a very exciting fiscal year. It will be exciting because of the civic center project construction which is currently underway. While this budget document does reflect costs associated with that project, almost all the important decisions related to it have already been made.

The budget process begins every year in the fall as the staff begins the work to facilitate the necessary long-term planning activities needed to prepare for current and future funding needs. These activities include a review of the capital improvement plan and the establishment of commission goals and objectives. This year was also a year in which the city embarked on the citizen survey the results of which were used to help shape the conversation during these goal setting sessions. Departments work with finance to ensure that individual needs are being addressed while identifying resources needed to achieve goals set by the commission. Draft budgets are drafted, presented, refined and redrafted before they are formally presented to the city commission and recommended for adoption. The product of this work is contained in this document.

This is essentially a status quo budget. We are proposing no major new initiatives, programs or operating changes and very few staffing changes. Our focus for next fiscal year will be on completing the project while making every effort to minimize the traffic and parking impact on neighboring businesses and residents.

Construction started on the office building in May and the parking structure was started in June. Groundbreaking for the police building should be in late July or early August and city hall will not be far behind. Park construction cannot start until the police building and city hall are completed, and the buildings are occupied. Then the existing police building, and city hall will be demolished and the park constructed in their place. This location was a park before the existing buildings were constructed.

When this project is completed it will be game changing for Royal Oak. The office tower along with the approved the nearly complete Etkin building and Kinetic Creations building already exceed our goal of bringing 180,000 square feet of class A office space to downtown Royal Oak by almost 30%. The proposed Burtan-Katzman building which should break ground next spring will add another 70,000 square feet of office space and 19,000 sq. feet of retail space. The four new buildings will bring about 1,500 new employees to downtown Royal Oak creating much needed daytime foot traffic and customers for our restaurants and retail establishments.

The new 122 room Hyatt Place hotel should be open for business by late summer and construction has started on their apartment tower. Singh Developments apartment development has also commenced construction on a site that we have been trying to develop for more than 20 years. The new Center Street Parking Structure North Tower was completed and opened in January.

This represents an unprecedented amount of new construction in our downtown. All of these projects promise great things for the future of downtown Royal Oak and great things for businesses in downtown Royal Oak. But to get there, we are going to have to get through a certain to be difficult construction period. It will be worth the pain.

We have so much activity going on downtown that I almost forgot to mention Woodward Corners by Beaumont. This is a huge development that will transform Woodward Avenue and 13 Mile Road. It includes a 70,000 square foot, five-story hotel and 110,000 square feet of retail which replaces a dilapidated strip shopping center. Economic Development Manager Todd Fenton reports a lot of excitement in the retail community about that project. We are anticipating that it will be the catalyst for significant other development on Woodward.

In almost any other year, our principle focus would be on the development of Normandy Oaks. A

closed 50-acre golf course is being developed as a 10 acre private housing project and a 40 acre public park. The housing construction is well under way. Sales are going so well the developer expects to be moving into phase two of the project in August. That involves a second closing and payment of the remaining balance due the city. We expect to receive all of the developer's payment before we have any significant park development expenditures.

The commission has approved the park master plan and the design for phase one. The city completed an extensive public engagement process which was very well received by the residents. The designer is working on construction drawings for phase one of the project now so we can start bidding out construction later this summer.

Leaving development, let me address some of the usual budget transmittal issues. I have focused so many transmittal letters on legacy costs that I wouldn't feel right not writing about that now. We eliminated most of our unfunded liabilities in 2017 when we bonded for general employee pension liabilities and all employee retiree health care liabilities. Our most recent actuarial valuations show retiree health care and general employee pension to be 102% funded. We do still have a significant unfunded liability for police and fire pensions which we could not bond for because those pension systems are not closed to new employees. Michigan law does not permit bonding for open plans. Police and fire pensions are only 56.2% funded. We do continue to budget the full amount of the "actuarially required contribution" to that system.

I've already stated that this is basically a status quo budget other than the construction projects. The demands of construction will prevent us from embarking on other significant new initiatives in 2018-19. That leaves me with very little to talk about regarding the budget. However, there are some personnel changes planned.

We are proposing to replace a "community development liaison" position with a planner. The amount of new construction and the anticipated possible revision of the master plan will require additional staffing there. The position being eliminated is currently split between planning and building in the budget but has never been filled. It was created to address issues we were experiencing with commercial construction that appear to have been largely resolved by better coordination among the three departments that now make up community development. This position has been removed from both budgets.

We are proposing to add two positions in the IT department. A security analyst will be hired with a primary responsibility of ensuring city resources are protected from existing and emerging cyber threats by deploying and maintaining anti-virus, desktop publishing software and all other security related functions. A network engineer will be hired to perform critical infrastructure upgrades and help to ensure that critical data is routed in a secure manner.

The library is reestablishing their own full-time IT specialist position due to demand. The part-time staffer currently working exclusively at the library will become full-time.

The settlement of a lawsuit forced the city to change how it pays for debt service on the George Kuhn Drain. For 2018-19, we propose to levy an ad-valorem tax authorized by the state drain code. However, we believe a stormwater charge based on actual flows is a more equitable way to pay for this in the future. It wasn't possible to develop the data needed to establish such a system for the upcoming fiscal year but it will be our objective to do so for 2019-20. Whether funded by taxes or fees, the costs for stormwater will be offset by reductions to water and sewer charges.

Respectfully submitted,

Donald E. Johnson

Budget Summary

Introduction

Vision and Mission Statements

Goals and Objectives

Budget Procedures

Basis of Accounting Chart

Financial Policies

Organizational Chart

Budget Calendar

In December 2017 and January 2018 the city commission conducted strategic planning sessions that began with the review of a city resident survey performed by Cobalt Community Research (CCR). CCR mailed out surveys to 1,500 random residents in October and November of 2017, with 348 / 23% returned. The city's overall American Customer Satisfaction Index score increased from 68 (from 2015) to 69. The Michigan average score is 64, and the midwest and national averages are 63. The survey relayed that areas with strong impact on overall engagement included: local government, parks & recreation, economic health and shopping opportunities.

With the survey results in mind, the city commission and administrative staff worked on re-evaluating the city goals and establishing new objectives (see pages 20-23) for the upcoming budget year(s). After the city manager's recommended budget was prepared the city commission and the administration conducted three budget work sessions plus a public hearing prior to city commission adoption. The fiscal year 2018-19 adopted budget provides for the resources that are needed to help accomplish many of the objectives relayed in this budget document.

This adopted budget calls for a total city millage rate of 18.6234 (excluding DDA levy), an increase of 0.9845 mill due to the net effect of implementing a new drain debt millage of 1.1360 mills and slight reduction on the balance of the millages (except the fire debt millage). *See page 53 for millage rate details.* The millage rate of 18.6234 would put the city slightly above the average millage rate of Oakland County cities, but slightly above the median. This rate places the city below nine bordering cities with higher millage rates and above three bordering cities with lower millage rates. This claim is based upon fiscal year 2017-18 city/village millage rates as cities/villages have not been adopted/reported as of the publication of the adopted budget. *See page*

56 for the chart of the 31 Oakland County city/village 2017-18 millage rates.

Total city taxable value increased by 4.99 percent. Residential values increased 5.8 percent, and nonresidential increased 2.3 percent. *See pages 50-52 for taxable value details.* The spread between 2018 state equalized value and taxable value decreased to \$514 million, declining \$19 million from the prior year. *See page 52 for value details.* The Headlee rollback on Royal Oak's millage rates this year is 0.9911. The DDA's Headlee rollback is 0.9923 this year.

Across all funds, the city is budgeted to receive \$51,964,970 in tax revenue for fiscal year 2018-19, an increase from the projected tax collection for fiscal year 2017-18 by \$4.452 million. The increase is due to the implementation of a new drain debt millage that will generate \$2.852 million and the allowable increase in taxable value that was not offset by the Headlee reduction. The allowable inflationary factor on existing property is 2.1 percent for fiscal year 2018-19. The new millage will be used to pay the drain debt and in turn allows the city to decrease the sewage disposal fee by over 14 percent.

Total grants are budgeted at \$13,300,860 across all funds, a small increase over the prior years estimated revenue. State shared revenue is budgeted to increase 1.7 percent / \$97,000 based upon the State of Michigan Treasury Department's published projections. Act 51 monies are budgeted at \$6 million which is flat relative to the relative to fiscal year 2017-18.

Due to low interest rates, interest income revenue city-wide (excluding trust funds) is budgeted at \$1.1 million, which is relatively flat compared to fiscal year 2017-18 however down over \$1.7 million from its peak in 2006-07. Currently it is a rising interest rate environment however lower cash balances are anticipated. This once valuable source of income has significantly declined and is no

longer relied upon as a significant resource to help off-set city operating costs. *See page 60 for funds interest revenue history graph.*

Personnel costs are increasing 6.7 percent / \$2.6 million relative to the fiscal year 2017-18 projected, mostly due to increased wages and healthcare costs as well as the request for additional staff. Total full-time employees are budgeted to increase from 330 to 334 positions. However this total is down 32 positions relative to recent peak in fiscal year 2005-06. The court has an increase of one staff member in order to continue to staff the drug court probation officer that was hired mid-year fiscal year 2017-18 and funded with a grant. The court believes that they will receive another grant however since there is not a second grant awarded at this time, the grant revenue is not budgeted. The information technology (IT) department is adding a network engineer and a security analyst due to the significant need for those functions to be adequately addressed. The library is adding a full-time IT specialist as well. *See page 43 for personnel summary recent history.* Wage related costs are increasing 6.9 percent / \$1.866 million mostly due to contractual wage increases, step increases for newer employees who are not at the top of their pay scale and vacant positions being filled. The budget provides for the contributions of 100 percent of the normal costs and the annual unfunded actuarial accrued liability (UAAL) for the police and fire pension. The annual required contribution (ARC) for pension is required by law to be met. A graph in the "Financial Trends" section illustrates the magnitude of the combined pension /other post employment benefits (OPEB) contributions and pension/OPEB bonds debt service that the city is funding in fiscal year 2018-19. For the second year, the required contributions made toward paying the current year obligations do not exceed the general fund's millage revenue due to bonding the unfunded retiree healthcare liability and the general employees unfunded pension liability. *See graph on page 64.* The forecast

in the budget is considered to be optimistic; providing the continuation of only the normal costs (and the current annual UAAL contribution for police and fire pension). In the event investment income in the pension and OPEB trusts do not meet the assumed rate of return of 7.75 percent the trusts that bonded for pension and OPEB will be underfunded again and need additional contributions.

Based upon the survey information related to improving impact on overall engagement, the employee training budget increased nearly \$25,000 relative to the 2017-18 projected expenditure in an effort to improve city services.

The budget includes nearly \$36.4 million in capital improvements. Typically the first year of the recently adopted capital improvement plan (CIP) is incorporated into the recommended budget when funding is available however there are exceptions for fiscal year 2018-19 as there are many additional projects in the budget but not in the CIP – these are noted in the significant notes area. The city's capital improvement budgets provide \$3.983 million for major road capital improvements, \$6.698 million for local road capital improvements, \$4.249 million for water/sewage system improvements, \$1.844 million for replacement motor pool fleet, \$18.5 million for the completion of the Royal Oak City Center (ROCC) parking garage, \$241,000 for various IT equipment, \$227,000 for a rain garden, \$185,000 for fire department turn-out gear, radio replacement and EKG monitor replacement, \$130,000 for library roof panel replacement, \$75,000 for ice arena condenser tower, \$50,000 for cement work at the court, \$90,000 for elections high speed scanner, \$48,000 for farmers market outdoor heating equipment and awning. The ROCC project will be paid out of a capital projects fund and is not listed in this total.

The general fund provides \$537,000 for Worden Park field lighting replacement, Mark

Twain Park parking lot paving, Upton Park soccer field development, Kenwood Park play equipment upgrade and Dickinson Park tennis court resurfacing. The community development block grant fund provides \$600,000 for recreation equipment at Cody, Barton and Grant Parks. This budget does not include any future improvements to Normandy Oaks Park as an amendment may be requested.

Detailed listings of all capital improvements are included in each fund/cost center significant notes section (orange box) in this document. The capital projects and the descriptions that are reported in the adopted FY2018-19 to FY2023-24 Capital Improvement Plan can be found behind the "Capital Improvement" tab in this budget document. With the exception of park projects, the forecasted years in this document include capital projects that are in the CIP that can cause an occasional fund forecast to show fund balance levels below policy and even negative balances. See *budget summary tables within each fund section*.

New debt issuances for the city are accomplished in fiscal year 2017-18 (road bonds, city hall/PD/central park bonds and parking structure revenue bonds) and there are no new issuances anticipated in fiscal year 2018-19.

The water commodity rate will increase 2 percent and the sewer disposal rate will decrease 14.6 percent based upon using the new drain debt revenue source to help to offset passing along the increase for water from South Oakland County Water Authority (SOCWA) (2.55 percent) and sewer disposal from Oakland County Water Resources (1.6 percent). The city's quarterly billing flat fee will remain at \$11.25 to recoup billing costs.

The unassigned fund balance for the general and public safety funds (combined) is budgeted to decline from the current year's projected 36 percent of expenditures to 25 percent. These two funds' fund balances are viewed as combined since the public safety function continues to be a significant expenditure of the general fund due to the sizeable annual transfer (\$19 million) made to the public safety fund. By fiscal year 2022-23, the combined fund balance is projected to be 18 percent, and continue to decline each year thereafter due to the potential structural deficit. Each fund has an estimated/forecasted fund balance through fiscal year 2022-23 in the budget summary table. See *page 63 for unassigned fund balance history and page 68 for future projected balances*.

Please reference the significant notes section (orange boxes) within each fund/cost center for details and noteworthy program information for fiscal year 2018-19.

City of Royal Oak

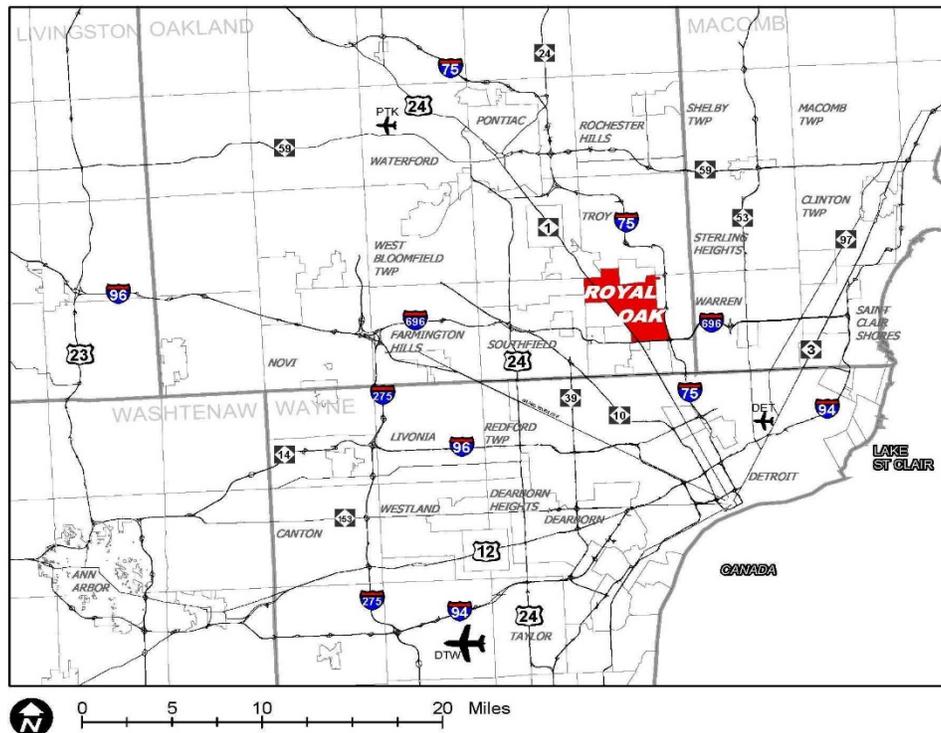

The City of Royal Oak is located in southeast Oakland County, Michigan. The city's 11.83 square miles has a population of approximately 57,236 according to the 2010 US census. Flanked by I-75 on the east border, I-696 on the south and Woodward Avenue (M-1) on the west side, the city has excellent highway access for residents and visitors alike. Approximately 15 to 20 miles northwest of downtown Detroit, businesses and residents have easy access to the Ambassador Bridge and the Detroit-Windsor tunnel, the busiest international crossings between the United States and Canada.

The City of Royal Oak has operated under the "council manager" form of government since its incorporation on Nov. 8, 1921. This form of government provides that the city commission act as the legislative or policy making body. The city commission is composed of six commissioners and

a mayor elected by the city-at-large on a nonpartisan ballot. Three commissioners are elected to four-year terms every two years to ensure experienced legislators at all times. The mayor is elected for a two-year term.

The city commission enacts ordinances, resolutions and regulations governing the city. City commission also appoints members of various statutory and advisory boards and commissions, and the city manager.

The city manager is the city's chief administrative officer and, as such, is held accountable for planning, coordinating, directing and executing all of the city's operations in a manner prescribed by law and conforming to the general policies and specific directives of the commission. The city manager also appoints and supervises the heads of departments of the city. See *statistical section for additional city information.*

Vision Statement

To be a dynamic balance of progressive vision and traditional values offering an inviting, premier and diverse community for all.

Mission Statement

Our mission is to provide a safe, healthy and sustainable community.

**City of Royal Oak Commission Goals and Objectives
Fiscal Year 2018-19**

Goal one: infrastructure - to sustain, replace and enhance Royal Oak's infrastructure to promote efficient delivery of beneficial services

Objective one: to complete the civic center project

Complete financing for the Royal Oak City Center, including the contract with the Downtown Development Authority and work through the underwriters
Measures – executed contract with the DDA; secured financing

Sell the bonds at a reasonable rate
Measure – bonds sold at a rate in line with market rates for the city's bond rating

Finalize the design and bid out the project
Measure – construction and bid documents prepared by spring 2018

Complete the staging plan and rollout to the community
Measure – documented staging plan on city/project website by spring 2018

Establish a transition or movement plan as departments need to plan on moving from the old facility to the new complex
Measure – number of departments with a formal transition plan by the end of fiscal year

Establish deadlines and a timetable for staff as the program unfolds, and make that public as well
Measure – deadlines published on website; actions met within established timeframes

Deal with any legal challenges as they emerge
Measure – 100 percent success in defense of legal challenges

Objective two: to address critical infrastructure needs

Place a sidewalk funding millage on the November ballot.
Measure – ballot language approved by city commission by June 1, 2018

Provide information on the street/sidewalk improvement plans to the public
Measure – number of locations that information on the street/sidewalk improvement plans are available at the beginning of construction season.

Seek a county commitment to require the 12 local government units in the drainage area to reduce drainage flows to downstream communities.
Measure – number of upstream communities participating in reduction efforts

Develop a city-wide environmental sustainability plan to link together the range of infrastructure plans and projects that are unfolding
Measure – RFP distributed; sustainability plan drafted and adopted by city commission

Goal two: operations – to perform all city operations as efficiently and effectively as possible. This includes, but is not limited to internal communications, technology, innovation and financial management

Objective one: to attract, retain and develop our human resources

Develop senior level succession plans to anticipate near term retirements, and over time, develop succession plans for all levels of staff, providing opportunities for employee development, including a potential for job sharing as departures become imminent

Measure – number of departments with succession plans by the end of the fiscal year

Identify critical problem areas in city service operations and develop strategies to address those problem areas

Measure – total increase in citizen satisfaction scores across all departments

Maintain financial stability to assure employees of job security; complete the ROCC to strengthen recruitment efforts; build up employee morale

Measure – decrease in turnover rates across all departments

Implement a Disney customer service refresher course for new employees

Measure – the total number of employees who have participated in a Disney customer service training

Goal three: communication - to proactively promote meaningful, open and respectful dialogue that ensures effective decision making

Objective one: limit the effects of downtown construction, to the best extent possible, by providing proactive communication on the ROCC project status

Identify a team to provide information to the public about the ongoing project, and consider hiring a public relations firm to help with task

Measure – public relations proposal presented to city commission

Prepare an overall communication plan to tie all the tasks being undertaken together and make sure that it is communicated to all employees as well as with the public

Measures – plan drafted; number of places the plan is accessible to the public prior to the start of construction

Prepare and disseminate a frequently asked questions (FAQ) on the website regarding the ROCC including the tasks, the staging plan, the timetable and any other information of value to the community, keeping it updated as changes need to be made

Measure – total number of people accessing and viewing the FAQ document

Provide information to the public on the conditions of the existing buildings/facilities so they understand the rationale for the ROCC

Measure – quantity and quality of information available to the public on the city's website

Objective two: employ multiple media for sharing information with residents

Enhance the city application to provide additional opportunities for both information outflow as well as inflow; communicate across multiple platforms to the extent feasible; utilize neighborhood associations where appropriate to inform residents and solicit input
Measure – increased downloads of the Royal Oak application; number of neighborhood associations contacted with city information

Ensure simplicity and clarity of all communications from the city, ensure that the community engagement specialist is in a position to understand and explain policies to the public
Measure – increased citizen satisfaction as measured by the community surveys

Objective three: engage residents more effectively in city decision-making

Increase promotion of the city website, get the uniform resource locator (URL) out in the public and on social media
Measure – the total increase in visits to the city website

Create special URL's for special projects to simplify public access
Measure – total number of special projects with unique URLs

Explore establishing a citizens academy program along the lines of the citizens police academy to help individuals understand how the city does its business
Measure – developed proposal for a citizens academy program; attendance at the program

Goal four: community - to preserve neighborhoods by encouraging community involvement and family activities; and further, to be recognized as a destination for entertainment, recreation and cultural opportunities

Objective one: complete a master plan revision that is reflective of the community's vision for the future.

Schedule a commission work session for the coming weeks to engage members of the planning commission and appropriate administrative staff to consider whether the city should proceed with a complete revision of the master plan and subsequent revision of the zoning ordinance.
Measure – scheduled work session by spring 2018

Complete a community visioning plan with a high quality (platinum, rhodium) public engagement effort as the master plan planning process unfolds
Measure – number of citizens engaged in the vision planning process

Objective two: develop high quality parks

Complete the Normandy Oaks Park plan
Measure – approved Normandy Oaks Park plan with cost estimates; implementation of

the NO Park plan

Continue to revamp city parks yearly

Measure – number of city parks renovated yearly

Goal five: economic / tax base - encourage and support diverse investment to maximize property values and facilitate employment opportunities and desirable housing

Objective one: facilitate private sector development

Provide incentives for housing developments that meet gaps identified in the target market analysis

Measure – number of housing developments receiving incentives for meeting gaps

Goal six: fiscal management - to preserve Royal Oak as a safe and healthy community through sound fiscal policy, strategic planning, prompt decisive actions and effective management of taxpayer's assets

Objective one: ensure city financial sustainability

Take advantage of a Department of Natural Resources grant for development of Normandy Oaks Park

Measure – application for DNR grant submitted on time (April 1);

Aggressively pursue grant opportunities, employing a cost-benefit analysis to ensure that grants are financially appropriate

Measure – number of grants secured that cover costs for projects, including administration

Review and update service fees every two years to insure costs are covered

Measure – number of service fees reviewed by the end of the fiscal year

Continue process for establishing ROOTS as a 501(c)3 entity

Measure – established board for the ROOTS 501 (c)3; adopted ordinance changes by end of FY2017-18

Goal seven: public safety - to protect all persons and property in Royal Oak by providing the highest quality public services possible in the most efficient manner

Objective one: improve mobility in and around the city

Implement a north-south bike route

Measure – construction completed on time and budget by winter 2018

Investigate options for a snow removal ordinance

Measure – proposal for a snow removal ordinance considered by the city commission

General Appropriations Act

Be it resolved, this and the following nine resolutions constitute the City of Royal Oak's General Appropriations Act for the fiscal year beginning on July 1, 2018 and ending on June 30, 2019.

revenues, transfers and use of fund balance	269,000
miscellaneous grants fund	
expenditures total	299,550
revenues, transfers and use of fund balance	299,550

Resolution two: set tax rate

Resolved, the general operating levy for the 2018-2019 fiscal year for operations is established at 7.1389 mills, and

Be it further resolved, the property tax rate for the 2018-2019 fiscal year for the publicity tax is established at 0.0180 mill. and

Be it further resolved, the property tax rate for the 2018-2019 fiscal year for the library operations is established at 0.9263 mill. and

Be it further resolved, the property tax rate for the 2018-2019 fiscal year for the solid waste disposal operation is established at 2.9084 mills, which consists of 1.9465 mills authorized by state law and 0.9619 mill authorized by the voters of the City of Royal Oak, and

Be it further resolved, the property tax rate for the 2018-2019 fiscal year for the fire bonded debt is established at 0.2450 mill, and

Be it further resolved, the property tax rate for the 2018-2019 fiscal year for the chapter 20 drain debt is established at 1.1360 mills, and

Be it further resolved, the property tax rate for the 2018-2019 budget recommended by the Downtown Development Authority for the area designated by ordinance as the downtown district is established at 1.6021 mills, and

Be it further resolved, the 1.6021 mills levy for the downtown district is in addition to the millage applicable to properties outside of the downtown district and

Be it further resolved, the property tax rate for the 2018-2019 fiscal year for the road millage is established at 2.4134 mills and

Be it further resolved, the property tax rate for the 2018-2019 fiscal year for the public safety operations is established at 3.8374 mills and

Be it finally resolved, the public safety millage, chapter 20 drain millage and road millage are to be levied on the winter tax bill.

Resolution three: authorize tax administration fee

Be it resolved, the City of Royal Oak approves the imposition of a one percent administration fee on property tax levied in 2018, and

Be it further resolved, the City of Royal Oak approves the imposition of late interest penalty charges as follows: On summer taxes at the rate of one-half of one per cent per month, or fraction thereof, after July 31 until Feb. 28; on December taxes at the rate of three percent after Feb. 14 until Feb. 28, 2019.

Resolution four: water and sewage disposal rates

Be it resolved, that the water and sewage disposal rates for the City of Royal Oak as of July 1, 2018 are established as follows:

Billing administrative flat fee	\$11.25 per billing period
Water & sewer commodity charge	\$105.50 per mcf for first 2 mcf per billing period
	\$121.30 for additional mcf per billing period
Outside city water only commodity charge	\$54.00 per mcf for the first 2 mcf per billing period
	\$62.10 for additional mcf per billing period
Sewer only charge	\$178.96 per quarter

Be it further resolved, industrial surcharge and industrial waste control charges will be passed along to customers as a pass-through.

Resolution five: purchases

Whereas, the City of Royal Oak finds it necessary to incur utility, postage, and other expenses provided by natural or regulated monopolies, and other sole source providers in order to operate the city, and

Whereas, it is impossible to estimate the charges to be incurred for each succeeding month, and

Whereas, these charges can and do exceed \$1,000 for each billing period;

Now, therefore, be it resolved, the city administration is authorized to place orders for and make payment of these expenses, and such authorization forgoes the requirement of presenting these bills to the commission prior to authorization for purchase and/or payment;

Further resolved, this resolution shall apply to electric, telephone, water, natural gas utility, postage charges, and other goods/services provided by natural or regulated monopolies or sole source providers.

Resolution six: purchasing

Whereas, pursuant to chapter three, section 34 of the Royal Oak city charter, the city commission shall set a purchasing limitation by resolution, adopted at the same time the annual city budget is approved.

Now, therefore, be it resolved, the city establishes that no purchase in excess of \$10,500 be made without the approval of the city commission and pursuant to chapter 14, section two. Public work or improvement costing more than \$25,000 and executed by contract, shall be awarded to a responsible bidder in competition for fiscal year 2018-19.

Resolution seven: transfers

Now, therefore, be it resolved, the finance director is hereby authorized to transfer up to 25 percent of the major street fund monies to the local street fund during the 2018-19 fiscal year. The finance director is also authorized to make transfers within appropriation centers. All other transfers between funds may be made only by further action by the city commission.

Resolution eight: PEG fees

Now, therefore, be it resolved, the city commission hereby grants Community Media Network one half of the one percent P.E.G. fee received during the 2018-19 fiscal year.

Resolution nine: financial policies

Whereas, the City of Royal Oak has established a set of financial policies

And whereas, it is prudent to regularly review and update those policies and to add new ones as needed.

Now, therefore, be it resolved, the city reaffirms its existing financial policies on attrition, investments, retirement contributions, debt management, fund balance, capital assets and capital improvements projects, and fund self-supporting.

City of Royal Oak FY 2018 – 2019 Budget Procedures

The City of Royal Oak’s budget process is governed by the city charter and state statutes of Michigan. Chapter eight, “general finances, section one” of the city charter establishes July 1 through June 30 as the city’s fiscal year.

Budget Document

The city charter, as approved by the voters on Nov. 8, 1921 and last amended Nov. 8, 2016, and the State of Michigan Uniform Budgeting Act (Public Act 621 of 1978), which amended the Uniform Accounting Act (Public Act Two of 1968), mandate that the budget document present a complete financial plan for the ensuing fiscal year and shall present the following:

- (a) An itemized statement of the appropriation recommended by the manager for current expenses and for permanent improvements for each department and each division thereof, for the ensuing fiscal year, with comparative statement, in parallel columns, of the appropriation and expenditures for the current and next preceding fiscal year and the increases and decreases in the appropriation recommended;
- (b) An itemized statement of the taxes required and of the estimated revenue of the city, from all other sources, for the ensuing fiscal year, with comparative statements of the taxes and revenues for the current and next preceding fiscal year;
- (c) A statement of the financial condition of the city and an inventory of all property owned by the city; and
- (d) Such other information as may be required by the commission.

Budget

As required by the city manager, each department head must submit to the city manager

an itemized estimate of expenditures for the next fiscal year for the department or activities under their direction.

The city manager then prepares a complete itemized budget proposal for the next fiscal year and must present a balanced budget to the city commission not later than 30 days before the end of each fiscal year. Prior to the adoption of the budget, a public hearing on the budget must be held to inform the public and solicit input and comments from residents. A public notice, published in a newspaper of general circulation in the community, announces the time and place of the meeting and the availability of the budget document for review.

Budget Appropriation and Amendments

The city budget is adopted by the city commission on a functional basis. The finance director is authorized by budget resolution to transfer up to 25 percent of major street fund monies to the local street fund during the fiscal year and to make transfers within appropriation centers. All other transfers between funds may be made only by further action by the city commission.

The commission may make additional appropriations during the fiscal year for unanticipated expenditures required of the city. The city commission may also re-appropriate funds among appropriation centers. By way of an annual budget resolution, the city commission authorizes the finance director to administratively adjust line-item budgets within a fund and appropriation centers.

Basis for Budgeting

The modified accrual basis of budgeting is utilized in the preparation of the *governmental* fund types. Expenditures, with the exception of debt service expenditures, compensated absences, claims and judgments, are recorded at the time the liability is incurred. Revenues are recorded when

received as cash, with the exception for material or available revenues that are accrued to properly show revenues earned and/or levied taxes. The accrual basis of accounting is utilized for the internal service and enterprise funds budgets

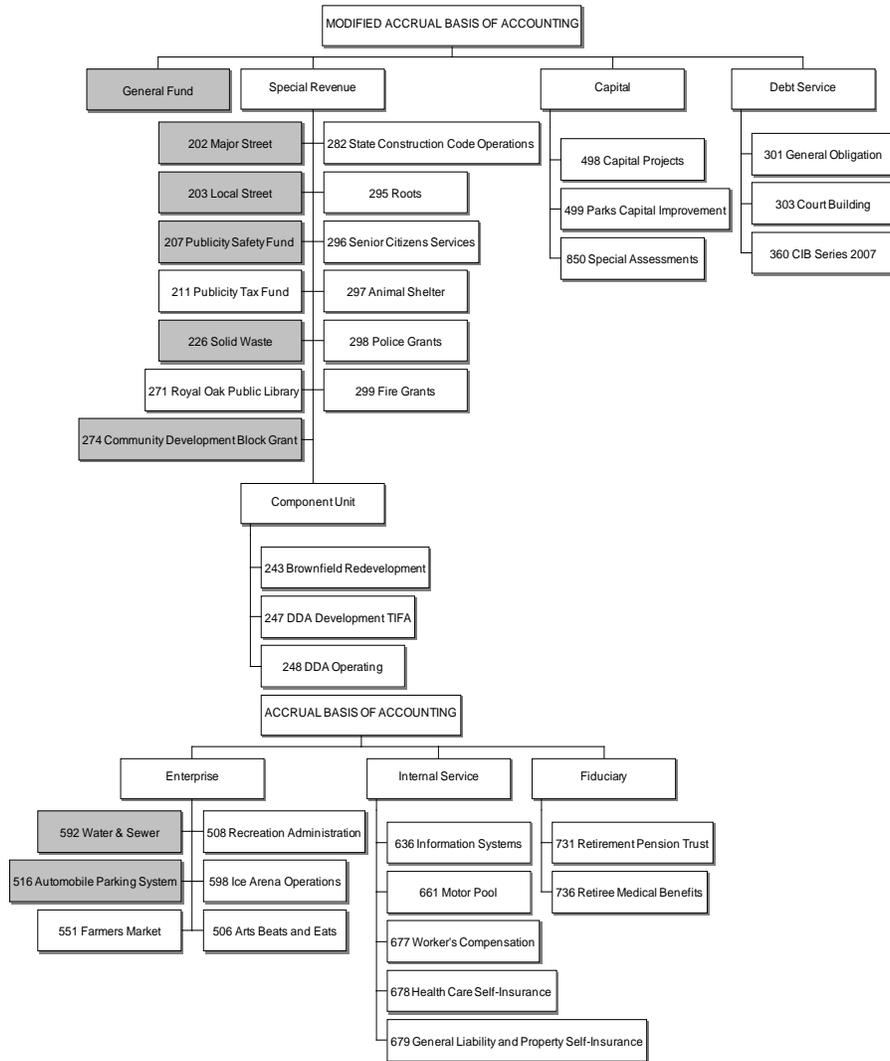

which are not officially adopted but included in this document.

The budget is prepared in accordance with Generally Accepted Accounting Principles (GAAP).

FY 2018-2019 Budget Calendar

November	Finance department requests capital improvement plan submittals
January	Finance department develops initial personnel costing and finalizes the draft capital improvement plan
Jan. 20	Special city commissions strategic planning (goals & objectives) session
January (late)	Finance sends personnel costing detail to departments for their review/approval
Feb. 9	Motorpool and IT department requested budgets are due to finance dept
February (mid)	IT and motor pool cross-charge rates are reviewed by finance department and entered into user dept budgets
Feb. 16	Deadline to submit department requested budgets to finance department – includes department description, goals, objectives, future performance measures, operating & capital budgets, projects 17-18 year-end revenues & expenditures, any relevant forecast information and significant notes
March 13	Capital improvement plan adopted by planning commission
March	Finance reviews and compiles departmental budget requests presentation for city manager
March 27 - 29	Departments and finance meet with city manager to present budgets
April 9	City manager relays to the finance department any last changes to the dept requested budget
April 11-30	Finance department compiles proposed budget document/city managers recommended budget
May 11	Proposed budget documents are distributed to city commissioner and made available to the public (library and website)
May 15, 23, 24	Special city commission budget workshop meetings
May (late)	Finance department makes any city commission changes (developing out of city commission workshops) and if necessary prepares changes for the final budget resolutions
June 19	City commission conducts public hearing and adopts budget (with any revisions to the city manager’s recommended budget)
June 20 - 28	Finance department prepares adopted budget document
June 29	Final adopted budget document is printed and posted to the city’s website
July – June	Finance department monitors budget and performs budget amendments when appropriate

Financial Organization Chart

Shaded funds are major funds. Major funds are funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least ten percent of corresponding

totals for all governmental or enterprise funds and at least five percent of the aggregate amount for all governmental and enterprise funds. Any other fund may be reported as a major fund if the government's officials believe that fund is particularly important to financial statement users.

Attrition Policy

Policy on Attrition

Policy:

Purpose:

The City of Royal Oak is facing revenues that are not sufficient to necessarily meet operating and capital needs and needs to further reduce its staffing levels in order to maintain a balanced budget.

All City of Royal Oak full-time positions except sworn police and fire positions that become vacant, for any reason, may only be filled with specific approval from the city commission. Such approval shall only be granted when it can be clearly established that it will cost more to not fill a position than it will cost to fill a position or when the position is unique and no other employee can perform a critical function.

[Adopted 06/02/2008]
[Reaffirmed 06/11/2018]

Capital Asset Policy

Capital Asset Policy

Capital assets are assets with an initial, individual cost of more than \$10,000 and an estimated useful life in excess of three years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation.

Major outlays for capital assets and improvements are capitalized once projects are placed in service. Interest incurred during the construction phase of capital assets of business-type activities, if any, is included as part of the capitalized value of the assets constructed.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are not capitalized.

Property, plant, and equipment is depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and renovations	25 to 50
Improvements	ten to 20
Infrastructure	15 to 50
Vehicles	five to eight
Equipment	five to 15
Intangibles	ten

[Adopted 04/06/2009]
[Reaffirmed 06/11/2018]

Capital Improvement Project Policy

Capital Improvement Project Definition

Capital improvement projects are any project or physical improvement that results in a permanent addition to the city's capital assets or revitalization/improvement that extends a capital asset's useful life or increases its usefulness or capacity. Qualifying projects must have an estimated cost of \$10,000 or more and an estimated useful life in excess of three years. Examples include:

1. New and expanded physical facilities for the community
2. Renovation, reconstruction, repair or major maintenance to existing facilities
3. Equipment for any public facility or improvement when first erected or acquired
4. Major landscape improvement
5. Utility modification
6. New construction project
7. Public improvement projects (road and park improvements, curbs and gutters, drainage improvements, sidewalks/bikeway/path projects, etc.)

A capital improvement is not a recurring capital outlay item (such as a motor vehicle) or a maintenance expense (such as fixing a leaking roof or painting park benches). Acquisition of equipment is not a capital project unless it is an integral part of the capital project.

Explanations of the option *type of project* are as follows:

Replacement: Existing improvements that are deteriorated and need to be replaced and/or upgraded to continue to provide service and to meet current codes and regulations.

Expansion: New improvements that are growth-related and/or based on projected development.

Economic vitality and diversity: This includes construction of improvements for promotion of economic vitality and diversity and to eliminate and prevent the spread of blight and deterioration to the city.

Explanation of the options for *project priority* are as follows:

Emergency: The project is urgent and must be completed as soon as possible. This could be a temporary or permanent repair to major equipment, facilities or infrastructure. The project must be complete to protect the health, safety or welfare of the community.

Regulatory requirement: The project is required by new legislation, federal guidelines, codes or regulations. The city may be fined if the project is not implemented.

Correct existing deficiencies: The project corrects an existing deficiency to keep the facilities or infrastructure from becoming an emergency situation. If the project is not implemented, the health, safety and welfare of the community may be endangered in the near future.

Near-term capacity need: The project expands the capacity of equipment, facilities or infrastructure to accommodate increasing demand. Failure to address the project may create public inconvenience or an emergency situation.

Long-term capacity need/master plan: The project is identified in the city's master plan(s).

Availability of funds: The project is addressed if there is enough outside funding.

[Adopted 04/06/2009]
[Reaffirmed 06/11/2018]

Debt Management Policy

Background: Debt management policies are written guidelines and restrictions that affect the amount and type of debt issued, the issuance process, and the management of the city's debt portfolio. A debt management policy improves the quality of decisions, provides justification for the structure of debt issuance, identifies policy goals, and demonstrates a commitment to long-term financial planning, including a multi-year capital plan. Adherence to a debt management policy signals to rating agencies and the capital markets that a government is well managed and should meet its obligations in a timely manner.

Debt levels and their related annual costs are important long-term obligations that must be managed within available resources. An effective debt management policy provides guidelines to manage its debt program in line with those resources.

Objective: To manage the debt portfolio to finance all necessary capital improvements while being fiscally responsible with the taxpayer's money in a conservative and prudent manner.

Debt manager and disclosure agent: The director of finance is the debt manager for all items involving debt management. The debt manager is the disclosure agent responsible to develop and conduct an investor relations program and is the person authorized to speak externally on behalf of the city concerning debt. His/her duties include the filing of all

public records to meet federal and state legislation. He or she may appoint a member(s) of staff or consultant to assist in carrying out this mission.

The debt manager shall review this policy at least annually and recommend revisions as necessary.

Policy:

1. The city shall exhibit purposeful restraint in incurring debt.
2. The city shall refrain from issuing short-term debt which requires repeated annual appropriation.
3. Long-term debt will not be used for operations with the exception of legacy costs.
4. Long-term debt will be confined to capital improvements and legacy costs that cannot be financed from current revenue.
5. The payback period of the debt will not exceed the expected useful life of the project.
6. Total city debt, including loans and contractual obligations (e.g. George W. Kuhn Drain debt), will not exceed ten percent (10 percent) of the total taxable valuation of taxable property.
7. The city will maintain good communications with bond rating agencies about its financial condition and will follow a policy of full disclosure on every financial report and bond prospectus.
8. The city will strive to have a minimum bond rating of AA-, or the equivalent, with at least two (2) qualified bond rating agencies.

[Adopted 6/2/2008]
[Reaffirmed 06/11/2018]

Fund Balance Policies

Fund balance policy – general fund

Purpose:

To ensure proper stewardship of the City of Royal Oak's financial resources, by maintaining the city's ability to:

1. Meet liquidity requirements for current and long-term obligations
2. Manage unexpected revenue shortfalls
3. Accept reasonable uninsured risks, where advantageous
4. Provide for unanticipated contingencies and emergencies
5. Provide for long-term budget and tax stabilization
6. Borrow funds at reasonable interest rates, when needed

Policy:

Be it resolved, that it shall be the policy of the City of Royal Oak to maintain an unassigned fund balance in the general fund at least equal to 10 percent of budgeted expenditures but not more than 25 percent of budgeted expenditures.

[Adopted 2/06/2006; Reaffirmed 06/11/2018]

Be it resolved, that it shall be the policy of the City of Royal Oak that any amendment to the city's current fund balance policy for the general fund shall require the affirmative vote of two-thirds of the members of the city commission.

[Adopted 03/06/2006; Reaffirmed 06/11/2018]

Fund balance policy – non-major enterprise funds

Any transfers from any of the city's non-major enterprise funds (farmer's market, ice arena, and recreation administration) to the city's general fund be limited so as not to reduce the net non-capital assets of the non-major enterprise funds by more than 20 percent in any given fiscal year. Be it resolved, that it shall be the policy of the City of Royal Oak that any amendment to the city's

current fund balance policy for the non-major enterprise funds shall require the affirmative vote of two-thirds of the members of the city commission.

[Adopted 03/06/2006; Reaffirmed 06/11/2018]

Fund balance policy – auto parking enterprise fund

Whereas, on February 6, 2006, in order to ensure proper stewardship of the city's financial resources, the city commission unanimously established a policy regarding the maintenance of a minimum unassigned fund balance in the general fund;

Whereas, after additional consideration, the city commission has determined that in order to further ensure proper stewardship of the city's financial resources, a policy should also be established to restrict the level of transfers from the city's parking fund to the city's general fund in

any given fiscal year. Such a policy will ensure that the city will be able to properly maintain the assets associated with the parking fund without having to draw upon the city's general fund.

Therefore, be it resolved, that it shall be the policy of the City of Royal Oak that any transfers from the city's parking fund to the city's general fund be limited so as not to reduce the net non-capital assets of the parking fund by more than 20 percent in any given fiscal year.

[Adopted 12/04/2006; Reaffirmed 06/11/2018]

Fund balance policy – state construction code fund

Purpose:

To help ensure the proper stewardship of the City of Royal Oak’s financial resources and in an effort to stabilize the volatility of state construction code fund (as it is a public safety function) through economic downturns, a fund balance policy has been established.

state construction code fund not less than 50 percent of budgeted expenditures but not more than 150 percent of budgeted expenditures.

That it shall be the policy of the City of Royal Oak that any amendment to the city’s current fund balance policy for the state construction fund shall require the affirmative vote of two-thirds of the members of the city commission.

Policy:

That it shall be the policy of the City of Royal Oak to maintain an unassigned fund balance in the

[Adopted 06/02/2013]
[Reaffirmed 06/11/2018]

Investment Policy

Policy:

It is the policy of the City of Royal Oak to invest its funds in a manner that will provide the highest investment return with the maximum security while meeting the daily cash flow needs of the city and complying with all state statutes governing the investment of public funds.

Objectives:

The primary objectives of the city’s investment activities, in priority order, are:

Safety—Ensuring the safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio and will employ mechanisms to control risks and diversify investments regarding specific types of individual financial institutions.

Scope:

This investment policy applies to all financial assets of the City of Royal Oak, except the financial assets of the retirement funds. The city’s financial assets are accounted in the city’s annual report and include:

Liquidity—The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. Investment maturities shall be scheduled to coincide with projected cash flow needs, taking into account large routine expenditures (payroll, accounts payable, etc.).

- general fund
- special revenue funds
- debt service funds
- capital project funds
- enterprise funds
- internal service funds
- agency funds
- any new fund type established by the city, unless specifically exempted by the legislative body.

Return on investment—The investment portfolio shall be designed with the objective of attaining a market rate of return commensurate with the portfolio’s level of investment risk and cash flow characteristics.

This investment policy applies to all transactions involving the financial assets and related activity of all the foregoing funds.

Diversification—The investment portfolio will be diversified by security type and institution so that potential losses on individual securities do not exceed the gains generated from the remainder of the portfolio.

Delegation of authority to make investments:

Authority to manage the city’s investment program is granted to the city finance director, hereinafter referred to as investment officer. This authority is derived from city charter chap. three, sec. 24. No person may engage in an investment transaction except as provided under the terms of this policy and any procedures established by the investment officer. The investment officer may designate an employee to be responsible for the day-to-day management of the portfolio, under the leadership of the investment officer, and to act on the investment officer’s behalf in the absence of the investment officer. The investment officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of any subordinate official.

Authorized investments:

The City of Royal Oak, as a public corporation operating under the laws of the State of Michigan, is limited to investments authorized by Act 20 of the Public Acts of 1943, as amended (MCL 129.91 to 129.96). The city has approved investment in the following authorized investment instruments:

Bonds, securities and other obligations of the United States or an agency or instrumentality of the United States.

Certificates of deposit, savings accounts, deposit accounts, or depository receipts of a financial institution, but only if the financial institution is eligible to be a depository of funds belonging to the state under a rule or law of this state or the United States.

Commercial paper rated at the time of purchase within the two highest classifications established by not less than two standard

rating services and that matures not more than 270 after the date of purchase.

Repurchase agreements consisting of bonds, securities and other obligations of the United States or an agency or instrumentality of the United States.

Bankers’ acceptances of United States banks.

Obligations of this state or any of its political subdivisions that at the time of purchase are rated as investment grade by not less than one standard rating service.

Mutual funds registered under the Investment Company Act of 1940, title I of chapter 686, 54 Stat. 789, 15 U.S.C. 80a-1 to 80a-3 and 80a-4 to 80a-64, with authority to purchase only investment vehicles that are legal for direct investment by a public corporation. This mutual fund authorization is limited to securities whose intention is to maintain a net asset value of \$1.00 per share. A mutual fund is not disqualified as a permissible investment solely by reason of any of the following:

The purchase of securities on a when-issued or delayed delivery basis.

The ability to lend portfolio securities as long as the mutual fund receives collateral at all times equal to at least 100 percent of the value of the securities loaned.

The limited ability to borrow and pledge a like portion of the portfolio’s assets for temporary and emergency purposes.

Obligations described in subsections 5.1 through 5.7 if purchased through an inter-local agreement under the Urban Cooperation Act, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512.

Investment pools organized under the Surplus Funds Investment Pool Act, 1982 PA 367, MCL 129.111 to 129.118.

The investment pools organized under the Local Government Investment Pool Act, 1985 PA 121, MCL 129.141 to 129.150.

It is further understood that investments of certain bond proceeds may be restricted by covenants in the bond ordinances.

Authorized financial institutions and brokers/dealers:

Investments shall be made only through approved financial institutions and approved security broker/dealers and shall be selected to attain a market rate of return commensurate with the portfolio's level of investment risk and cash flow characteristics. The investment officer, or his/her delegate, shall be responsible for reviewing financial institutions' and broker/dealers' qualifications and deciding who is approved to conduct investment business with the city. The investment officer, or his/her delegate, shall maintain a list of the approved financial institutions and broker/dealers. All financial institutions and broker/dealers who desire to obtain approval for conducting investment business with the city must provide the investment officer or his/her delegate, with evidence of their creditworthiness and qualifications for doing business in this state. This evidence includes audited financial statements, proof of National Association of Securities Dealers (NASD) certification (if applicable), proof of qualifications for doing business in Michigan, a signed agreement to comply with this investment policy (see Attachment A), and any other documents required by the investment officer or his/her delegate.

The investment officer or his/her delegate shall conduct an annual review of the financial condition and qualifications of approved financial institutions and broker/dealers to determine if they should remain on the aforementioned list of approved institutions. Financial institutions and broker/dealers shall provide the investment officer or his/her delegate, with documents necessary for the review.

Safekeeping & custody:

All trades, where applicable, will be executed on a cash basis or a delivery vs. payment (DVP) basis, as determined by the investment officer or his/her delegate. It shall be the responsibility of the investment officer, or his/her delegate, to determine which securities a third party custodian shall hold. A safekeeping receipt must evidence any securities held in safekeeping by a third party custodian.

All securities shall be properly designated as assets of the City of Royal Oak. Securities shall be in the name of the City of Royal Oak and shall name the specific fund from which the instrument was purchased.

Prudence:

In keeping with the investment officer's and his/her delegate's fiduciary responsibilities, investments shall be made with judgment and care, under circumstances then prevailing, in a manner consistent with that which persons of prudence, discretion, and intelligence exercise in the management of their own affairs. Investments shall be made for investment purposes, not for speculative purposes, considering the probable safety of the capital as well as the probable income to be derived.

The investment officer, or his/her delegate, acting in accordance with this policy and written procedures and exercising due diligence, shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided that deviations from expectations are reported in a timely manner and appropriate action is taken to control adverse developments.

Ethics & conflicts of interest:

Officials and employees involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or that could impair their abilities to make impartial investment decisions.

Officials and employees involved in the investment process shall disclose to the city manager, or

confirm the absence thereof, any material financial interests in financial institutions or broker/dealers that conduct business within this jurisdiction. They shall further disclose, or confirm the absence thereof, any large personal financial/investment positions that could be related to the performance of this jurisdiction's portfolio. Officials and employees shall subordinate their personal investment interests to those of this city.

Internal controls

The investment officer shall establish and maintain written procedures and internal controls for the operation of the investment program that are consistent with this investment policy. The internal control structure shall be designed to provide reasonable assurance that public funds are protected from loss, theft, or misuse and that the city complies with laws governing investment of public funds. These internal controls shall be reviewed annually by the independent auditor.

Reporting

The investment officer, or his/her delegate, shall prepare a monthly report of investment activity. The report shall be designed to provide a clear picture of the status of the current investment portfolio and to allow the city to ascertain if the investment activities during the reporting period conform to this investment policy. The monthly reports shall be maintained in the finance department and shall be available for review by the general public or by city officials. On an annual basis, the investment officer shall provide an annual report of investment activity to the city commission.

Adoption by city commission

The city commission has adopted this investment policy by resolution on 11/16/98.

[Reaffirmed 06/11/2018]

Retirement (Pension) Contributions Policy

Be it resolved, the City of Royal Oak shall make pension contributions to the City of Royal Oak retirement system or its successor in accordance with the recommendation of an independent actuarial valuation which shall be conducted on an annual basis.

Be it further resolved, should the weighted average percentage contribution for unfunded actuarial accrued liability recommended by the actuary fall below two percent, the amortization period shall be reduced and the contribution recalculated until a further reduction would result

in a percentage in excess of two percent or until the amortization period is reduced to 20 years. This reduction in the amortization period shall be permanent.

Be it further resolved, should the unfunded actuarial accrued liability fall below zero, the overfunding credit shall be calculated using an amortization period of not less than 30 years

[Adopted 04/07/2008]
[Reaffirmed 06/11/2018]

Fund Self-Supporting Policy

Policy on funds being self-supportive

Purpose:

To acknowledge and document the expectation of which funds are sole supportive and which funds will accept and / or give fiscal transfers (gifts).

Policy:

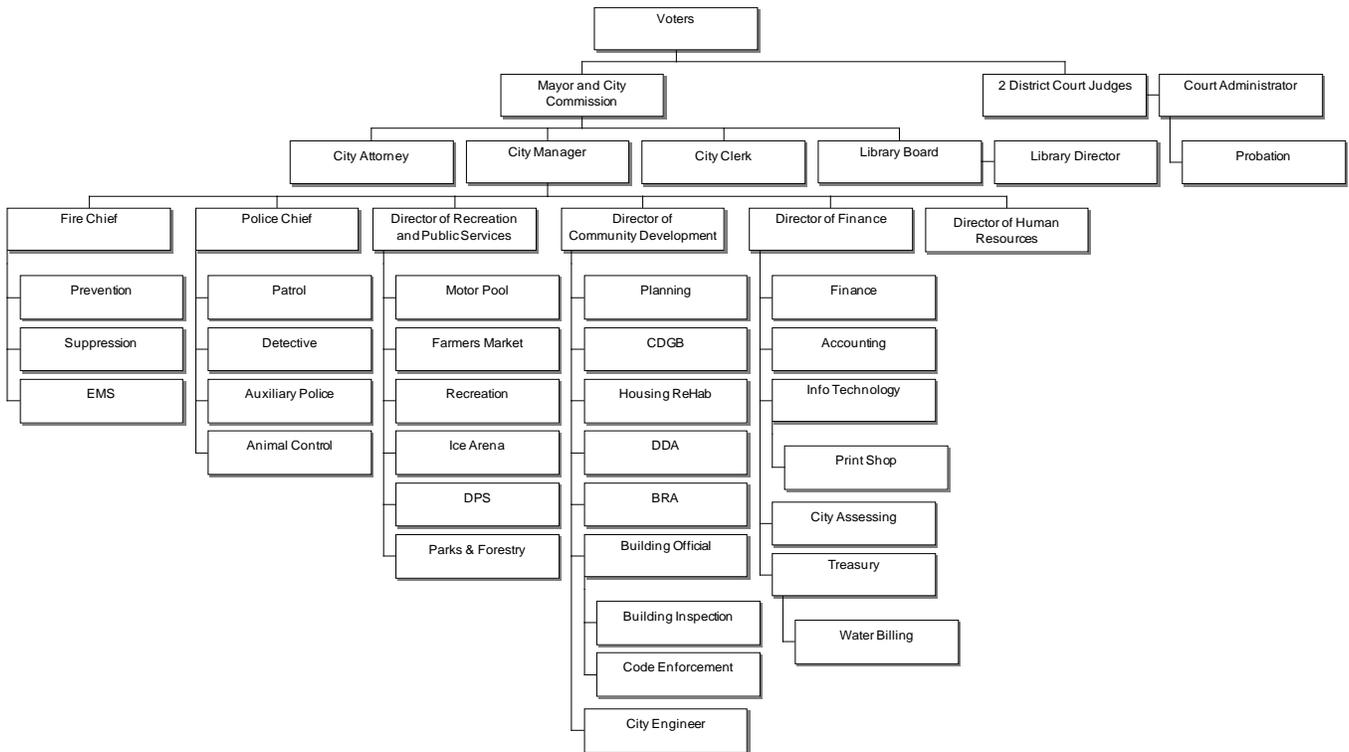

Based on the type of fund and expectations the following list provides whether a city fund can accept or provide a fiscal transfer (gifts) between funds.

[Adopted 06/2014]

Financial Trends

The financial trends in this section of the budget report show year-to-year comparisons and projections in the following categories.

Taxable Value

Tax Allocation

City Millage Rates

State Shared Revenue

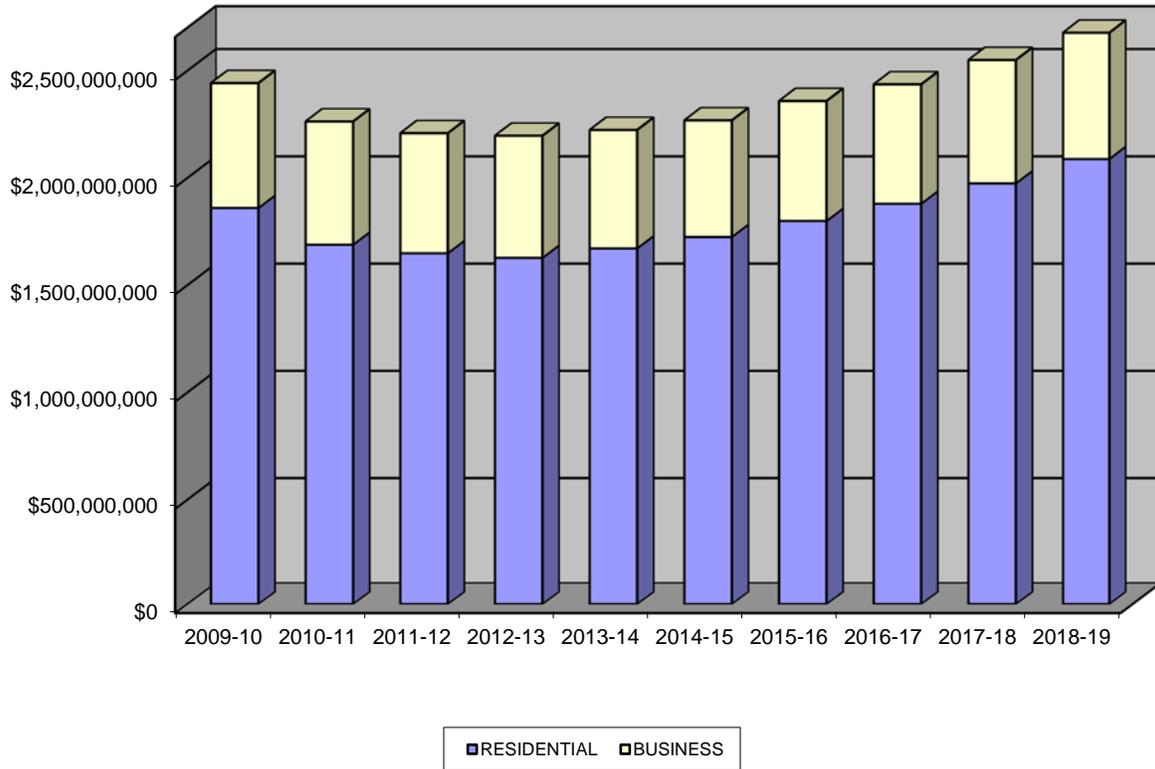

Millage Summary

Interest Income

Millage Rate Comparison

Debt Projections

Taxable Value: Residential + Business Ten Years Actual & Two Years Projected

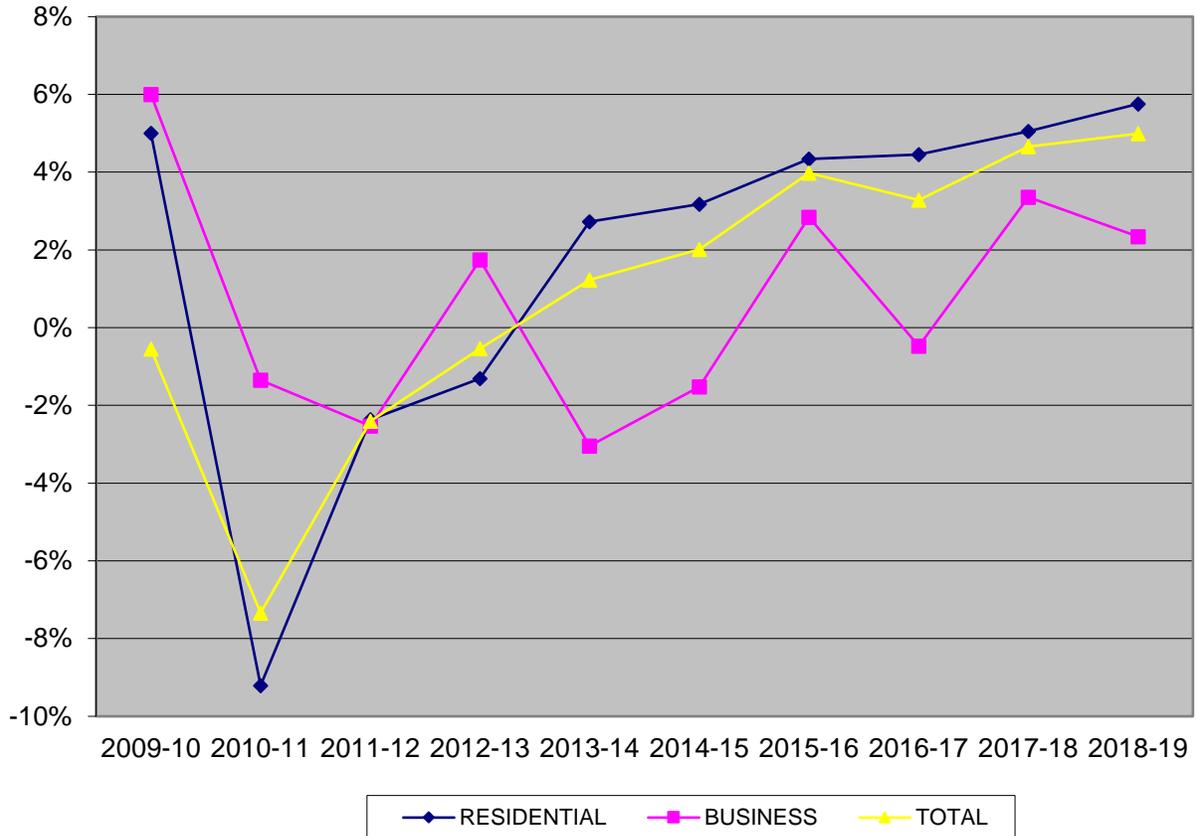

Taxable value, the basis for tax revenue, increased 4.99 percent based on valuations after the March board of review process. All property tax classes increased except personal property.

For the estimated years in the budget, Royal Oak's revenues are projected to increase an average of 2.5 percent each year. This revenue assumption is the net effect of taxable value increases and Headlee reductions.

Fiscal Year	By Class					TOTAL	CHANGE

Proposal A Effect in Royal Oak
Taxable Value v. Assessed Valuation
 (Values are in Millions)

July 1	ASSESSED VALUE (SEV)	TAXABLE VALUE (TV)	LOSS	LOSS INCREASE (DECREASE)
2001	2,209	1,739	470	47
2002	2,439	1,841	598	128
2003	2,603	1,938	665	67
2004	2,746	2,038	708	43
2005	2,872	2,157	715	7
2006	3,013	2,300	713	-2
2007	3,114	2,435	679	-34
2008	2,986	2,455	531	-148
2009	2,808	2,442	366	-165
2010	2,462	2,263	199	-167
2011	2,335	2,208	127	-72
2012	2,279	2,196	83	-44
2013	2,320	2,223	97	14
2014	2,497	2,268	229	132
2015	2,694	2,358	336	107
2016	2,853	2,435	418	82
2017	3,082	2,549	533	115
2018	3,190	2,676	514	-19

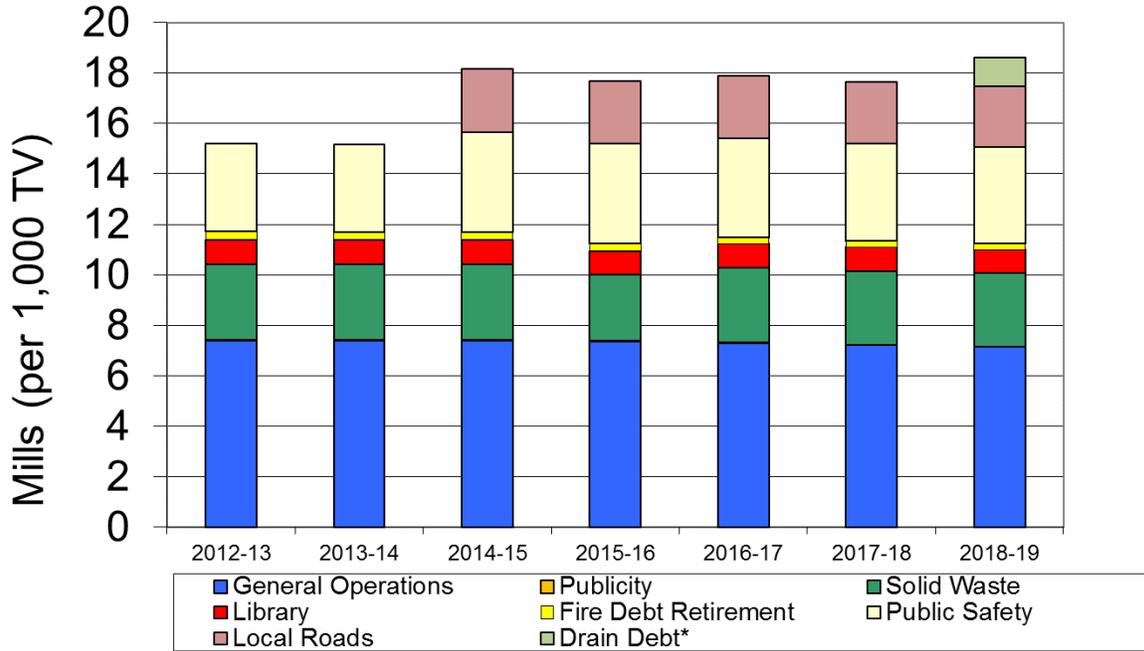

Proposal A of 1994 amended the state constitution changing the property taxation base from state equalized value (SEV) to taxable value (TV). The annual increase in taxable value to each parcel is limited by the parcel's SEV or to the rate of inflation (CPI) or 5 percent whichever is less. The city's allowable inflation rate multiplier for fiscal year 2018-19 is 2.1 percent. The chart and graph show the widening result of this

through 2005 when the gap reached a high of \$715 million. After 2005, the trend reversed and the gap began to close until 2014. In 2014, the loss gap had begun to widen again and continues to expand significantly in 2017. 2018 may be the beginning of another gap closing trend as the loss declined from \$533 million to \$514 million.

Taxable Value + Loss = Assessed Value

General operating levy
City charter amendment 04/01/1957
Up to 11.0000 mills authorized by the charter (limited to 7.1389 mills by Headlee rollback) for any governmental purpose. A levy of 7.1389 mills is budgeted for fiscal year 2018-19.

Publicity levy
Public Act 359 of 1925 - MCL 123.881
Publicity tax; limit. Sec. 1. [Excerpt]
The common council of any city ... in this state, shall have the power to levy a special tax not to exceed in any 1 year 4 mills on the dollar of the assessed valuation of all taxable property within the said city or village, to be used for advertising, exploiting and making known the industrial, commercial, educational or recreational advantages of the said city ..., and to establish recreational and educational projects for the purpose of encouraging immigration to, and increasing the trade, business and industries of the said city or village: Provided, however, that such tax levy shall not exceed 50,000 dollars in any 1 year. A levy of 0.0180 mill is budgeted.

Refuse levy
Public Act 298 of 1917 as amended-MCL 123.261 Garbage disposal plants or systems in cities [Excerpt, underlining added] Sec. 1. (1) The city council of a city, whether organized under the general law or special charter, ... may establish and maintain garbage systems or plants for the collection and disposal of garbage in the city or village, and may levy a tax not to exceed 3 mills on the taxable value of all taxable property in the city or village according to the valuation of the property, as made for the purpose of state and county taxation by the last assessment in the city or village for these purposes (2) As used in this act, "garbage" means any putrescible and non-putrescible solid wastes, except body wastes, and includes ashes, incinerator ash, incinerator residue, street cleanings, solid market wastes, solid industrial wastes, and also rubbish including such items as paper, cardboard, tin cans, yard clippings, wood, glass, bedding, crockery, and litter of any

kind. The Headlee millage limitation and the levy is 1.9465 mills.

Refuse levy
City charter amendment 08/02/2016
As authorized in a city charter amendment this millage was first levied in the summer of 2007. Therefore, it expired after the 2011 levy. It was renewed in November 2011 and again in August 2016 for five years. The renewal allows the city to levy up to 1.000 mill, to defray the costs of refuse collection, disposal and curbside recycling. Currently, the Headlee millage limitation is 0.9619 mill. This millage is budgeted for 0.9619 in fiscal year 2018-19.

Library operations levy
Public Act 164 of 1877 as amended-MCL 297.210a Free public library in the city.
Voter approved millage 11/04/2003
Up to 1.0000 mill is authorized for reconstructing, furnishing, equipping and operating the city's existing library for 20 years. The millage expires after 2023. The current Headlee limitation and levy is 0.9263 mill for fiscal year 2018-19.

Fire bond debt service levy
Public Act 31 of 1948 (1st Ex. Session) as amended
Voter approved bond issue 05/15/2001
A full faith and credit tax millage authorized to pay debt service of building authority series 2001A bonds. This issuance was advance refunded in 2012 and is now called series 2012. This millage expires after 2021. A reduced millage rate due in part to refunding is budgeted at 0.2450 mill for fiscal year 2018-19.

Public safety levy
City charter amendment 11/08/2016
Authorized in chapter 8, section 11 (as amended) in the city charter, this language allows the city to levy a millage for a period not to exceed five (5) years of up to 3.975 mills, to defray the costs for police, fire and emergency medical services. On Nov. 8, 2016 a year prior to expiration, the voters of Royal Oak approved the renewal of this

millage and it is charged on the winter tax bill. The fiscal year 2018-19 budget provides for a levy of 3.8374 mills.

City of Royal Oak Downtown Development Authority

DDA general operations levy
Public Act 197 of 1975 DDA Act-MCL 125.1662 Ad valorem tax--Commission adopted 11/02/1976

Sec. 12. (1) An authority with the approval of the municipal governing body may levy an ad valorem tax in the downtown district. The tax shall be not more than two mills if the downtown district is in a municipality having a population of less than 1,000,000. This is only for the purposes provided by Act 197 beginning with the duty to correct and prevent deterioration in business districts. The levy is budgeted at 1.6021 mills for fiscal year 2018-19 and is also the maximum due to the Headlee limitation. This millage is not reduced by Headlee this year.

Road levy

City charter amendment 11/04/2014 As authorized in a city charter amendment this millage was first levied in the winter of 2014,

this language allows the city to levy up to 2.5 mills for a period not to exceed ten (10) years beginning on Dec. 1, 2014, to defray costs for maintaining, repairing, and reconstructing roads and right of ways in the City of Royal Oak. Voters approved this millage on Nov. 4, 2014 and it was immediately placed on the winter tax bill in the amount of 2.5 mills. The fiscal year 2018-19 budget provides for a levy of 2.4134 mills and this is also the Headlee maximum.

Drain levy

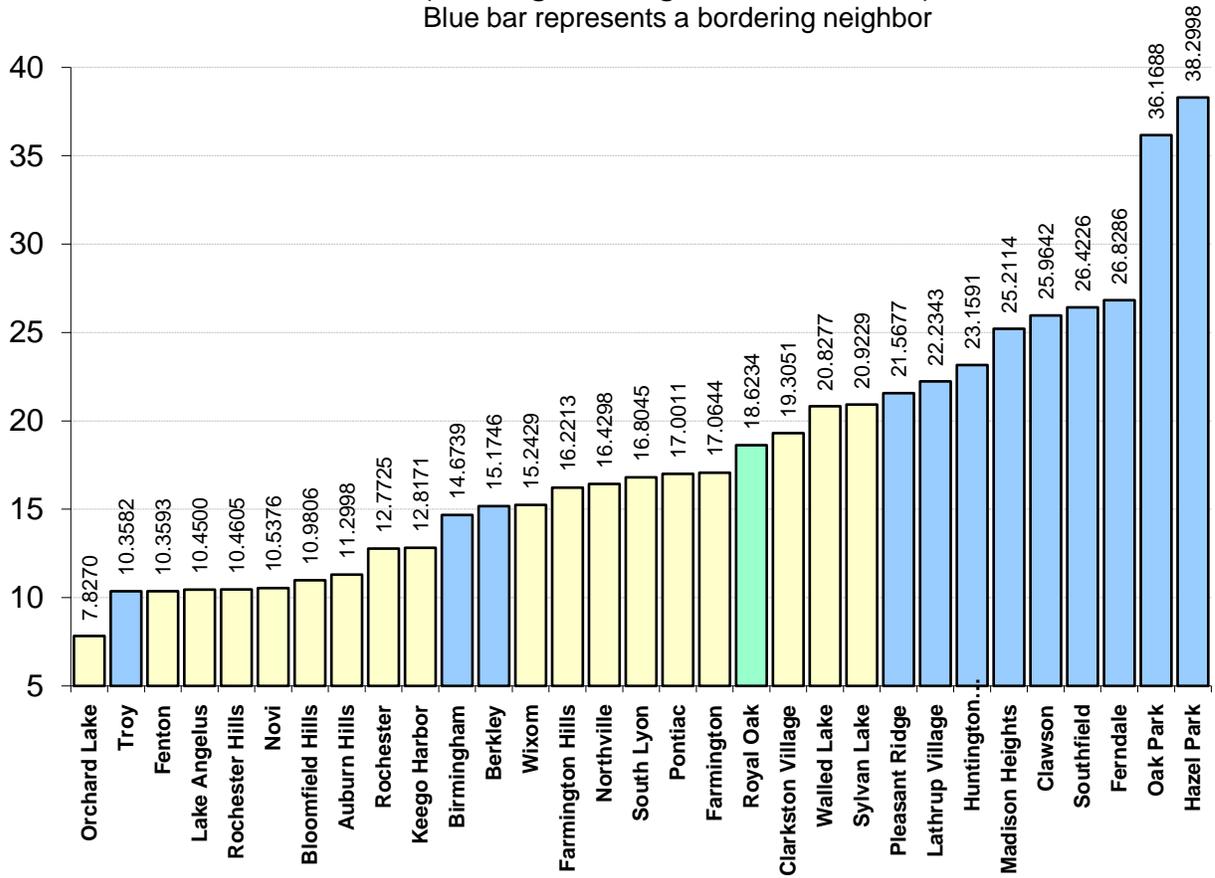

Public Act 40 of 1956 MCL 280.475 Statutory or charter tax limitations inapplicable; rate or amount of taxes.

Taxes levied by a public corporation for the payment of assessments hereunder shall not be deemed to be within any statutory or charter tax limitation. A public corporation may impose taxes without limitation as to a rate or amount for the payment of the assessments in anticipation of which bonds are issued..... The fiscal year 2018-19 budget provides for a levy of 1.1360 mills. Fiscal year 2018-19 will be the first year of this millage as this revenue was collected to pay drain debt service by way of sewage disposal fees in prior year.

46 percent of taxes support city services in Royal Oak. 54 percent of real tax revenue supports the county and schools.

General Fund State Shared Revenue

The Michigan legislature has dramatically reduced distributions of state shared revenue of sales tax receipts since fiscal year 1999-2000. The formula was fully funded in 2001 but population dropped in the 2010 census. The constitutional formula is set by the voters and cannot be affected by the legislature. Statuary/CVTRS payments to the city have been lower each year than its peak since 2000. First there were challenges to the Headlee tax rate limits, and then by Proposal A to taxable value. The past 18 years, local governments

have had to contend with the dilemma that state shared revenue is drastically reduced. As the graph illustrates, funding is down \$1.971 million since the high in 1999-2000 (not adjusted for inflation). This leaves the local unit of government with the position of having to reduce services or find some creative way to raise new revenue (which has its restrictions), such as new voter approved millages. The full CVTRS (formerly EVIP) funding has been budgeted for fiscal year 2018-19, a \$143,000 increase, based upon the State of Michigan’s projection.

General Fund Interest Revenue

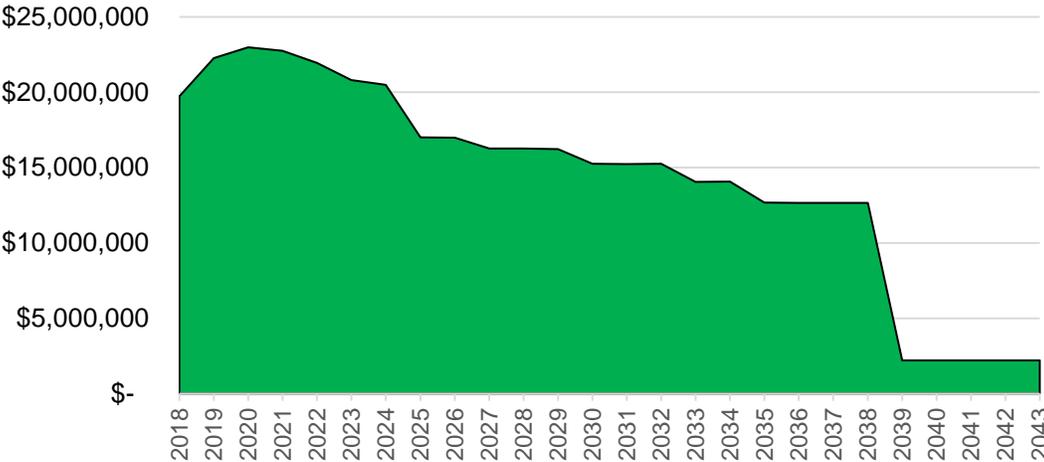

Beyond ten years ago, funds were able to significantly supplement operations with interest income earned on cash balances. Unfortunately, this changed over the last ten years. Interest rates earned on the city’s cash had fallen drastically as well as certain cash levels from which interest rates are calculated. In fiscal year 2007-08, the

general fund earned nearly \$1.5 million to help offset its operating expenditures. The general fund fiscal year 2018-19 interest income is budgeted at \$600,000 due to rising interest rates. However, it is nearly \$900,000 less income than the peak in fiscal year 2007-08. The all funds interest revenue includes trust and agency funds.

The Royal Oak City Commission has set the goal for the general fund to maintain undesignated fund balance of not less than ten percent and not more than 25 percent of expenditures. The public safety fund is combined with the general fund

unassigned fund balance in the graph below, since general fund significantly funds police, fire, and EMS operations. The budgeted unassigned combined fund balance for fiscal year 2018-19 is estimated at \$13.1 million or 25.5 percent.

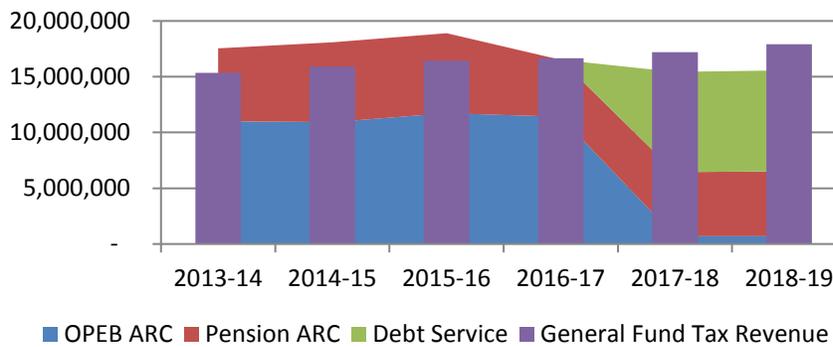

Unassigned Fund Balance as a Percentage of Expenditures

General Fund Tax Revenue vs Actual/Budgeted City Defined Benefit Pension/OPEB and Debt Service Payments

General Fund Tax Revenue vs. Defined Benefit City Pension/OPEB Actuarially Derived Annual Required Contribution and Debt Service

The graph illustrates that the city’s combined pension and OPEB actuarially derived ARC and related debt service payments are now less than the general fund millage revenue. In accordance with state requirements the city has contributed the full pension ARC however the city hasn’t contributed the full OPEB ARC in some of these years. OPEB ARC is not a required annual contribution as

is pension. The top graph illustrates that for fiscal year 2018-19 the city is budgeting to contribute the full pension and OPEB ARCs and pension/OPEB debt service. The contributions are below the general fund tax revenue for fiscal year 2018-19 (and 2017-18) as opposed to prior years’ mostly due to bonding for OPEBs unfunded liability and general employee unfunded pension liability.

General Fund

The general fund is the city's major operating fund accounting for all financial resources of the city except those required to be accounted for in another fund. Property taxes from the city's general tax millage/levy and state shared revenue are recorded in this fund. General administration and some public works functions are services provided from this fund.

Transfers-Out – 101.965

The mission of the general fund is to record all revenue not required by state statute or local law to be reported separately, and to show the legal expenditure of those monies.

The general fund is typically the largest operating fund of any municipality. The City of Royal Oak is no exception; its revenue exceeds \$37 million (including transfers-in from other funds).

Approximately 75 percent of general fund revenue is from property taxes, state grants, fines and forfeitures, licenses and permits,

and charges for services. Property tax revenue alone makes up over half of revenue. The base operating millage is authorized by the city charter in chapter eight section 4.11(a).

A secondary source of general fund revenue includes interest and rentals, contributions and donations, other revenue.

GOALS

1. Provide for the proper collection of revenue to defray the cost of service delivery for the general purpose operations of the City of Royal Oak.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Revenues - Total general fund revenue (excluding transfers-in) is budgeted to increase 2 percent / \$580,000 relative to fiscal year 2017-18 estimated year-end revenue mostly due to increased tax revenue, state shared revenue, indirect cost charges and RDS reimbursement. Tax revenue for the general fund is budgeted to increase 4 percent / \$610,000 for fiscal year 2018-19. The forecast assumes a 2.5 percent increase in tax revenue after fiscal year 2018-19. State shared revenue, another significant revenue source, is budgeted to increase 2 percent/ \$98,000 based upon the State of Michigan’s published projection. Indirect cost revenue (fee charged to other city funds for general fund central service costs) is increasing 8 percent/ \$173,000 due to increased central services costs. RDS payments are increasing \$198,000 due to a one-time decline in fiscal year 2017-18 based upon a change in payment timing.

Transfers-in Transfer-in are decreasing by \$2.488 million due to the net effect of a one-time \$3.5 million transfer (payback) from local streets in fiscal year 2017-18 and the increase of \$737,000 from the DDA and \$275,000 from the auto parking fund to assist with the funding of the ROCC project debt service.

Expenditures – Total general fund expenditures (excluding nonpublic safety transfers-out and a one-time lump sum developer payment related to the ROCC project) are budgeted to increase nearly 7 percent / \$2.3 million relative to fiscal year 2017-18 estimated year-end expenditures, mostly due to an increase for the ROCC project annual debt payment, park capital projects, carryover of the master plan project and increases in wages, and healthcare costs. The specific expenditure details are noted in the significant notes section within each cost centers. Beginning in fiscal year 2017-18, pension and OPEB unfunded actuarial accrued liability (UAAL) contributions are not existent therefore not in personnel costs (with the exception of police and fire pension UAAL) due to the recent bond issuances in February of 2017. Instead, beginning in fiscal year 2017-18, there is a debt expense for the principal and interest allocated to the general fund in the city administration cost center. The estimated future years’ budget assumes that there is not a future UAAL contribution for the legacy costs that were bonded.

Transfers-out Total transfer-out of the general fund amounts to \$26.05 million. Transfer-out to the public safety fund is budgeted at \$19 million, a \$900,000 increase from fiscal year 2017-18 estimated year-end transfer. The forecast estimates that the transfer will be as high as \$20.3 million by fiscal year 2022-23. \$350,000 transfer-out to senior center fund continues to be necessary to support current programing and it is estimated that the transfer will need to increase to \$450,000 by fiscal year 2022-23. The 2018-19 budget has a transfer to ROOTs in the amount of \$20,000 for the commission for the arts funding. The fiscal year 2018-19 estimated year-end provides for \$2 million transfer to the capital fund for the ROCC project and nearly \$4 million in fiscal year 2018-19. The 2018-19 budget includes a \$2,227,000 debt payment on the ROCC project, and the forecast provides for this same amount to be transferred annually for the duration of the ROCC project bond issuance. The general fund continues to transfer-out approximately \$465,000 annually to pay the debt service on the court building.

Fund balance – The fiscal year 2018-19 budget provides for the use of \$5.3 million from fund balance as a revenue source to fund expenditures and transfers-out. The ending fund balance level is projected at 31 percent which is slightly outside of the fund balance policy (fund balance policy is 10 percent to 25 percent of expenditures). However, the forecast show a continued structural deficit with use of fund balance of approximately \$900,000 annually. Should the future estimated budgets be accurate, then this use of fund balance will not be sustainable in the long-term. The final year of the forecast ends with a fund balance of \$9.6 million / 24 percent. A combined fund balance for the general fund and public safety fund totals 18 percent at the end of the forecast.

The balance of noteworthy program information can be found in the significant note section (an orange box) within each of the budget document cost centers.

The mission of the mayor and commission is to govern the City of Royal Oak in such a manner as to provide a safe, healthy and sustainable community.

As provided for in the city charter, Royal Oak has a commission-manager form of government. A commission consisting of a mayor and six commissioners has full power and authority, except as herein otherwise provided, to exercise all the powers conferred upon the city.

The commission appoints the manager as the chief administrative officer of the city. The commission selects the city manager based on his executive and administrative qualifications.

The commission constitutes the legislative and governing body of the city, possessing all the powers herein provided for, with power and authority to pass ordinances and adopt resolutions as they shall deem proper to exercise any or all these powers possessed by the city.

The members of the commission are elected on a non-partisan ballot by the city at large. To be eligible for the office of mayor or commissioner, a person shall have been a

resident of the territory included in the City of Royal Oak at least one year immediately preceding election.

Three commissioners are elected to four-year terms every two years to ensure experienced legislators at all times. The mayor is elected for a two-year term.

The mayor is the presiding officer of the commission. In the absence of the mayor, the mayor pro tempore is the presiding officer.

Each elected official has one vote that can be cast on each motion. Appointed officials do not have a vote. Four members of the commission constitute a quorum and may conduct city business. Ordinance and resolutions require four affirmative votes to be approved.

City commission meetings are held every second and fourth Monday of the month (with some exceptions) at 7:30 p.m. in the commission chambers of city hall at 211 Williams. Meetings are open to the public and are broadcast on WROK channels 55/10.

GOALS

1. Operations – to perform all city operations as efficiently and effectively as possible. This includes, but is not limited to internal communications, technology, innovation and financial management
2. Economic / tax base - encourage and support diverse investment to maximize property values and facilitate employment opportunities and desirable housing

OBJECTIVES

- Evaluate the Royal Oak Next Plan and identify measures to move forward.^{GOAL1}
- Provide incentives for housing developments that meet gaps identified in the target market analysis.^{GOAL2}
- Continue process for establishing ROOTS as a 501(c)3 entity.^{GOAL3}

3. Fiscal management – to preserve Royal Oak as a safe and healthy community through sound fiscal policy, strategic planning, prompt decisive actions and effective management of taxpayer’s assets.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Training and education is increasing \$1,500 relative to fiscal year 2017-18 to allow commissioners to attend additional training events. Capital outlay is decreasing due to the one-time purchase of smart conference chairs.

The mission of the 44th District Court is to provide a neutral environment for objective resolution of legal disputes.

In January 2015, pursuant to law, the 45A District Court (Berkley) merged with and into the 44th District Court, creating one court to serve both the Royal Oak and Berkley communities.

The 44th District Court, a judicial court of the State of Michigan, is comprised of three divisions: the judicial, court clerks and court services.

The court is responsible for all civil, traffic and criminal cases that transpire within the boundaries of the cities of Royal Oak and Berkley.

The 44th District Court has two judges elected by the citizens of Royal Oak and Berkley. A portion of the judge's salaries are paid by the State of Michigan. The judges are responsible to handle all civil and criminal trials, preliminary hearings, formal hearings, appeals, arraignments, bench warrants, etc. The court also has one part-time magistrate who hears over 9,000 informal hearings and small claims cases.

Both judges conduct programs that promote youth-awareness. The Justice 101 program educates younger children on the role of the court and includes visiting the court to observe and tour the facility. Teen court is for young adults and involves teens involved in minor infractions being heard and judged by a court of their peers.

Under general supervision of the chief judge, the court administrator serves as the executive officer for the 44th District Court. The court administrator is responsible for the administrative management of all non-judicial functions of the court. This includes personnel management, financial administration, facility management, scheduling and case management, records

management, jury utilization and other administrative duties.

The criminal section maintains records on all misdemeanor and felony offenses and is responsible for the processing, scheduling and noticing of all criminal cases in the court.

The traffic section is responsible for maintaining records and processing all traffic civil infractions, parking violations, and code enforcement proceedings.

The civil section maintains records on general civil, landlord/tenant and small claims cases and is responsible for the scheduling, processing and noticing of these cases.

The 44th District Court became the first court in the tri-county area to implement e-citations and e-commerce. This enables police officers to print the tickets in their police car and download the information directly into court computers saving time and money. At the same time e-commerce allows people receiving traffic tickets to pay their tickets directly on-line via the web. Because of this and other innovative measures that the court has taken in recent years the court has been able to reduce costs.

The court services division is responsible to administer several programs; jury administration, comprehensive collections efforts and the supervision, counseling, and referral of defendants placed on probation.

Probation officers assist persons sentenced to probation with supervision and rehabilitation with a goal to eliminate re-offending. The probation component of the division performs alcohol screening assessments and pre-sentence investigations. Other services provided include assisting with securing training, schooling and employment. Due to jail overcrowding at the Oakland County Jail, the 44th District Court has developed several alternative programs through the probation

division. Prisoners who would ordinarily be sent to jail but are not a threat to the community are placed in TROOP, an alternative work program.

The TROOP participants are ordered to perform hours of community service in the City of Royal Oak such as picking up leaves in our parks, planting flowers in city flower beds, cleaning the Salter Center, and other civic and charitable deeds within the community.

The 44th District Court's two judges each preside over a sobriety court caseload. Sobriety court is a two-year intensive supervision and rehabilitation program for individuals who have been convicted of drug offenses or two or more offenses of drunk driving. Participants are monitored closely to insure there is no alcohol or drug use. They participate in therapy and support group meetings, and meet with a specially trained probation officer twice per month. The program consists of four phases and presently averages about 95 participants. Since 2013, the 44th District Court's Sobriety Court has shown significant success in rehabilitating participants graduating 106 people from the program.

Jury administration encompasses all aspects of the process of summoning eligible citizens from the Royal Oak and Berkley communities when they are needed for jury trials. This includes notices, payments, responding to inquiries, and seeing to their needs while serving as a juror. The court is mindful that jury service, while essential to our system of law, does sometimes present an inconvenience to those summoned.

The court is responsible for collection of monies owed for all traffic tickets, parking tickets, misdemeanors, and code violations. Due to the court's continued aggressive collections program, the 44th District Court enjoys one of the highest collection and case closure rates in the State of Michigan.

There is a maxim that a fine is not a punishment until it is collected. This court believes that. Failure to aggressively pursue those who owe fines and costs can result in diminished respect for the rule of law and possible re-offending. The court utilizes a number of proven strategies to compel compliance.

GOALS

1. To provide a fair venue for resolving traffic and ordinance, civil, criminal, small claims and landlord/tenant legal disputes.
2. To provide efficient, effective and safe resolution services for legal disputes.
3. To reinforce respect for the rule of law by ensuring that fines and costs assessed by the court are paid.
4. To provide efficient, courteous service to citizens summoned to jury duty,

OBJECTIVES

- All trial courts must implement electronic filing by June of 2021. Some components supplied by the state and others are local responsibility. The court wants to get the local responsibility components in place to ease transitioning.^{GOAL2}
- Continue to improve methods and means for persons to pay outstanding fines and costs.^{GOAL5}
- The 44th District Court is recognized as a court of excellence; in customer satisfaction, and our approach to

GOALS

- remaining mindful that we are taking people from their daily routines.
5. To utilize innovative strategies to compel compliance from persons who owe fines and costs.
 6. To assist judges with sentencing by providing thorough reports and professional analysis.
 7. To provide persons sentenced to probation with a range of rehabilitation services designed to minimize re-offending.

OBJECTIVES

- delivery of services. The court wants to find more ways to utilize innovation and technology to improve service delivery.^{GOAL1}
- The court must obtain certification of its drug court by the State Court Administrative Office (SCAO). Certification is necessary to compete for state grants and to utilize state incentives on behalf of drug court participants (i.e. restricted driver's license). The court received its first grant of \$100,000 this year. The court wants to continue to get grants of even larger amounts in the years ahead.^{GOAL7}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The court has initiated several new programs to strengthen its collection effort, notably structured payment plans and a tax garnishment program. The court initiatives to collect outstanding fines and costs continue to produce positive results. In 2014, the annual collections were \$5.5 million. In 2017, the annual collections were over \$7 million.

The Michigan Indigent Defense Commission was recently created to ensure that an accused person has benefit of counsel at critical points in their case. The Michigan Supreme Court and governor's office have promulgated standards to insure an individual facing the possibility of jail time is afforded competent legal counsel early in the criminal process. The 44th District Court was already utilizing many of the standards before the criteria were released. Insuring adequate representation has required a large increase of the expense for court appointed counsel. As additional criteria are adopted and implemented, the expense is sure to increase even more.

The court is approved for a drug court grant of \$100,000 for fiscal year 2017-18. This allows for a drug court probation officer, so case load distribution can be in compliance with state standards. It's intended that this will be the first of many years of such grants and higher awards will be received in the years ahead. Should the court not get the grant for a second year, this position will be funded by the general fund for a majority of fiscal year 2018-19. Personnel costs are increasing due to the addition of this full-time drug court probation officer as well as a part-time drug court clerk. Overtime is budgeted \$5,000 higher than the fiscal year 2017-18 projection as this fluctuates depending on case load and the number of garnishments.

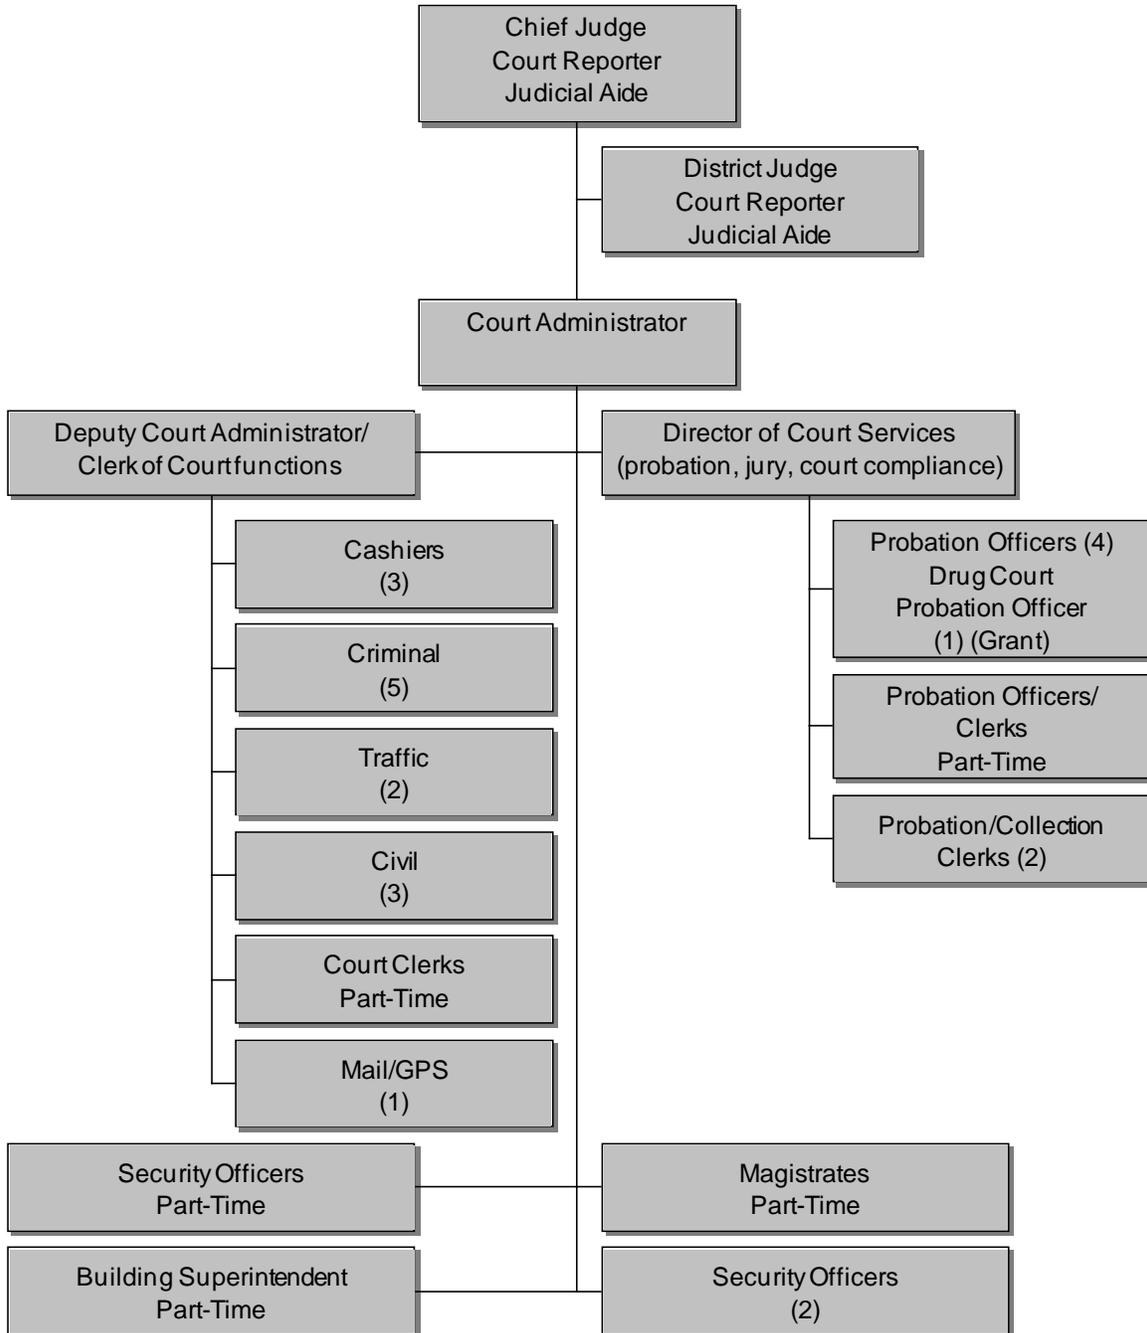

The court experienced significant expenditure issues with the HVAC system during 2017. Many issues were due to age and discovery of components that have not worked properly for years. The court expects to have to replace a motor and other parts in the other air handler within the next 12 months. Books and subscriptions are increasing \$500 as the price of law books increases each year. Building security services are increasing \$500 due to annual increases in the cost of security system services. Printing costs are decreasing \$5,000 relative to the fiscal year 2017-18 original budget due to doing additional in-house printing. Juror fees are increasing \$4,000 due to an increase in the rate jurors are paid starting on April 1. \$50,000 is budgeted for cement remediation outside of the court building.

The mission of the city manager is to efficiently and effectively manage the delivery of the city's services as established by the mayor and the city commission's goals, objectives and policies and as prescribed by the city charter.

The city manager is the chief administrative officer of the city. The manager is chosen by the commission based on his/her executive and administrative qualifications, in addition to other criteria described in the city charter.

The city manager is responsible to the commission for the proper administration of the affairs of the city and makes most appointments, including the heads of departments.

Another important duty involves maintaining effective communication with, and being available for, the city commission. The city manager is required to be present at all meetings of the commission and be present at meetings of its committees and to take part in discussions, but has no vote.

The city manager's office oversees, administers and supervises all departments within the city with the exception of those that are separated by charter. These include the city attorney, city clerk, library director and the 44th District Court. The city manager's office acts as the chief operating office for the local government.

The office sets the commission agendas, negotiates with the city's nine (9) bargaining units, coordinates all special projects, works with all neighborhood associations and nonprofit and business groups, and has general control of all operational, financial, support and maintenance functions of the city government.

According to city charter, not later than 30 days before the end of each fiscal year, the city manager must prepare and submit to the commission an annual budget for the ensuing fiscal year, based upon detailed estimates furnished by the finance department and numerous other divisions of the city government.

GOALS

1. Operations – to perform all city operations as efficiently and effectively as possible. This includes, but is not limited to internal communications, technology, innovation and financial management.
2. Fiscal management - to preserve Royal Oak as a safe and healthy community through sound fiscal policy, strategic planning, prompt decisive actions and effective management of taxpayer's assets.
3. Infrastructure – to sustain, replace and enhance Royal Oak's infrastructure to promote efficient delivery of beneficial services.

OBJECTIVES

- Develop succession plans to anticipate near-term retirements, and over time, develop succession plans for all levels of staff, providing opportunities for employee development, including a potential for job sharing as departures become imminent.^{GOAL1}
- Identify areas in city service operations with the lowest satisfaction scores, based off the Cobalt Community Survey, and develop strategies to increase these scores.^{GOAL1}
- Maintain financial stability to assure employees of job security; complete the ROCC to strengthen recruitment efforts; build up employee morale.^{GOAL1}

GOALS

4. Communication – to proactively promote meaningful, open and respectful dialogue that ensures effective decision making.
5. Community – to preserve neighborhoods by encouraging community involvement and family activities.
6. Public safety – to protect all persons and property in Royal Oak by providing the highest quality public services possible in the most efficient manner.

OBJECTIVES

- Implement a Disney customer service refresher course for new employees.^{GOAL1}
- Take advantage of a DNR grant for development of Normandy Oaks Park.^{GOAL2}
- Aggressively pursue grant opportunities, employing a cost-benefit analysis to ensure that grants are financially appropriate.^{GOAL2}
- Review and update service fees every two years to insure costs are covered.^{GOAL2}
- Finalize the design and bid out the ROCC project.^{GOAL3}
- Establish a transition or movement plan as departments need to plan on moving from the old facility to the new complex.^{GOAL3}
- Complete the ROCC project staging plan and rollout to the community.^{GOAL3}
- Establish ROCC project deadlines and a timetable for staff as the program unfolds, and make that public as well.^{GOAL3}
- Place a sidewalk funding millage on the November ballot.^{GOAL3}
- Seek Oakland County Water Resources Commission commitment to require 12 local government units in the George Kuhn drainage area to reduce drainage flows to downstream communities.^{GOAL3}
- Develop a city-wide environmental sustainability plan to link together the range of infrastructure plans and projects that are unfolding.^{GOAL3}
- Identify a team to provide information

GOALS

OBJECTIVES

to the public about the ongoing ROCC project, and consider hiring a public relations firm to help with the task.^{GOAL4}

- Increase promotion of the city website, get the URL out in the public and on social media.^{GOAL4}
 - Explore establishing a citizen's academy program along the lines of the citizens police academy to help individuals understand how the city does its business.^{GOAL4}
 - Schedule a work session with members of the city commission and planning commission to reconsider the action to direct the revision of the master plan and zoning ordinance.^{GOAL5}
 - Complete a community visioning plan with a high quality public engagement effort as the master plan planning process unfolds.^{GOAL5}
 - Complete phase one of Normandy Oaks Park.^{GOAL5}
 - Create a public transportation plan for the city.^{GOAL6}

The City of Royal Oak's overall "American Customer Satisfaction Index" Rating (scale 1-100)	70	N/A	68	N/A	69

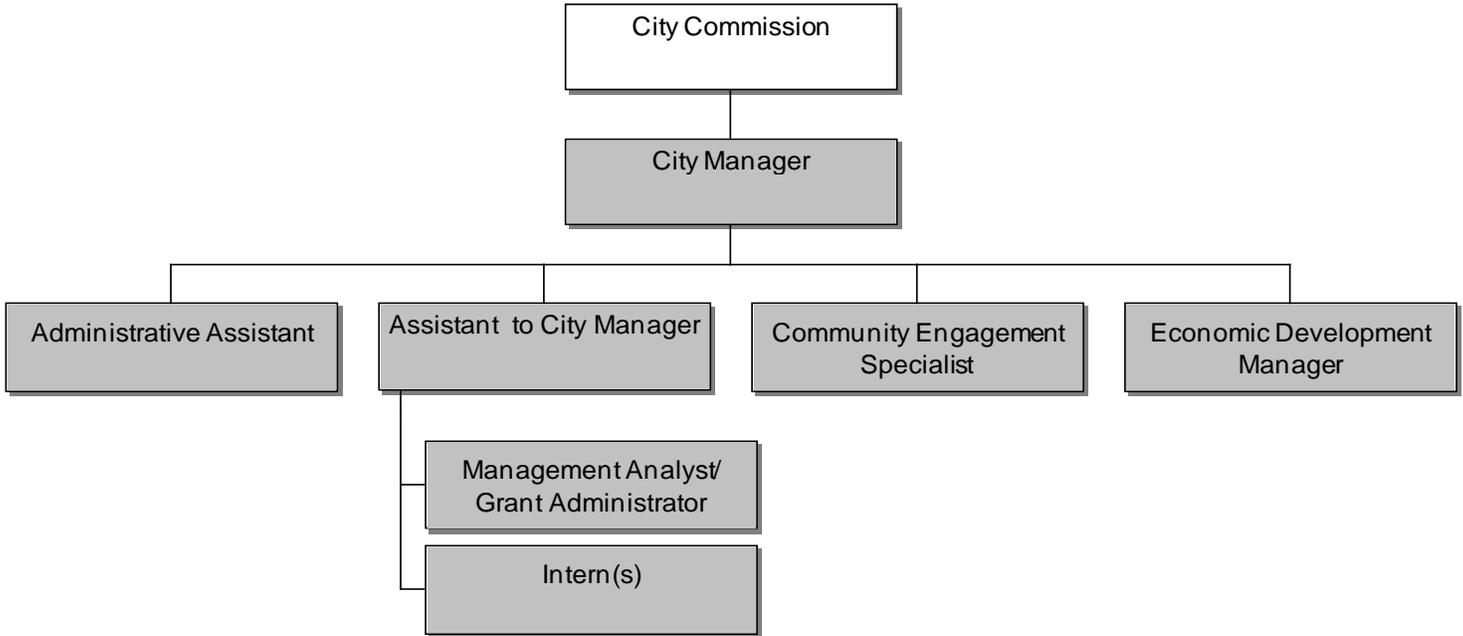

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Full-time personnel costs are increasing due to newer employees (who are not at the top of their pay range) potentially receiving wage increases and all positions being filled for the entire fiscal year. Part-time wages are increasing \$4,500 as both fellow positions will be filled for the entire year. \$6,000 is budgeted for grant tracking software. This is a cost that has been covered by SEMCOG for the past year but may not be covered in the future. Contracted services include \$85,000 to carry-over an organizational study from fiscal year 2017-18. Training and education is increasing \$2,500 due to a newer employee requiring training. Dues and memberships are increasing due to all positions being filled.

The mission of the elections division is to conduct elections in an effective and ethical manner meeting the requirements of the federal and state election law and the city charter.

The elections division of the city clerk's office maintains the city's qualified voter file (QVF) for the State of Michigan and is responsible for the conduct of elections in the city.

This division provides service to the community by maintaining a permanent absentee voter list and automatically mailing absentee applications to those voters, as requested.

For an election cycle, the division sends ID cards to new voters, mails absentee applications to those who have requested to be on the permanent absentee voter list and mails ballots; orders election supplies including ballots, test ballots and the election program. Prior to every election we participate with the county for a mock election to verify the accuracy of test results. We prepare M-100 tabulators, automarks, ballot boxes and supply boxes for each precinct.

The city's clerk's office prepares precinct lists to be used on election day. Staff verifies

candidate and ordinance petitions to be placed on the ballots. Voter lists are prepared as requested by candidates including specific election data and daily lists that are sent to them electronically. Training is conducted for all elections prior to every election to assure compliance with all applicable election laws.

The clerk oversees all election day activities to make sure elections run smoothly. Election results are processed and sent via modem to the county. Once election results have been tabulated, voter history is uploaded into the QVF software system. Costs for the election are identified including postage, supplies, payroll, legal notices and ballots.

Voter registration drives are conducted with cooperation of Royal Oak High School (ROHS). We had one drive in December and will have another one in the fall. The same is done with the nursing homes located within the city.

This office also helps ROHS with their mock elections by providing voting booths for students. Students are also hired for higher turnout elections, such as the presidential election. This gives them a better understanding of the election process.

GOALS

1. To effectively administer the election program by keeping informed of relevant legislation and improvements in technology and efficient process.
2. Streamline election process at the polls.
3. Provide timely and accurate election results.

OBJECTIVES

- Administer two elections for the calendar year 2018.^{GOAL1}
- Training election workers with the new equipment. First rollout was in 2017, however, that was with combined precincts. This year will be the first implementing new equipment in all voting precincts.^{GOAL2}
- Continue utilizing the most up to date technology to streamline voter wait times.^{GOAL2}

GOALS**OBJECTIVES**

- Holding registration drives for our high school students so that they are registered prior to going to college. The first one this year was held in April at the high school.^{GOAL1}
- Holding registration drives for seniors at our senior facilities.^{GOAL1}

Note: Elections performance Indicators are reported on a calendar year basis as opposed to a fiscal year basis

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Part-time wages and overtime are increasing as there will be two elections in fiscal year 2018-19, an increase of one. Miscellaneous contracted services were increasing \$1,000 for Oakland County charges to code voting equipment but this was not carried forward in the manager's recommended budget. Postage and mailing services are increasing \$1,500 as there will be two elections so ballots will need to be mailed twice. \$90,000 is budgeted for a high-speed image scanner to process absentee ballots.

The mission of the finance department is to provide accurate and timely financial services for the City of Royal Oak in the most efficient manner possible.

The director of finance has the responsibility of the administration of the financial affairs of the city insofar as they relate to the keeping of accounts and financial records and the disbursement of city funds.

The short-term and long-term financial planning, cost allocation, labor contract costing, budget preparation and capital improvement plan coordination (of finances) are performed by the finance department. The budget is prepared in accordance with the city charter and the state's Uniform Budgeting Act. The budget function includes all the personnel costing, cost allocation, monitoring, amendments, forecasts and various financial reports.

The department accounts for approximately 50 funds and 150 cost centers, utilizing five different banking institutions. All account records are kept by the finance department showing all the financial transactions of the city including cash receipts, cash disbursements, revenues accrued and liabilities incurred and all transactions affecting the acquisition, custody, and disposition of city property and make such reports of the financial transactions and conditions of the city as required by law, ordinance, or resolution. The CAFR (Comprehensive Annual Financial Report) and compliance (financial) reports for state and federal purposes are prepared by the department as well.

Centralized accounts payable and (most of) payroll functions are performed within the department.

The department supports other city departments with their purchases by providing assistance with bid and quotation solicitation and review of responses for the procurement of goods and services and purchase order processing. The procurement process recently has become more centralized due to the re-establishment of one purchasing agent within the finance department.

In accordance with the city ordinance, the director of finance serves as the secretary, treasurer and chief administrative officer for the retirement system and the custodian of its assets. The department is responsible for the preparation of estimated and final pension benefit calculations, monthly pension benefit payments, day-to-day administration of the system and provides all of the data for the actuarial valuations. The director of finance also serves as the administrator to other retiree benefit plans.

The sale of municipal bonds and the maintenance of bond service payments are administered within the department along with the development of utility (water and sewage disposal) rates, various financial reports, certain aspects of risk management and assistance with grant reporting.

The director of finance is responsible for the other fiscal related functions such as treasury, assessing, and information technology departments.

GOALS

1. To accurately and timely record all financial transactions as to provide the best financial information to the city commission, city manager, residents and

OBJECTIVES

- Comprehensive review of the general administration cost allocation and general liability cost allocation

GOALS

- other users; continue to earn the GFOA Certificate of Achievement for Excellence in Financial Reporting.
2. To properly administer the purchasing, payroll, payables, pension functions and accomplish the numerous financial reporting requirements accurately and timely.
 3. To facilitate the city's (fiscal) strategic planning and adoption of sound financial policies in an effort to effectively and efficiently manage the city's assets.
 4. To develop reports including a budget plan document that excels as an operational guide, financial plan, policy document and communication devise.
 5. Infrastructure – to sustain, replace and enhance Royal Oak's infrastructure to promote efficient delivery of beneficial services.

OBJECTIVES

- methodologies to look for opportunities for improvements.^{GOAL1}
- Provide, review, adopt and publish various city retirement system policies to provide for the improved administration of the city's retirement system.^{GOAL3}
 - Work closely with departments to prepare more comprehensive goals, objectives and performance measures for all city functions to improve upon communication and the ability to benchmark.^{GOAL4}
 - Complete financing for the ROCC, including the contract with the DDA, selection of underwriter, rating agency presentation and sale of bonds.^{GOAL5}
 - Sell the bonds at a reasonable rate.^{GOAL5}
 - Develop a comprehensive purchasing manual.^{GOAL2}
-

*2008-2010 contracted analyst not shown

**formerly decentralized to all departments

***position existed prior to 2011

The mission of the assessor's office is to annually provide the residents and property owners of Royal Oak with fair and equitable assessments; provide information to the general public that is accurate and reliable and mindful; provide information to other city departments efficiently and allowing them to better perform their duties; provide all of these services in a professional and courteous manner which complies with the Charter of the City of Royal Oak and the constitution and laws of the State of Michigan.

The assessor's office uniformly and accurately values all taxable property in the City of Royal Oak. The office is responsible for preparing the assessment rolls and tax rolls of the city for all classes of property subject to taxation. The state constitution and statutes require that, notwithstanding any other provision of law, the assessed values placed upon the assessment roll shall be at 50 percent of true cash value.

Passed by the voters in March of 1994, Proposal A placed additional limits on values used to compute property taxes. Starting in 1995, property taxes were calculated using "taxable value". This value is capped by the inflation rate multiplier until a property transfers ownership. Prior to Proposal A, taxes were calculated on the "State Equalized Value" (SEV). This value represents market or true cash value and changed annually regardless of changes in ownership.

The office is a valuable source of information for the public, maintaining data on each parcel of property in the city. This includes plat maps and record cards for over 25,000 real property parcels. Additionally, an outside vendor, by contract, maintains approximately 2,000 personal property parcels. The total parcels include these ad valorem parcels, Industrial Facilities Tax (IFT), Tax Increment Financing Authority (TIFA), Downtown Development Authority (DDA) and Brownfield Redevelopment Authority properties.

Another function of the assessor's office is to record, maintain and edit the status of each parcel of property in the city to determine whether it qualifies for a "principal residence exemption" for a portion of school tax. The office also analyzes deeds and affidavits on every transferred property within the city that would trigger an "uncapping" of taxable value in accordance with Proposal A.

The administration of land divisions and combinations is the responsibility of the city assessor while coordinating review efforts with planning, building, engineering and treasury through completion with the Oakland County Land Division and the Land and Address Management System. The assessor assists and guides the property owner through the process. This procedure includes plat and condominium developments.

Change of assessment notices are mailed in February of each year and taxpayers are given the opportunity to protest their assessment before the city's board of review in March. The board of review is composed of six city residents, forming two boards working as one, appointed by the commission for two-year terms. The board has the discretion and authority to make adjustments to an individual's assessment if warranted.

General property tax law also provides for a special meeting of the board of review to be held on specific days in July and December for the purpose of correcting clerical errors or mutual mistakes of fact.

With the legal assistance of quality, professional outside counsel, the assessor's office is able to settle, dismiss, and defend the tax tribunal appeals that are brought against the city.

On or before the first day of July of each year, the city assessor delivers a certified copy of the assessment roll on which the city tax has been apportioned and spread, with the warrant annexed to the city treasurer.

The assessments are utilized with the millage rates adopted by the various taxing authorities (Oakland County Operating, Oakland County Parks & Recreation, Zoological Authority, Art Institute Authority, Public Transportation Authority, Huron-

Clinton Metropolitan Authority, Berkley, Clawson and Royal Oak Schools, Oakland Community College, Oakland Schools ISD) to generate tax revenues for the authorities within the city's boundaries.

GOALS

1. To maintain fair assessments for all classes of property.
2. To improve the quality of service and information available to the public.
3. To keep accurate sale valuation, name, address and principal residence exemption files.
4. Compliment a quality board of review for March, July and December.
5. To review cost measures associated with the assessment function.
6. Defend assessments at the Michigan Tax Tribunal.
7. Meet STC guidelines regarding the annual review of properties.
8. Prepare all mandatory reports to insure proper collection of taxes.
9. Create and administer the process for all lot splits/combinations.
10. Prepare special assessment rolls.
11. Creation of new land value maps.

OBJECTIVES

- Review staff appraiser's methodologies to ensure proper uniformity of assessment practices.^{GOAL1}
- Scan all transfer documents, land division documents and name/address changes into BSA system for greater efficiencies in record keeping.^{GOAL3}
- Develop and maintain proper land value determinations in compliance with state requirements.^{GOAL7,11}
- Review all data for each sale to update record card information and determine accurate assessment values.^{GOAL3}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The personnel budget is increasing due to the potential for employees (who are not at the top of their pay range) to receive wage increases as well as a part-time appraiser position that was filled during fiscal year 2017-18 that will be filled for the entire year in fiscal year 2018-19. Overtime is increasing \$2,000 as a contingency for board of review. Contracted services are budgeted to increase \$8,200 relative to the fiscal year 2017-18 original budget due to an increase in the cost of the personal property tax contractor and appraiser fees for the Michigan tax tribunal. Motor pool charges are increasing due to a catch-up plan to collect depreciation that was not collected many years ago during an intentional depreciation (collection) vacation. This catch-up will help to provide the proper accumulation of funds that will be sufficient for the motor pool's future replacement.

The mission of the City of Royal Oak attorney's office is to promote responsible government by providing highly professional legal counsel to the city commission, city departments, boards and committees, and city employees in all matters relating to any official duties.

The city attorney's office is established by the Royal Oak Charter (chapter III, section 22). The city attorney is appointed by, and is directly responsible to the city commission. The attorney serves as the legal adviser and counsel for the city and for all officers and departments in all matters relating to their official duties, and performs such other duties as may be imposed by the commission, either by ordinance or resolution.

The city attorney's office is an integral part of the criminal justice system, working with the police and code enforcement departments in the prosecution of misdemeanors and civil infractions in the district court.

The city attorney also prepares and reviews contracts and development agreements, reviews bonds and insurance policies, prepares ordinances, and manages all civil litigation for the city.

GOALS

1. General counsel - to provide sound legal advice in a timely manner.
2. Civil litigation – to provide the city with effective representation in all cases in which the city is a party.
3. Ordinance prosecution – to effectively prosecute city ordinance violations.
4. To advocate on behalf of the people of the City of Royal Oak in the best interests of justice.
5. To courteously handle inquiries from the general public regarding the city code and/or established city policies and procedures.
6. To provide on-going review of the city code to comply with the current state of the law and further the city commission's goals and objectives.

OBJECTIVES

- Deal with any legal challenges as they emerge.^{GOAL7}
- Place a sidewalk funding millage on the November ballot.^{GOAL7}
- Continue process for establishing ROOTS as a 501(c)3 entity.^{GOAL8}
- Resolve the snow removal ordinance discussion.^{GOAL9}

7. Infrastructure – to sustain, replace and enhance Royal Oak’s infrastructure to promote efficient delivery of beneficial services.
 8. Fiscal management – to preserve Royal Oak as a safe and healthy community through sound fiscal policy, strategic planning, prompt decisive actions and effective management of taxpayer’s assets.
 9. Public safety – to protect all persons and property in Royal Oak by providing the highest quality public services possible in the most efficient manner.
-

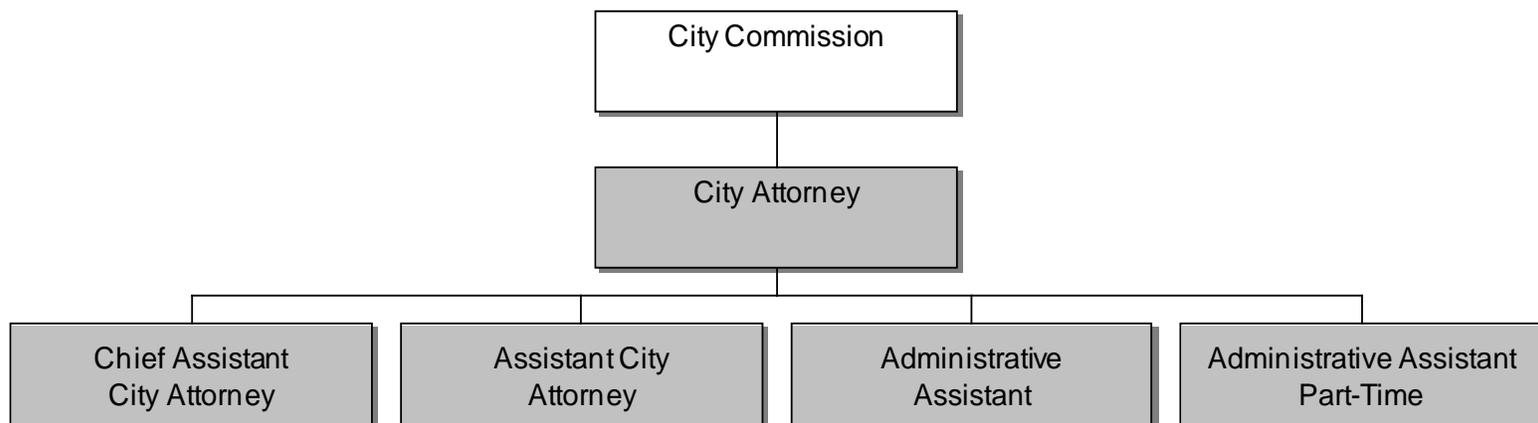

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to newer employees (who are not at the top of their pay range) potentially receiving wage increases. Part-time wages are increasing due to an increase in hours and a potential wage increase. Overtime is decreasing \$2,000 relative to the fiscal year 2017-18 original budget as it is now used as comp time. Contracted legal services are increasing \$5,000 relative to the fiscal year 2017-18 original budget due to several complex development projects and related litigation. Office supplies, filing fees and miscellaneous expenditures will also increase slightly as a result of the continued litigation. Training is increasing \$250 as the attorneys would like to attend at least one continuing education event per year but have not been able to in recent years. Travel will increase \$150 due to attending additional training events and traveling to court for the development litigation.

The mission of the city's clerk's office is to successfully serve the public and city commission as prescribed by federal and state law and the city charter, in addition to providing high quality customer service to city departments.

Pursuant to the city charter, the city clerk is the clerk of the city commission and with the mayor, signs and attests all ordinances; and keeps a journal of record of the city commission's proceedings. In addition, the city clerk performs such other duties as are prescribed by the charter, the general laws of the state, or by the city commission.

Such duties include the posting of all meeting notices, records and transcribe minutes for official city commission meetings and workshops in accordance with the Open Meetings Act. The clerk's office prepares all agenda items for city commission meetings via paperless e-mail packets, scanned into document imaging and put onto the city's website. The office prepares minutes for the following meetings: city commission, charter review, civil service, fire civil service commission and rules committee. The clerk's office is the keeper of official city records, processes freedom of information requests and serves as a notary public for city business.

The clerk's office provides birth and death certificates, dog licenses, dog park passes, bike licenses, valet licenses, special event permits, parking station permits, solicitation/peddler permits, dream cruise permits, parking permits; processes SDD/SDM and class C liquor license renewals, liquor transfers and bistro licenses; publishes legal notices, issues proclamations, sends updates of all ordinances to general code for codification; processes applications from residents who want to serve on city boards and committees maintaining a list of qualified candidates.

A do not knock list was established in December of 2012 in which the city clerk's office now keeps track of.

Since 2014, the office has been utilizing the electronic death registry system through the State of Michigan in which death certificates may now be e-filed.

In 2016, we successfully had all city commission minutes scanned and are now word searchable on the city's website for anyone to be able to search and view.

GOALS

1. To be in compliance with all acts / laws related to the duties of the clerk's office.
2. To effectively administer the clerk office's license and permit process while providing excellent customer service to license and permit holders.
3. To provide excellent and efficient official record keeping by use of technology, while keeping records safe and accessible.

OBJECTIVES

- Implementation of Seamless docs for our online dog licensing this spring. Moving forward all forms that require payment will be available online.^{GOAL2}
- Stay active in statewide clerk's associations to have our concerns addressed and to be informed of new acts/laws being implemented.^{GOAL1}
- Utilizing document imaging for scanning all documents in office.^{GOAL3}

GOALS

OBJECTIVES

- Utilizing EDRS (Electronic Death Registry System) with the State of Michigan. This allows funeral homes to file death certificates electronically which reduces wait time when filing death certificates.^{GOAL3}

The mission of the human resources department (HR) is to provide our customers – management, employees, retirees, applicants and the general public – with efficient, effective and courteous human resources services within legal, professional and ethical parameters.

The department coordinates and administers the recruitment, screening, selection, and on-boarding of new employees, consistent with federal and state laws and local civil service ordinance. It manages the classification, promotion, transfer and evaluation of employees consistent with union contract provisions, civil service rules and city goals and objectives.

HR administers compensation and benefit plans for employees consistent with contract provisions and applicable laws, including leave benefits, tuition reimbursement, deferred compensation, and special pays. This includes 72 different health plans that provide health, dental, vision, life and supplemental insurance for all employees and retirees including monthly billings, liaison duties with providers, and processing of employee/retiree status changes, including Medicare A, B & D (dependents and beneficiaries, etc.). The office maintains applicant, employee and retiree records.

HR assists in negotiating, interpreting and administering nine (9) union contracts, resolving grievances and participating in Act 312 and grievance arbitration.

HR provides counseling and assistance to department heads and employees relevant to personnel issues and coordinates/facilitates training to meet department and city needs.

The department reports and/or monitors workers' compensation and unemployment compensation claims with third party administrators; ensures compliance with the Affordable Care Act, MIOSHA, accident/injury policies and procedures, and collective bargaining agreements; performs

liaison duties with workers' compensation clinics for employee injuries, new hire physicals and DOT drug testing program and requirements.

HR develops, distributes and monitors city policies such as sexual harassment, EEO, ADA, Family and Medical Leave Act, workplace violence, employee assistance, drug free workplace, nepotism, etc. The human resources department staffs the civil service board and fire civil service commission. It also provides representation to safety committees and the city-sponsored health and wellness center.

GOALS:

1. To promote lawful, nondiscriminatory, and ethical personnel actions and policy decisions.
2. To facilitate the culture of a qualified, productive and diverse workforce.
3. To provide equitable and cost-effective benefit packages for the city's workforce.
4. Operations – to perform all city operations as efficiently and effectively as possible. This includes, but is not limited to internal communications, technology, innovation and financial management.

OBJECTIVES:

- Review organizational structure and wage schedules.^{GOAL3}
- Provide more opportunities for employee training.^{GOAL2}
- Update aging employment policies.^{GOAL1}
- Improve onboarding process and retention strategies.^{GOAL2}
- Implement a Disney customer service refresher course for new employees.^{GOAL4}
- Develop succession plans to anticipate near term retirements, and over time, develop succession plans for all levels of staff, providing opportunities for employee development, including potential for job sharing as departures become imminent.^{GOAL4}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs will increase due to filling the full-time vacant position that was approved for fiscal year 2017-18 as well as the potential for employees (who are not at the top of their pay range) to receive wage increases. The previously listed recruitment coordinator position was relabeled as an additional human resources specialist position. Placing it under this pre-existing job classification will allow us to recruit for a more broadly skilled and technically proficient individual- and align the previously approved wage request within the city's existing wage structure. Recruitment (and retention) will continue to be an important aspect of the new position, per the commission's strategic planning objectives. Medical services were requested to increase \$13,000 relative to the fiscal year 2017-18 projection to \$38,000 as turnover was less than expected. However, the city manager's recommended budget and adopted budget are \$35,000. Contracted services includes \$20,000 for policy training, \$10,000 for FMLA administration and \$6,300 for miscellaneous small items in the event HR needs to produce communications regarding healthcare, the clinic, or other unexpected items. Civil service examinations will increase \$10,000 due to a new fire promotion system that will have higher upfront costs and overall turnover in civil service positions is expected to increase. Travel costs were requested to increase \$500 for employees to attend training events and to cover travel expenses of out of state job candidates. However, the city manager's recommended budget and adopted budget only include a \$100 increase to \$600.

The general administration cost center records charges that are general fund responsibilities but are not specifically assigned to any user due to their subjective nature.

Administrative charges for non-specific items are recorded here to monitor total cost. There are numerous general costs expensed in this cost center such as property and general liability insurance costs, information technology service charges, audit services, a

portion of bank services charges, tax correction/adjustments. In fiscal year 2016-17 the Royal Oak City Center consulting costs were expensed in this cost center. Beginning in fiscal year 2017-18, the principal and interest payments for the general fund's portion of the OPEB and pension bonds are expensed in this cost center.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Expenditures are decreasing mostly due to a one-time outlay related to the office development project.

The mission of the treasurer's office is to effectively and efficiently collect, secure, invest, and disburse all city monies; which includes tax billing, water billing, accounts receivables, special assessments, parking funds, and numerous miscellaneous receivables and disbursements.

All taxes, special assessments, and license fees, accruing to the city, are collected by the city treasurer. All money received by any officer or employees of the city for or in connection with the business of the city is paid to the city treasurer and deposited to one of the approved banking institutions. The treasury office collects and redistributes property taxes for all of the various taxing authorities within the city including: Oakland County, Oakland County Parks & Recreation, the Zoological Authority, the Public Transportation Authority, the Huron-Clinton Metropolitan Authority, Berkley, Clawson and Royal Oak Schools, Oakland Community College, Oakland Schools ISD.

In addition, the office handles all accounts receivable billing, water/sewer utility receipts, rehab loan accounting, parking permits, collection, balancing and accounting for city revenues collected by the cashier and the reconciliation and posting of all revenues collected at off-site locations.

The treasurer is responsible for cash management: investing and tracking investments of city funds, the strategic planning of investments to cover regular

monthly planned expenditures, such as accounts payable, payroll and retirement, as well as, cash flow planning for less-regular expenditures, such as large construction contract or semi-annual bond payments.

The office has continued to add value to the city's investment portfolio through diversification and has worked diligently to improve the yield of the investments while maintaining the safety of principal. This department consistently looks for ways to offer better services and a more effective use of funds through a greater use of bank products and services and improved technology.

Beginning December 2015, Royal Oak property owners have the option of paying tax bills and water bills online with a credit card, debit card or e-check from the city website through "Official Payments". In addition, the city is offering direct debit payments for water bills. These electronic payment programs have been tremendously popular, with over 6,600 residents, or 27 percent of our total customer base.

For improved customer service, treasury has worked to expand the acceptance of credit cards to other departments. For convenience, customers can now pay for various city services, permits and certificates at the building department, clerk's office, treasurer's office, DPS, the library, and parks and recreation.

GOALS

1. To develop and implement treasury related processes to improve efficiencies and reduce costs.
2. To manage the tax administration and receivables programs in compliance

OBJECTIVES

- Cross train cashier, accounting, and water staff to better serve customers.^{GOAL4}
- Increase staff efficiency through reviewing current procedures and practices, and making changes to

GOALS

- with all applicable laws and internal controls.
3. To administer the cash management program with the effect of increasing returns and decreasing cost.
 4. To train and educate employees to keep them up to date on all relevant laws.

OBJECTIVES

- streamline their processes and increase accuracy.^{GOAL1}
- Review tax and water bill formats with the goal of simplifying the text to improve clarity and readability for the customer.^{GOAL1}
 - Provide expanded opportunities for paying online, specifically for special assessments and miscellaneous invoices.^{GOAL1}
 - Reduce call volume by promoting and increasing online access use by realtors, mortgage companies, title companies, landlords, and tax preparers.^{GOAL1}
 - Develop a cash flow model to more efficiently determine cash needs and investment opportunities.^{GOAL3}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are decreasing relative to fiscal year 2017-18 due to lower management expenses and the net effect of adding a full-time municipal clerk I and eliminating all part-time hours. Printing costs are increasing \$3,500 to mail out tax bills to all residents instead of just non-mortgage residents. Postage and mailing costs are increasing \$5,000 relative to the fiscal year 2017-18 projection due to the increased number of tax bills. Training is increasing \$1,500 relative to the fiscal year 2017-18 projection as employees will be able to attend training events once the department is back to full staffing.

The city office building cost center records the operating, repair and maintenance charges for the city hall.

The city office building budget includes city hall building costs, under the city engineer for all departments.

Building costs primarily involve external vendors. The largest operating costs are utilities (electric, gas, water and telephone), postage, janitorial service and supplies. Repairs and maintenance costs include building trades (HVAC, plumbing, electrical, elevator).

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to all of the day porter’s time being allocated to this cost center as opposed to fiscal year 2017-18 which had some allocated to engineering. Cleaning supplies are increasing \$600 due to an expected increase in pricing and to add air fresheners to the bathrooms. Building repairs and maintenance are increasing \$500 due to electrical issues that need to be addressed. Heating and cooling repairs are decreasing \$4,000 relative to the fiscal year 2017-18 original budget as items that break frequently have been fixed and costly repairs will be carefully considered before doing them as a new city hall will be built soon. Motor pool fixed charges were requested to be \$7,000 but were reduced to \$6,000 in the city manager’s recommended budget and adopted budget.

The mission of the parks and forestry division is to build and maintain all city owned parks, playgrounds, athletic fields and open spaces and the public trees; maintaining the urban forest, so that they are a source of pride and enjoyment for residents and visitors alike.

The parks and forestry division of the department of public service are responsible for the 50 parks and playgrounds throughout the City of Royal Oak with a combined acreage exceeding 310 acres. This includes a dog park on the east side. The city's recreation division puts on all programs in the parks.

The division maintains baseball, volleyball, football and soccer venues; basketball and tennis courts; picnic areas; and walking trails, signs, lighting and parking.

Although the city's namesake, the original Royal Oak, no longer lives, the forestry section is responsible for over 23,000 trees. These include trees in the parks, central business district, parkways and easement

areas of roads, golf courses, cemetery and city owned open spaces (e.g. around the library).

Every fall, this crew and the highway division make two or more passes to remove fallen leaves from the city's streets; this service is paid for by the solid waste fund.

During the winter, they perform snow and ice maintenance. Winter maintenance on city roads is charged to the major or local road fund as is appropriate; to the DDA development fund for the central business district; and to the auto parking fund for parking lots and decks.

During the growing season, duties include removing dangerous or fallen branches and debris, cutting grass, controlling park weeds, and tending streetscapes and banners. Charges for these services are distributed to the proper funds as well.

GOALS

1. To maintain the city's park grounds in accordance with maintenance schedules.
2. To provide quality facilities for recreation programs and support the use by all citizens of Royal Oak.
3. Support the community youth athletic organizations.
4. Improve the urban forest.
5. To minimize the city liability in city parks.
6. Community – to preserve neighborhoods by encouraging community involvement and family activities.

OBJECTIVES

- Complete phase one of Normandy Oaks Park.^{GOAL6}
- Resurface tennis courts at Dickinson Park.^{GOAL2}
- Pave the parking lot at Mark Twain Park.^{GOAL1}
- Upgrade play equipment at Kenwood Park.^{GOAL2}
- Develop a soccer field at Upton Park.^{GOAL3}
- Continue to revamp city parks yearly and implement the five-year master plan.^{GOAL6}

Trees Planted	119	123	10	200	200	200

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The development of Normandy Oaks will be a primary objective during the coming year. Overtime is increasing \$23,000 relative to the fiscal year 2017-18 original budget due to field prep work and installing play structures which often is done on weekends/after hours. Uniform and gear is increasing \$1,050 relative to the fiscal year 2017-18 original budget due to recently adding new employees. Safety gear is decreasing \$3,250 due to the one-time purchase of tree climbing gear in fiscal year 2017-18. Tools and hardware was requested to decrease \$6,500 relative to fiscal year 2017-18 projections due to purchasing chainsaws in 2017-18. However, the city manager's recommended budget and adopted budget are only decreasing \$4,500 to \$7,000. Sand, gravel, and slag was requested to increase \$8,000 to renovate grass infields for the baseball diamonds, but is only increasing \$3,000 to \$25,000 in the city manager's recommended budget and adopted budget. Water is increasing \$15,000 relative to the fiscal year 2017-18 original budget as the irrigation of parks has increased.

The following capital improvement projects for parks and forestry for fiscal year 2018-19 are as follows (deviates from CIP):

- tennis court resurfacing Dickinson Park (deviates from CIP) \$17,000
- Mark Twain Park parking lot paving 75,000
- Worden Park lighting replacement (deviates from CIP) 325,000
- CAP1828 Kenwood Park play equipment upgrade 45,000
- Upton Park soccer field development 75,000

FY2018-19 Total: \$537,000

The building maintenance cost center records the DPS personnel and vehicle charges for city hall repair and maintenance.

See also the general fund's city hall building (265) cost center for other charges for city hall operations, repairs and maintenance.

The building maintenance budget is under the director of public services. Personnel costs are for full-time DPS workers.

GOALS

1. Provide quality building repairs in timely manner.
 2. Support other divisions as necessary during weather emergencies.
-

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Overtime was requested to increase \$3,000 relative to the fiscal year 2017-18 original budget due to an increased number of afterhours building repairs however it is increasing \$5,000 in the city manager's recommended budget and the adopted budget. Tools and miscellaneous operating supplies are both increasing \$1,000 relative to the fiscal year 2017-18 original budget due to the increase in repair work load and due to additional specialty tools have been needed to complete repairs.

The mission of the ordinance enforcement division of the building department is to enforce City of Royal Oak ordinances that address commercial and residential property maintenance, merchant licensing, and public health and safety issues; and to perform regular checks of all apartments, hotels, motels and houses offered for rent within the city.

The ordinance enforcement division inspects commercial and residential buildings for property maintenance violations. Inspectors

enforce local ordinances addressing problems such as blight, weeds, unlicensed/inoperable vehicles and other issues that may have a negative effect on property values. The ordinance enforcement division learns of these issues by responding to complaints in addition to proactively seeking violations.

The building department consists of two divisions: building inspection and ordinance enforcement.

GOALS

1. To protect the public safety, welfare and property values by enforcing regulations, nuisance abatements and other codes.
2. Apply a common sense approach to enforcement while maintaining the intent of city ordinances.
3. Respond to complaints within one business day.
4. Treat each resident and business owner with respect and understanding.
5. Enforce city ordinances in a fair and consistent manner.

OBJECTIVES

- Investigate options for a snow removal ordinance.^{GOAL1}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to the potential for newer employees (who are not at the top of their pay range) to receive wage increases. Training and education is increasing \$500 due to newer employees requiring more training. Motor pool charges are increasing due to a catch-up plan to collect depreciation that was not collected many years ago during an intentional depreciation (collection) vacation. This catch-up will help to provide the proper accumulation of funds that will be sufficient for the motor pool's future replacement.

The mission of the planning division of the community development department is to pro-actively oversee the physical and economic development of the city, in particular those areas under private ownership.

In fulfilling this mission, the planning division provides administrative support to the city commission and various advisory boards, most notably, the planning commission, zoning board of appeals, downtown development authority, Brownfield redevelopment authority, and the community development block grant program. The planning division also works closely with the business community and city residents, answering questions and addressing concerns in an effort to meet the needs of each within the context of the city's plans and ordinances.

The traditional role of the planning division, in the context of municipal government, involves foreseeing the various physical and economic development needs of a community and then providing for those needs through the preparation of various plans and ordinances, which may be considered for approval by elected and appointed officials.

In Royal Oak, this traditional role has been supplemented by the planning division's pro-active role and participation in the actual implementation of many physical and economic development plans or projects. This pro-active role has changed the nature of the division from a more passive one, concerned primarily with the preparation of plans, to one actively involved in every aspect of the city's physical and economic development.

A planning commission for the City of Royal Oak has been created and organized under the provisions of the Michigan Planning Enabling Act (PA No. 33 of 2008, as amended), and has the powers and duties therein specified. The planning commission

meets monthly and is responsible for adopting and updating the city's master plan, reviewing and recommending changes to the zoning ordinance (including the rezoning of property), granting special land use permits, reviewing appeals to the city's sign ordinance, and reviewing site plans for all development except one-family and two-family dwellings. Interested parties are advised that the planning commission requires submission of applications a minimum of six weeks prior to the meeting at which they are to be considered. This is to allow for the publication of public hearing notices required by state law and to provide ample time for staff to review applications and prepare written reports and recommendations for the planning commission.

All site plan applications are reviewed by a planner, as well as representatives from the building inspection, fire, engineering, and police departments. The petitioner is invited to make changes to the site plan based upon staff comments. Following any such changes, the site plan, along with written recommendations, are provided to the planning commission for formal review.

Special land use applications are reviewed by a planner and a written report is submitted to the planning commission describing the proposed use and how it may meet the requirements for granting a special land use permit in the city's zoning ordinance and state law. Applications for a special land use permit require a public hearing with notification published in a local newspaper and mailed to property owners within 300 feet of the site.

Applications for rezoning property are reviewed by a planner and a report is submitted to the planning commission describing the requested zoning district, how it may meet the requirements for a rezoning in the city's zoning ordinance and state law, and whether it is consistent with the future land use map of the city's master plan.

Proposed text amendments to the city's zoning ordinance are typically prepared by staff in response to changes in state law, generally accepted planning and zoning principles, or by the specific direction of the planning commission, city commission, or city attorney. For each proposed amendment, staff prepares draft language for review by the planning commission, whose recommendation is then forwarded to the city commission. Rezoning and text amendments require a public hearing and public notification as previously noted.

A zoning board of appeals has been created and organized under the Michigan Zoning Enabling Act (PA 110 of 2006, as amended) and is charged with hearing requests for variances and interpretations to specific zoning ordinance provisions. It meets monthly and all appeals require a public hearing and public notification as previously noted. Staff prepares a written report of findings on all appeals detailing the city's zoning ordinance standards for which variances are being sought and how the request may meet required standards for granting a variance in the zoning ordinance and state law. Considerable staff time is spent to ensure that all information is accurate and the appellant's intent is clear.

In addition to serving the above referenced duties, the planning division spends a great deal of time assisting both residents and businesses on questions regarding land use, zoning, and economic development. Many if not most of these inquiries and contacts do not result in items which appear on an agenda, but permit citizens and business owners to better understand city ordinances and policies.

The planning division also reviews plans submitted to the building inspection department for construction permits to ensure they comply with approved site plans. For major projects, this review can take as much time to complete as the original site plan review. If such building plans are found to comply with an approved site plan, then the division marks them as "approved" and returns them to the applicant or the building inspection department. If they are not, the petitioner is advised what is needed to bring the plans into compliance. No additional application or fee is required by the planning division to complete this type of review.

Other tasks or issues involve a great deal of planning division staff time, such as new and renewed sidewalk café applications, license agreements for occupying a right-of-way and a variety of other purposes, right-of-way vacations, land divisions, liquor license requests, downtown newspaper boxes and bicycle racks, staff traffic committee meetings, zoning compliance inquiries, processing and reviewing Brownfield redevelopment plans, etc.

The planning division also maintains the city's geographic information system (GIS) as well as community development updates for the city's website.

Other Related Areas

See the budgets for the downtown development authority (DDA) operating fund, DDA (TIF) development fund, the community block grant fund, the housing assistance program, the Brownfield redevelopment authority (BRA) fund, engineering, and ordinance/state construction code.

GOALS

1. Provide professional / technical reviews and assistance on all phases of planning and zoning responsibilities for businesses and residents.
2. Provide technical support and expertise to the planning commission and zoning board of appeals, as well as the city commission.
3. Develop and propose policies which facilitate consistency with the city's master plan, as well as compatibility and harmony between land uses in the city, mitigating any potential adverse effects.
4. Assist businesses and homeowners to the greatest extent possible with new business proposals or expansions, building or home additions, etc., by directing them to the proper review body or application procedure.
5. When necessary, provide recommendations on whether the proposed activity is consistent with the zoning ordinance, master plan, other city ordinances and policies, and state law, and what, if any, contingencies of approval should be adopted.
6. Work with the city attorney and others to prepare such needed amendments to the zoning ordinance, zoning map, and master plan, and report on them to the planning commission and other necessary advisory boards and commissions.
7. Assist petitioners with their applications to the greatest extent possible without actually preparing the information and documents they need to provide.

OBJECTIVES

- Finalize the ROCC design and bid out the project.^{GOAL8}
- Complete the staging plan and rollout to the community.^{GOAL8}
- Schedule a work session with members of the city commission and planning commission to reconsider the action to direct the revision of the master plan and zoning ordinance.^{GOAL9}
- Complete a community visioning plan with a high quality public engagement effort as the master plan planning process unfolds.^{GOAL9}

GOALS

OBJECTIVES

- 8. Infrastructure – to sustain, replace and enhance Royal Oak’s infrastructure to promote efficient delivery of beneficial services.
- 9. Community – to preserve neighborhoods by encouraging community involvement and family activities.

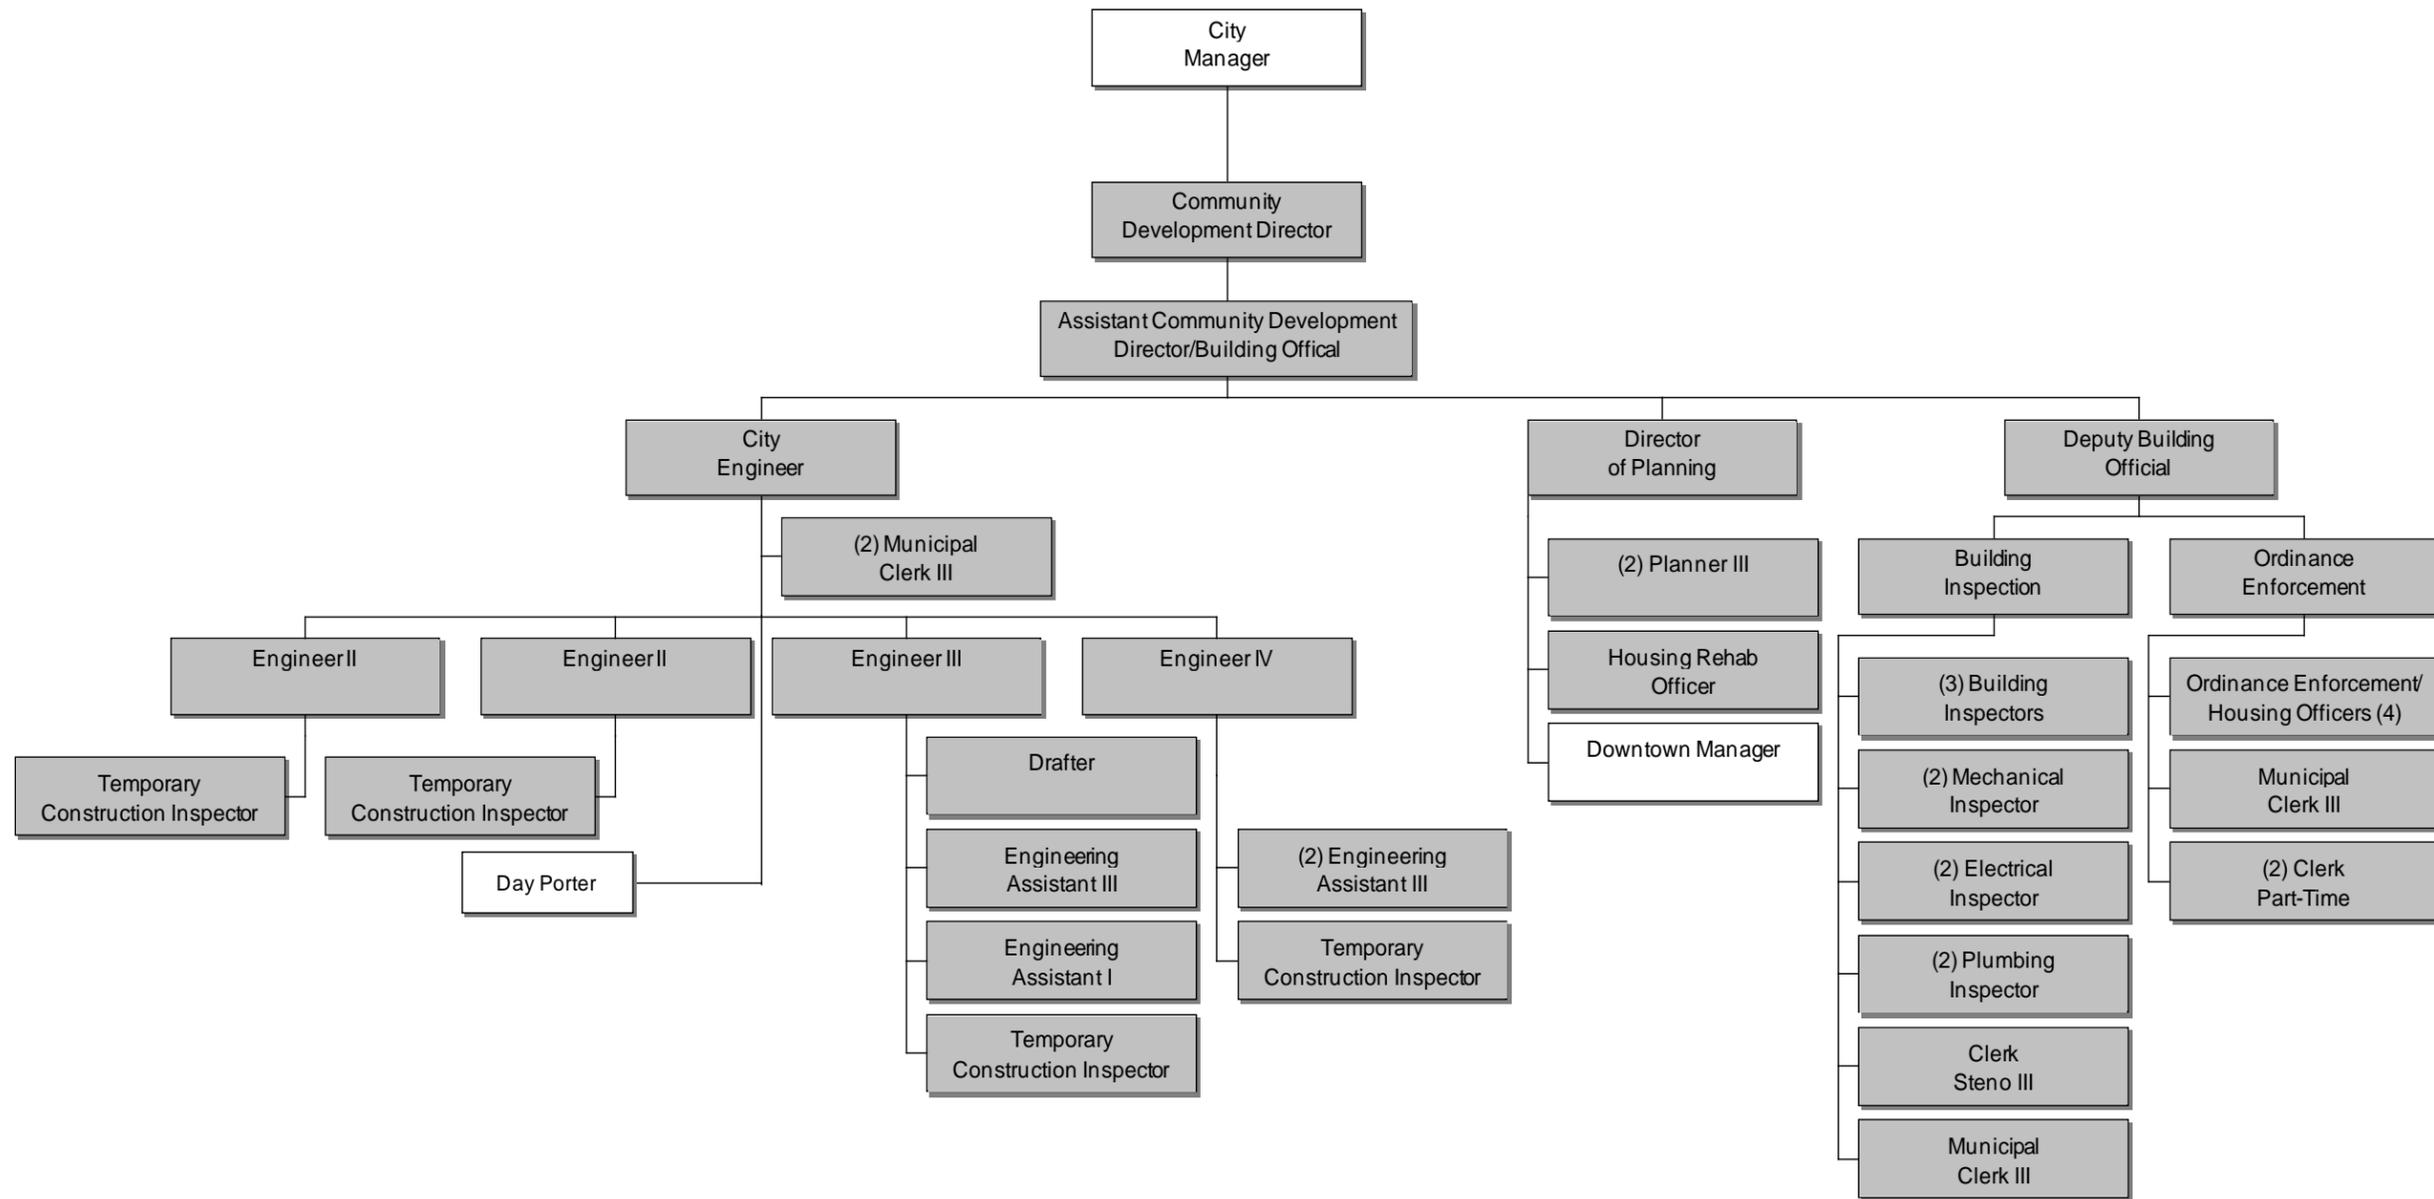

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to the request to add a full-time planner III and deleting the vacant community development liaison/planner II position created in fiscal year 2015-16 which was never filled. Contracted worker services includes \$200,000 for a master plan update. This is a \$50,000 increase to the original amount budgeted in fiscal year 2017-18 due to zoning ordinance re-writes being added to the scope of work.

Note: Planning division staff costs are allocated to numerous other funds outside the general fund

The mission of animal protection services is to capture dangerous, rabid and stray animals humanely and safely transport them to the animal shelter for safe keeping.

That officer captures dangerous or rabid animals for observation and/or treatment. They also pick up stray dogs and cats and transport them to the Royal Oak Animal Shelter for feeding and care (see fund 297).

Animal protection services are supervised by the police department in the general fund. The city contracts with our neighbor for the shared services of the City of Berkley animal control officer and truck.

The officer also picks dead animals from major streets with speeds over 35 mph. Residents and businesses are asked to pick up all other dead animals.

GOALS

1. To provide prompt animal control services as to keep the community safe from incidents.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Animal control services are expected to increase slightly from fiscal year 2017-18 due to an anticipated contract increase.

The mission of the electrical division of the department of public service is to provide effective electrical service to the city hall.

The electrical cost center is under the director of public services and records the electrician's personnel costs when servicing

the city hall, his certification and tool costs. His other personnel time, cost, and electric materials and supplies are charged directly to the requesting department when used elsewhere.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Overtime is increasing \$1,500 relative to the fiscal year 2017-18 original budget due to an increased amount of calls for electrical repairs. Electrical and lighting supplies will increase \$4,000 relative to the fiscal year 2017-18 projection as this account is cyclical and based on need and less supplies were purchased than anticipated in fiscal year 2017-18.

The mission of the engineering division is to develop and implement master plans and programs and to service and inspect public improvement in the city.

The Royal Oak engineering division is committed to providing sound, efficient and proactive engineering practices and techniques to maintain and improve the city's transportation, water and sewer and building assets. Working closely with Royal Oak's other departments; the engineering staff strives to partner the needs of the various departments with those of our residents and property owners for overall commitment to a high quality of life that can be attributed to our community's infrastructure.

The division's fiscal year 2018-19 budget targets the management of available resources to meet departmental goals and responsibilities. Current budget resources are comprised primarily of dedicated non-general funding sources and fees. The engineers, engineering assistants, draftspersons and clerical staff recognize their responsibility to the community they serve. The division employees are dedicated to efficiently managing community development requirements by assisting developers, contractors, residents and other city personnel, which results in timely and accurate resolutions of construction and development requirements. The Royal Oak

engineering division reaffirms its commitment and looks forward to serving the Royal Oak community.

The engineering cost center in the general fund covers the costs of communicating with the public and city staff, training and administration, and performing community development duties. The engineering division contributes fees from permits and plan reviews to the general fund to cover this cost center. The engineering staff charges the majority of their time to numerous budgets. Those charges can be direct or through capital projects, mostly affecting other funds such as the major street, local street, and the water and sewer funds.

For city infrastructure projects, engineering provides or contracts for the evaluation, planning and design skills to handle our many systems. Those systems include alleys, streets and parkways, on and off-street parking including lots and decks, streetscapes, sidewalks, bike paths, traffic signs and signals, city buildings and parks, water and sewer mains and connections.

The engineering division also oversees the traffic committee which actively reviews traffic safety, pedestrian safety, parking issues and recommends and implements approved actions.

GOALS

1. Effectively and efficiently review plans for consideration of public and private improvements and supervise construction.
2. Provide useful information to developers, builders, consulting engineers and residents regarding city utilities by maintaining and updating the city website for engineering involvement in community development.
3. Perform all city operations as efficiently and effectively as possible.
4. Infrastructure – to sustain, replace and enhance Royal Oak’s infrastructure to promote efficient delivery of beneficial services.
5. Community – to preserve neighborhoods by encouraging community involvement and activities.
6. Public safety – to protect all persons and property in Royal Oak by providing the highest quality public services possible in the most efficient manner.

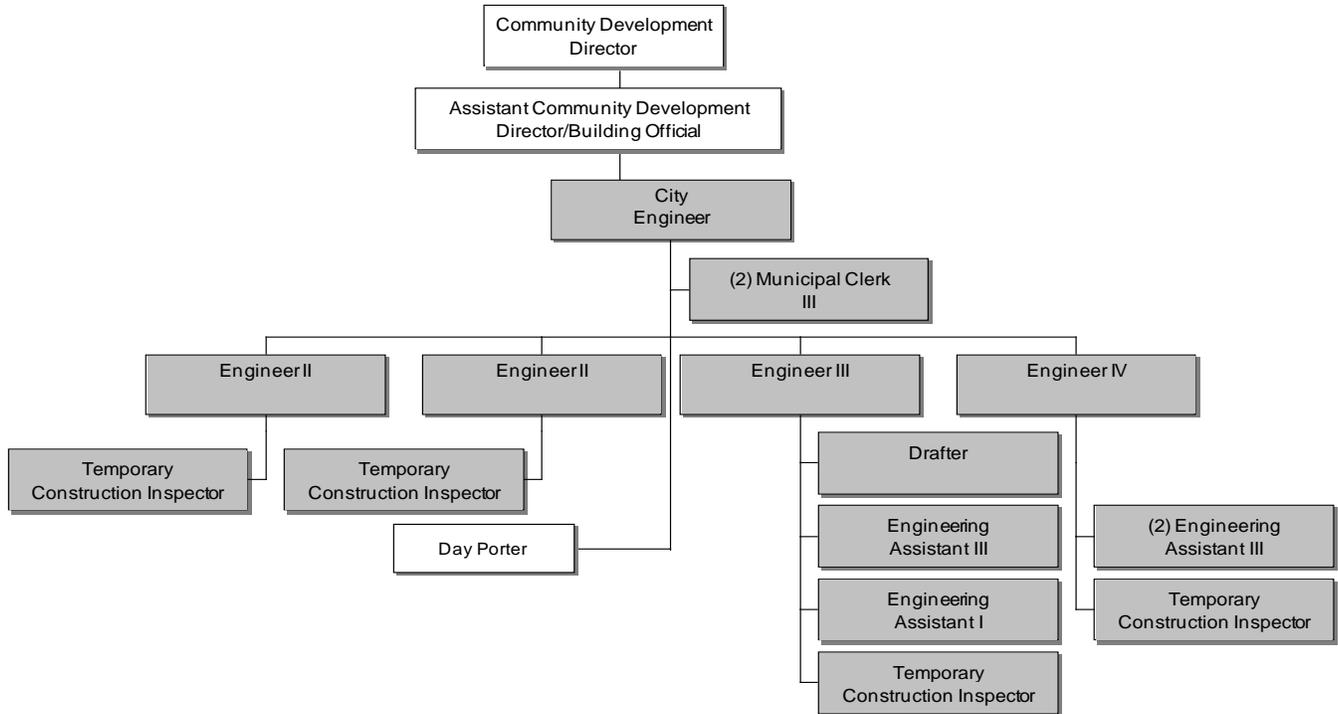

OBJECTIVES

- Provide information on the street/sidewalk improvement plans to the public.^{GOAL4}
- Seek Oakland County Water Resources Commission commitment to require 12 local government units in the George Kuhn drainage area to reduce drainage flows to downstream communities.^{GOAL4}
- Develop a city-wide environmental sustainability plan to link together the range of infrastructure plans and projects that are unfolding.^{GOAL4}
- Review and update service fees every two years to insure costs (i.e. staff time, enforcement, overhead, supplies, etc.) are covered.^{GOAL5}
- Implement a north-south bike route.^{GOAL6}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing relative to the fiscal year 2017-18 original budget as engineering staff is charging more time to general engineering due to an increase in the amount of permit, right of way, and plan review work. \$75,000 is being carried over from fiscal year 2017-18 for an environmental sustainability plan.

The mission of the street lighting cost center of the department of public service is to provide street lighting that is safe, effective and economical and that attracts residents, business and visitors to the City of Royal Oak.

The city pays Detroit Edison electrical charges for our street lighting. The DDA pays for street lighting electricity in the downtown; this budget pays for the balance. Electricity normally makes up over 95% of operating costs in this budget.

Detroit Edison owns certain street light poles and fixtures throughout Royal Oak; the city owns the majority. At this time, nothing is scheduled to replace the city's portion of the system.

When individual light poles and fixtures are damaged and destroyed, repair or replacement costs are charged to this cost center.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Overtime is increasing \$2,000 relative to the fiscal year 2017-18 original budget due to an increased number of calls for street light repairs. Miscellaneous contracted services are increasing \$6,000 relative to the fiscal year 2017-18 original budget as outside contractors are now being used for larger projects.

The chief role of the office of economic development is to position Royal Oak as a destination for new business opportunities, while providing strategic guidance and resources to existing businesses to facilitate growth and expansion.

This department seeks to remain independent of regulatory processes and is focused on business growth, retention and recruitment. It works in concert with community development to shepherd new business proposals and expansions while coordinating with the city attorney to draft and review all contracts and development agreements related to the same. This office cultivates and maintains proactive relationships with private and non-profit business development partners, academic institutions, and regional economic development entities.

As Royal Oak undergoes a transformation of its downtown, fueled, in part, by a substantial

increase in its office base, this department remains involved in supporting the current proposed developments underway while marketing new business opportunities on both public and privately-held sites with the national business and development communities. Continuing the city's relationships with organizations focused upon business and real estate development is critical to providing access to these networks.

The city's investment in economic development has reinforced to the business, real estate and retail communities Royal Oak's commitment to attracting new business opportunities and fostering programs and initiatives designed to encourage growth for those who already call this city their home.

This office serves as the lead point of contact on special Royal Oak development projects, including the Royal Oak Civic Center project.

GOALS

1. Encourage and support diverse investment to maximize property values and facilitate employment opportunities.
2. Represent Royal Oak as a vibrant business destination locally and nationally.
3. Assist businesses with new proposals or expansions by guiding them through the entitlement process.
4. When necessary, provide recommendations to the city commission and other bodies on matters of economic development policy designed to facilitate new or maintain current investments within Royal Oak.

OBJECTIVES

- Pursue the development of additional class A office space in downtown Royal Oak.^{GOAL1}
- Pursue the development of new retail establishments throughout the city.^{GOAL1}
- Increase focus on commercial development of 11 Mile Rd. and Fourth St.^{GOAL1}
- Finalize the ROCC design and bid out the project.^{GOAL9}
- Complete the staging plan and rollout to the community.^{GOAL9}
- Identify a team to provide information to the public about the ongoing project, and

5. Serve as Royal Oak's primary representative to the economic development departments of the State of Michigan, Oakland County, local municipalities, etc.
 6. Maintain a list of resources available at all levels for businesses to grow and expand.
 7. Promote Royal Oak by hosting multiple economic development events throughout the year and/or sponsoring such events.
 8. Maintain contact with business community through retention visits.
 9. Infrastructure – to sustain, replace and enhance Royal Oak's infrastructure to promote efficient delivery of beneficial services.
 10. Communication – to proactively promote meaningful, open dialogue that ensures effective decision making.
 11. Economic / tax base – encourage and support diverse investment to maximize property values and facilitate employment opportunities and desirable housing.
- consider hiring a public relations firm to help with the task.^{GOAL10}
 - Prepare and disseminate a FAQ on the website regarding the ROCC including the tasks, the staging plan, the timetable and any other information of value to the community, keeping it updated as changes need to be made.^{GOAL10}
 - Prepare an overall communication plan to tie all the tasks being undertaken together and make sure that it is communicated to all employees as well as with the public.^{GOAL10}
 - Enable housing developments that meet gaps identified in the target market analysis.^{GOAL11}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to assumed wage step increases. Dues and memberships are increasing \$6,000 for a subscription to Local Intel which will provide data analytics services. Travel costs are increasing \$4,000 relative to the fiscal year 2017-18 projection to allow the economic development coordinator to attend national conferences with business attraction, development and investment opportunities, in addition to any MEDC and/or Oakland County business attraction events that target new investments in our state and county.

The role of the community engagement division is to proactively promote meaningful, open and respectful dialogue that ensures effective decision making and also fosters the city's image as a safe and vibrant place to live, work and play.

The guiding principles of community engagement are to be clear and direct, proactive, transparent and to recognize that communication is two-way. When the city engages and receives feedback from its

residents it builds trust and credibility.

The city recognizes the need to have a variety of tools to present clear and helpful information to Royal Oak residents and visitors. As such, the community engagement division manages multiple communication assets to increase citizen awareness, including website content, city-wide email blasts, social media, public relations, direct mail, Insight magazine and more.

GOALS

1. Generate enhanced awareness of our community's priorities and the actions of the city commission.
2. Increase engagement by proactively promoting meaningful, open and respectful dialogue that ensures effective decision making and increases awareness of beneficial services, goals and programs.
3. Reach the broadest audience by protecting, fostering and growing key community relationships and partnerships and increasing engagement with all residents and businesses to generate high levels of interest and participation for city programs and events.
4. Establish transparency by providing transparency via the city's website, social media and public forums to make information regarding city policies user-friendly and available to all.
5. Reinforce credibility by exploring, obtaining and coordinating information via internal and external surveys in an effort to obtain resident/business feedback and promote that feedback on a continuous basis to reinforce credibility.

OBJECTIVES

- Complete the staging plan and rollout to the community.^{GOAL6}
- Establish deadlines and a timetable for staff as the program unfolds, and make that public as well.^{GOAL6}
- Provide information on the street/sidewalk improvement plans to the public.^{GOAL6}
- Prepare an overall communication plan to tie all the tasks being undertaken together and make sure that it is communicated to all employees as well as with the public.^{GOAL7}
- Identify a team to provide information to the public about the ongoing project, and consider hiring a public relations firm to help with task.^{GOAL7}
- Prepare and disseminate a FAQ on the website regarding the ROCC including the tasks, the staging plan, the timetable and any other information of value to the community, keeping it updated as changes need to be made.^{GOAL7}
- Provide information to the public on the conditions of the existing buildings/facilities so they understand the rationale for the ROCC.^{GOAL7}

6. Infrastructure – to sustain, replace and enhance Royal Oak’s infrastructure to promote efficient delivery of beneficial services.
 7. Communication – to proactively promote meaningful, open and respectful dialogue that ensures effective decision making.
- Enhance the city app to provide additional opportunities for both information outflow as well as inflow; communicate across multiple platforms to the extent feasible; utilize neighborhood associations where appropriate to inform residents and solicit input.^{GOAL7}
 - Ensure simplicity and clarity of all communications from the city, ensure that the community engagement specialist is in a position to understand and explain policies to the public.^{GOAL7}
 - Increase promotion of the city website, get the URL out in the public and on social media.^{GOAL7}
 - Create special URL’s for special projects to simplify public access.^{GOAL7}
 - Explore establishing a citizen’s academy program along the lines of the citizens police academy to help individuals understand how the city does its business.^{GOAL7}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to the potential for newer employees (who are not at the top of their pay range) to receive wage increases. \$13,850 is budgeted for a community satisfaction survey.

The mission of the cable communications department is to provide the residents of Royal Oak a clear view of the city's commission, main committees and departments, to enhance transparency and to increase residents' understanding of their government's processes, goals, objectives and accomplishments.

WROK is the City of Royal Oak's government access channel. WROK is available to subscribers of W.O.W. on channel 10 and Comcast on channel 17. AT&T subscribers can access the real time live stream of WROK programming that is available on the city website. By law, cable TV providers must provide public, government and educational access channels on their systems. To support this, each company pays a franchise fee to the city.

Residents can watch live coverage of the city commission, planning commission, ZBA, DDA and Brownfield redevelopment authority meetings as well as youth sports and summer concerts. In addition to the many live programs that WROK produces throughout the year, they also provide taped coverage of the many special events and meetings that dot the Royal Oak calendar.

WROK programming can be seen 7 days a week. Programming runs 10:00 a.m. – 2:00 p.m., 4:00 p.m. – 8:00 p.m. and meetings are re-run at midnight. For the night owls, WROK also offers expanded playback on weekends starting at midnight. The programming runs on an automated MP-3 video server. We do not anticipate being able to offer high definition cable casts at any time in the near future.

In between program hours, residents can view a computer-generated bulletin board. It features our program schedule and provides information regarding a wide variety of city news and events. It is updated daily.

WROK supports internet web casting of city meetings and other programming.

The video needs of many city departments are supplied regularly by WROK, with special projects on request. The city clerk's office and the community development department rely on copies of each meeting that WROK produces for their record keeping. WROK also provides video support for Royal Oak's many safe community projects.

WROK and the City of Royal Oak do not regulate the cable companies that serve Royal Oak. That job is handled by the Michigan Public Service Commission in Lansing. You may contact the MPSC at www.michigan.gov/mpsc.

To pay for WROK activities, the City of Royal Oak receives a franchise fee from the cable companies.

WROK, working under the information technology department, has a contract staff of one full-time cable coordinator and part-time production assistants. WROK also relies heavily on a crew of volunteers to fill assorted positions during productions. The staff of WROK are employees of cable access management, not employees of the City of Royal Oak. CAMCO pays all employee related expenses out of the contractual management fee in the cable TV budget.

GOALS

1. Communication: provide 30 hours of programming weekly, showing key board and committee meetings and special events at three time slots: 7:00

OBJECTIVES

GOALS

OBJECTIVES

- a.m. – 2:00 p.m.; 4:00 p.m. – 8:00 p.m.; and midnight to 2:00 a.m.
- 2. Community: use electronic media to inform the community of city services and promote community dialog.
- 3. Community: promote recreational and cultural activities for all ages.
- 4. Infrastructure: to sustain, replace and enhance Royal Oak’s infrastructure to promote efficient delivery of beneficial services.
- 5. Public safety: to protect all persons and property in Royal Oak by providing the highest quality public services possible in the most efficient manner.

Significant Revenue, Expenditure, Staff & Program Notes -Fiscal Years 2018-19:

Miscellaneous operating supplies will increase \$6,000 to purchase new network attached storage for video files. Motor pool charges are increasing due to a catch-up plan to collect depreciation that was not collected many years ago during an intentional depreciation (collection) vacation. This catch-up will help to provide the proper accumulation of funds that will be sufficient for the motor pool’s future replacement.

The following capital improvement projects for FY2018-19 are as follows (deviates from CIP):

Repairs to the undercarriage of cable truck (PEG funds)	\$50,000
FY2018-19 Total:	\$50,000

The mission of the community promotion cost center is to provide support to non-governmental organizations focused on serving our residents whose missions further the goals and objectives of the City of Royal Oak.

As an example, the city commission assisted various not-for-profit groups (which benefit the city) who serve disadvantaged persons in the city.

There is a very small amount of personnel costs allocated here in addition to some overtime. This cost center also records payment to eligible organizations.

City contributions are on a year-to-year, case-to-case basis, depending on availability of funds.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Royal Oak Youth Services continues to be budgeted at \$20,000 as in prior years. Starr house costs are increasing slightly due to interior building improvements. \$25,000 is budgeted for building wayfinding improvements and \$10,000 for city building breakroom improvements. \$15,000 for employee event programming, \$5,000 for employee recognition programs, and \$2,500 for recycling receptacles for city facilities and events were included in the city manager's budget but were moved to other funds in the adopted budget. Fire station museum expenses are decreasing relative to the fiscal year 2017-18 original budget due to the roof not being replaced as bids came in much higher than expected. A consultant will look at the roof and it may be included in the budget in the future.

The mission for the Woodward Dream Cruise is to provide a safe family event for the thousands of visitors and residents of Royal Oak and to advertise the City of Royal Oak and attract people from around North America to it as a place to live and do business.

The Woodward Dream Cruise (WDC) is a “one-day” classic car event held annually on the third Saturday of August. The WDC event spans down Woodward Ave. from Pontiac through Royal Oak in Oakland County, Michigan, all the way to Eight Mile Rd.

The Woodward Dream Cruise is the world’s largest one-day automotive event, drawing up to 1.5 million people and 40,000 classic cars each year from around the globe. The Woodward Dream Cruise also welcomes vehicles of all models whose owners have either scrupulously maintained or customized their car to create a unique vehicle or statement.

The WDC was inaugurated in 1995. It is now the largest single day classic car event in the world, and brings in over \$56 million annually for the Metro Detroit economy.

Each year, the celebration starts early in the week with these classic vehicles brought out onto the streets in preparation, and ancillary events are scheduled in the sponsoring communities of Ferndale, Pleasant Ridge, Royal Oak, Huntington Woods, Berkley, Bloomfield Township, Bloomfield Hills, and Pontiac.

An interdisciplinary committee of the eight communities meets, at least monthly, to coordinate the event. This involves representatives of police, fire, public service, communications and recreation departments at a minimum.

Traffic and crowd control require regular and overtime services for up to seven days of Dream Cruise week. Woodward Ave., a state highway, is closed all day Saturday for 18 miles.

This budget records the city’s additional expenses for overtime, auxiliary staff, volunteers, events and other cruise specific costs. Advertising revenue from sponsoring organizations offsets part of that cost.

GOALS

1. To provide a safe event.
2. To maintain facilities after the event.
3. Utilize resources to raise funds to support the event.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Overtime is increasing \$6,000 relative to the fiscal year 2017-18 projection to provide a small contingency for this fund as it is unknown how much overtime will be needed for the event each year.

The purpose of the transfers out cost center is to provide a means of tracking the transfer of monies from the general fund to other city funds.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

\$19 million is budgeted to be transferred to the public safety fund. \$350,000 is budgeted to be transferred to the senior citizen services fund in accordance with the public safety millage plan. \$459,000 is budgeted to be transferred to the court debt fund. \$15,000 is budgeted to be transferred to ROOTS for the commission for the arts in the city manager’s recommended budget. This was increased to \$20,000 in the adopted budget to include \$5,000 for an artists and residents program. \$2,227,000 is budgeted for the estimated ROCC project debt service payment. \$3,998,170 is budgeted to be transferred to a capital project fund as this is the balance of the cash contribution for the ROCC project.

Special Revenue Funds

Special revenue funds are funds that are used to record transactions in which a funding source is legally restricted for specific expenditures.

Major Streets Fund – 202	State Construction Code Fund – 282
Local Streets Fund – 203	ROOTS Fund – 295
Public Safety Fund – 207	Senior Citizen Services Fund – 296
Publicity Tax Fund – 211	Animal Shelter Fund – 297
Solid Waste Fund – 226	Police Grants – 298
Library Millage Fund – 271	Miscellaneous Grants – 299
Community Development Block Grant Fund – 274	

Special Revenue Funds– Component Units

Brownfield Redevelopment Authority – 243	DDA Development Fund – 247
	DDA Operation Fund – 248

Major Street Fund – Routine Maintenance

The highway division of the department of public service (DPS) is responsible for routine maintenance of the city's 64.9 miles of the major street system. Routine maintenance includes joint/crack repairs,

concrete slab replacement, curb replacement, asphalt overlays/repairs, street sweeping, catch basin repair, and storm sewer/catch basin cleaning.

GOALS

1. To provide a safe and adequate major road system, preserving the quality of life in the city; which enhances the attraction and retention of residents and businesses.
 2. To provide proactive planning and programming of maintenance activities to maximize the use of available resources dedicated for road maintenance activities.
 3. Maintain a long term major road improvement program that maximizes funds to extend and enhance the life of the city's major road system.
-

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Asphalt supplies cost is increasing \$2,000 relative to the fiscal year 2017-18 original budget due to increasing asphalt prices and an increase in work load. Construction engineering services are requested to increase to \$100,000 for asphalt skin patch work. Consulting engineering services are increasing \$20,000 for potential traffic signal design services.

Major Streets Fund – Parkway Maintenance

The parks & forestry division of the department of public service (DPS) maintains parkways in the city's major street system.

Parkways or boulevards are the grassy areas between opposing lanes of roads. DPS crews weed, mow the grass, and trim trees and bushes.

GOALS

1. To facilitate the growth of hardy trees and vegetation that will enhance the major road system while providing schemes and maintenance programs that enhance traffic safety, especially lines of sight.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing slightly relative to the fiscal year 2017-18 original budget due to an increased work load for median and right of way maintenance. Contracted services are increasing \$3,000 relative to the fiscal year 2017-18 original budget to include rain garden maintenance.

The highway division of the department of public service (DPS) is responsible for winter

maintenance, such as snow and ice control, of the city's 64.4 mile major street system.

GOALS

1. To provide safe and passable major road system by performing prompt and efficient snow removal and ice control.
2. To clear major roads within 24 hours of a major snow event.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs and motor pool charges are decreasing relative to the fiscal year 2017-18 projection due to significant amount of winter maintenance in fiscal year 2017-18 and not anticipated in fiscal year 2018-19.

**Budget Summary
Expenditures**

The department of public service (DPS) is responsible for implementing and maintaining traffic control for the city's major street system. This cost center focuses on traffic signage, pavement markings and traffic risk management. See also street signal services.

The city uses a two-stage traffic control committee to review traffic control issues and make recommendations for changes. Representatives from DPS, police, fire, planning, and engineering departments meet monthly to discuss traffic control issues. A

volunteer resident's committee reviews the staff recommendations and makes recommendations to the city commission.

Traffic control signage means street, stop, parking, turn/no-turn, speed, school zone, pedestrian walk signs, etc. The DPS's sign shop provides replacement signs promptly and reduces the cost of carrying an extensive sign inventory.

Additional services performed include pavement markings, intersection and pedestrian markings, guard rails, and bridge inspections.

GOALS

1. To promote effective traffic control in order to provide safety on the city's major roads.

OBJECTIVES

- Move pavement marking over to a spring schedule.^{GOAL1}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to an increased work load for sign work. Sign materials are increasing \$2,000 due to a Campbell Rd. project that will require replacing the traffic signs. Pavement paint materials will increase \$10,000 to purchase a replacement paint machine. Contracted services are increasing \$60,000 in attempt to move pavement marking painting to a spring schedule which will result in painting being done twice in fiscal year 2018-19. However, future years will only have painting occur in the spring.

The department of public service (DPS) is responsible for implementing and maintaining traffic control for the city's major street system. This cost center focuses on signal services.

The major street system owns 78 signals, each with its own controller and wiring plus possible pedestrian crossing signals. A DPS electrician handles signal maintenance.

This cost center pays the city's share of maintenance cost for signals on state and county roads.

The city uses a two-stage traffic control committee to review traffic control issues and make recommendations for changes. Representatives from DPS, police, fire, planning, and engineering departments meet monthly. A volunteer citizen's committee reviews the staff recommendations and makes recommendations to the city commission.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Overtime is increasing \$3,000 relative to the fiscal year 2017-18 original budget due to an increase in work load for traffic signal repairs. Traffic signal repairs are increasing \$10,000 relative to the fiscal year 2017-18 projection as costs vary greatly depending on how often signals are damaged in accidents.

The mission of the major street fund is to maintain the major streets system and rights-of-way in a manner to ensure safe vehicle and pedestrian traffic as well as to present an attractive roadside environment in accordance with Michigan Act 51 of Public Acts of 1951 as amended.

The City of Royal Oak owns over 64 miles of major streets. These are the main arteries that move residents to and from local or neighborhood streets to larger, faster roads that are maintained by Oakland County or the State of Michigan. (See street map)

The city engineer, as the street administrator, is responsible for evaluating, planning, designing and constructing the road system and its traffic safety. This includes original construction, major replacement or resurfacing, traffic signs and signals.

The engineer coordinates regularly with the Oakland County Road Commission, surrounding communities and the State Department of Transportation regarding the roads in the city for which the city is

responsible. It also means meeting with subdivision and homeowner groups or associations, and other concerned citizens as situations warrant.

The department of public service maintains the system of roadways. Their responsibilities include patching roads, maintaining parkways, rights-of way, signs and signals, and controlling snow and ice.

* * * * *

The major street fund / administration cost center accounts for the cost of the overall planning, administration and oversight of all activities that affect traffic conditions on the city's major street network.

Audit and debt expenditures are included. This cost center also accounts for any city commission authorized transfer-out to support the local street fund, as allowed by Act 51. At this time, a transfer-out to the local street fund is not budgeted as 100 percent of the road millage is receipted into the local street fund.

GOALS

1. Coordinate all aspects of major street construction, maintenance and permitting practices.
2. Construct and rehabilitate failing segments of the city's major street system by implementing safety improvements as presented in the annual capital improvement plan (CIP) while balancing the sometimes-conflicting interests of safety, mobility and environmental impacts.
3. Maintain an active role in regional public transportation initiatives.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Using the State of Michigan’s distribution formula projections based on the new road funding law, revenues from the gasoline/vehicle registration (Act 51) tax are budgeted at \$4.529 million an increase of approximately \$300,000. Fiscal year 2018-19 budgets for \$1,080,230 use of fund balance. The forecast for this fund is stable however it is estimated that a transfer to the local street fund may be necessary in future years. All of the millage revenue is used by the local street fund.

Budget Summary

The mission of the major street construction cost center is to track and fund major street projects.

GOALS

OBJECTIVES

1. Maintain a long term major road improvement program that maximizes funds to extend and enhance the life of the city's major road system.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The following capital projects for this fund for fiscal year 2018-19 are as follows:

- | | |
|---|-----------|
| • CAP1101 surveying services | \$5,000 |
| • CAP1401 traffic signal upgrade project | 200,000 |
| • CAP1806 Campbell Rd. resurfacing | 1,058,000 |
| • CAP1808 North Main St. resurfacing | 57,000 |
| • CAP1822 North-South bicycle route | 750,000 |
| • CAP1908 14 Mile Rd. resurfacing | 348,000 |
| • CAP1999 I-75 widening | 20,000 |
| • CAP1925 joint sealing | 130,000 |
| • CAP2007 Gardenia Ave. reconstruction and resurfacing* | 1,215,000 |
| • CMAQ grant projects administration | 200,000 |
| *timing deviates from CIP | |

The highway division of the department of public service (DPS) is responsible for daily routine maintenance of the city's 148-mile local street system.

are implemented through CIP's managed by the engineering department, street sweeping and storm sewer/catch basin cleaning. Dust control is applied when paid by residents and is performed by the highway division.

Routine maintenance includes joint and crack sealing, concrete slab replacement, some limited asphalt overlays/repairs that

GOALS

1. To provide a safe and adequate local/neighborhood system, preserving the quality of life in the city; which enhances the attraction and retention of residents and businesses.
2. To provide proactive planning and programming of maintenance activities to maximize the use of available resources dedicated for local/neighborhood maintenance activities.
3. To maintain a long term local street improvement program that maximizes funding to extend and enhance the life of the city's local street system.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Consulting engineering services are increasing \$10,000 for a potential traffic study on a local street. Contracted services include \$20,000 for tree removal services. Motor pool charges are increasing based on estimated usage and rates.

This division of the department of public service (DPS) maintains parkways in the city's local street system. Parkway or boulevards are the grassy areas between opposing lanes of roads.

DPS crews weed, mow the grass, and trim trees and bushes.

GOALS

OBJECTIVES

1. To facilitate the growth of hardy trees and vegetation that will enhance the neighborhood while providing schemes and maintenance programs that enhance traffic safety, especially lines of sight.

Performance Indicators / Outcome Measures

GOAL ¹ Street tree work requests	1,396	981	408	1,400	1,400	1,400

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Overtime is increasing \$10,000 relative to the fiscal year 2017-18 original budget due to an increased workload for median and right of way maintenance. The 2018-19 budget includes \$20,000 for the right-of-way tree replacement program piloted last year and \$20,000 for rain garden maintenance. Motor pool charges are increasing based on estimated usage and rates.

The highway division of the department of public service (DPS) is responsible for winter

maintenance, such as snow and ice control, of the city's 148 mile local street system.

GOALS

1. To provide safe and passable local road system by performing prompt and efficient snow removal and ice control.
2. To continue to introduce de-icing as a cost saving measure.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:
 Overtime, salt, and motor pool costs are decreasing due to significant amount of winter maintenance in fiscal year 2017-18.

The department of public service (DPS) is responsible for implementing and maintaining traffic control for the city's local street system. This cost center focuses on traffic signage, pavement markings and traffic risk management.

The city uses a two-stage traffic control committee to review traffic control issues and make recommendations for changes. Representatives from DPS, police, fire, planning, and engineering departments meet monthly.

A volunteer citizen's committee reviews the staff recommendations and makes recommendations to the city commission.

Traffic control signage means street, stop, parking, turn/no-turn, speed, school zone, pedestrian walk signs, etc. DPS's own sign shop provides replacement signs promptly and reduces the cost of carrying an extensive sign inventory. Additional services performed include pavement markings, intersection and pedestrian markings.

GOALS

1. To promote effective traffic control in order to provide safety on the city's local streets.
2. To maintain all street pavement markings.
3. To replace all down signs within 24 hours of notification.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Sign materials will increase \$2,000 due to increases in unit pricing. Motor pool charges are increasing due to a catch-up plan to collect depreciation that was not collected many years ago during an intentional depreciation (collection) vacation. This catch-up will help to provide the proper accumulation of funds that will be sufficient for the motor pool's future replacement.

The mission of the local street fund is to maintain the local streets system and rights-of-way in a manner to ensure safe vehicle and pedestrian traffic as well as to present an attractive roadside environment in accordance with Michigan Act 51 of Public Acts of 1951 as amended.

The City of Royal Oak owns over 148 miles of local streets. These are the neighborhood roads that move residents to and from their residences to major streets or other larger, faster roads that are maintained by Oakland County or the State of Michigan.

The city engineer, as the street administrator, is responsible for evaluating, planning, designing and constructing the road system and its traffic safety. This includes original construction, major replacement or resurfacing, and traffic signs.

The engineer meets with neighborhood groups wishing to upgrade their streets to inform them and guide them in obtaining special assessment funding.

The department of public service maintains the system of roadways. Their responsibilities include patching roads, maintaining parkways, rights-of way, signs, and controlling snow and ice on the roads.

* * * * *

The local street fund / administration cost center accounts for the cost of the overall planning, administration and oversight of all activities that affect traffic conditions on the city's local street network. Audit expenditures are included.

GOALS

1. To effectively plan and coordinate the construction, maintenance and permitting for the city's local street system in a manner that maximizes the use of resources.
 2. Maintain an active role in regional public transportation initiatives.
-

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Using the State of Michigan's distribution formula projections based on the new road funding law, revenues from the gasoline/vehicle registration (Act 51) tax are budgeted to increase by nearly \$100,000. The full levy of 2.4134 mills is budgeted to generate approximately \$6.055 million. Nearly \$2.8 million of fund balance is budgeted to be used as a funding source in fiscal year 2018-19. The forecast for this fund shows a deficit position in fiscal year 2019-20, therefore a transfer from the major street fund may be necessary.

Budget Summary

Local Street Fund Summary	2017-2018	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023

The mission of the local street construction cost center is to track and fund local street projects.

GOALS

OBJECTIVES

1. To maintain a long term local street improvement program that maximizes funding to extend and enhance the life of the city's local street system.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The following capital projects for this fund for fiscal year 2018-19 are as follows (deviates from CIP):

• CAP1905 millage concrete street repairs	1,290,000
• CAP1910 road work on water projects	535,000
• CAP1915 millage asphalt resurfacing	2,445,000
• CAP1925 joint sealing	190,000
• CAP1935 millage road reconstruction	1,670,000
• CAP1955 special assessment paving	568,000

FY2018-19 total: \$6,698,000

The public safety fund collects the public safety millage, authorized by voters in November 2012 and renewed for a second five year term in 2016. The city budgets to levy 3.8374 mills of the 3.975 (reduced by Headlee to 3.8374) authorized levy for FY2018-19. This will be the second year of

the renewal. The millage is approved for five years. Revenues generated by the police, fire and ambulance functions are accounted for in this fund. At a minimum, it appears a renewal will be needed again.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The public safety millage is budgeted to generate approximately \$9.6 million based upon the millage rate of 3.8374 mills (the maximum authorized levy reduced by Headlee). Fiscal year 2018-19 will be the second year of the five year millage renewal. The forecast assumes the maximum authorized millage will be levied. A transfer of \$19 million from the general fund to offset the police, fire and ambulance functions' expenditures for fiscal year 2018-19 is budgeted. By the last year of the forecast, the general fund transfers-out is estimated at \$20.3 million to the public safety fund (see general fund forecast to review the growing use of general fund fund balance). The transfer from the DDA to this fund is budgeted at \$540,000 for policing services in the downtown area.

Budget Summary

The Royal Oak Police Department's mission is to keep the City of Royal Oak a safe community.

ROPD is organized into two divisions, staff services division and patrol operations division. Additionally, there is a professional standards unit that reports directly to the chief. A complete 911-emergency police and fire dispatch function is housed and supervised within the police department. Services include responding to calls for service, traffic education and enforcement, emergency management, investigation and prosecution of criminal offenses, school liaison program, crime prevention, school crossing and maintaining a detention facility.

The patrol division has three 8-hour shifts: day, afternoon and midnight. Each patrol shift is led by a lieutenant and is staffed by patrol sergeants, and patrol officers, two K-9 officers, and police service aides. Part-time police desk assistants (PDA) staff the front desk on day shift and afternoon shift, which allows for an additional police officer on the road.

The Criminal Investigation Division (CID) is headed by a lieutenant, who supervises a sergeant, detectives, and officers assigned to various task forces.

Royal Oak participates in the following task forces; Narcotic Enforcement Team, FBI Violent Crimes Task Force, Troy Special Investigations Unit, Oakland County Auto Theft, and Secret Service Fraud Task Force. Royal Oak Police Department also has a school liaison officer assigned to Royal Oak High School

The records section collects, analyzes, and reports performance data, processes handgun permits and maintains evidence. The records section reports to the deputy chief of staff services.

20 volunteer auxiliary police "officers" assist the department in a variety of ways, including acting as extra "eyes and ears" while patrolling on Thursday, Friday and Saturday evenings, performing home vacation checks, and working special events such as the Woodward Dream Cruise, Arts, Beats and Eats and the Clay and Glass Festival. Additionally, auxiliary officers are available to assist patrol operations on an emergency call-out basis for downed wires, flooding, etc.

The police chief is the city's emergency manager. In separate cost centers, the chief is responsible for the animal control division, Royal Oak Animal Shelter, parking enforcement division and grant activity in the police grants fund.

GOALS

1. To keep Royal Oak safe.
2. To maintain a visible presence in the community.
3. To provide quality police service in the most efficient and cost effective manner possible.
4. To provide exceptional public safety for major events, such as Woodward

OBJECTIVES

GOALS**OBJECTIVES**

- Dream Cruise and Arts, Beats and Eats.
5. Utilize a data-driven approach to crime prevention and enforcement.
 6. To establish or maintain partnerships with community groups to make the most of proactive police efforts.
 7. Fully implement organizational changes.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs will increase significantly due to filling vacancies to be at full staffing for fiscal year 2018-19 as well as wage step increases for newer employees. Tuition reimbursement is increasing \$7,000 relative to the fiscal year 2017-18 projection as it has not been used much historically but is provided in the labor contract. Books and subscriptions are decreasing \$1,500 as it has been less expensive than anticipated to purchase books to create a leadership library. Uniforms are decreasing \$70,000 relative to the fiscal year 2017-18 projection due to changing out all uniforms in fiscal year 2017-18 and not necessary for fiscal year 2018-19. Communication systems are decreasing \$25,000 relative to the fiscal year 2017-18 original budget as the police department is not replacing current radios as the entire system is going to be replaced in a few years. Miscellaneous operating supplies are increasing \$4,900 to purchase scheduling software. Telecom line repairs are increasing \$2,000 due to expected price increases from AT&T. Heating and cooling repairs are increasing \$10,000 relative to the fiscal year 2017-18 projection as the aging building will require more maintenance.

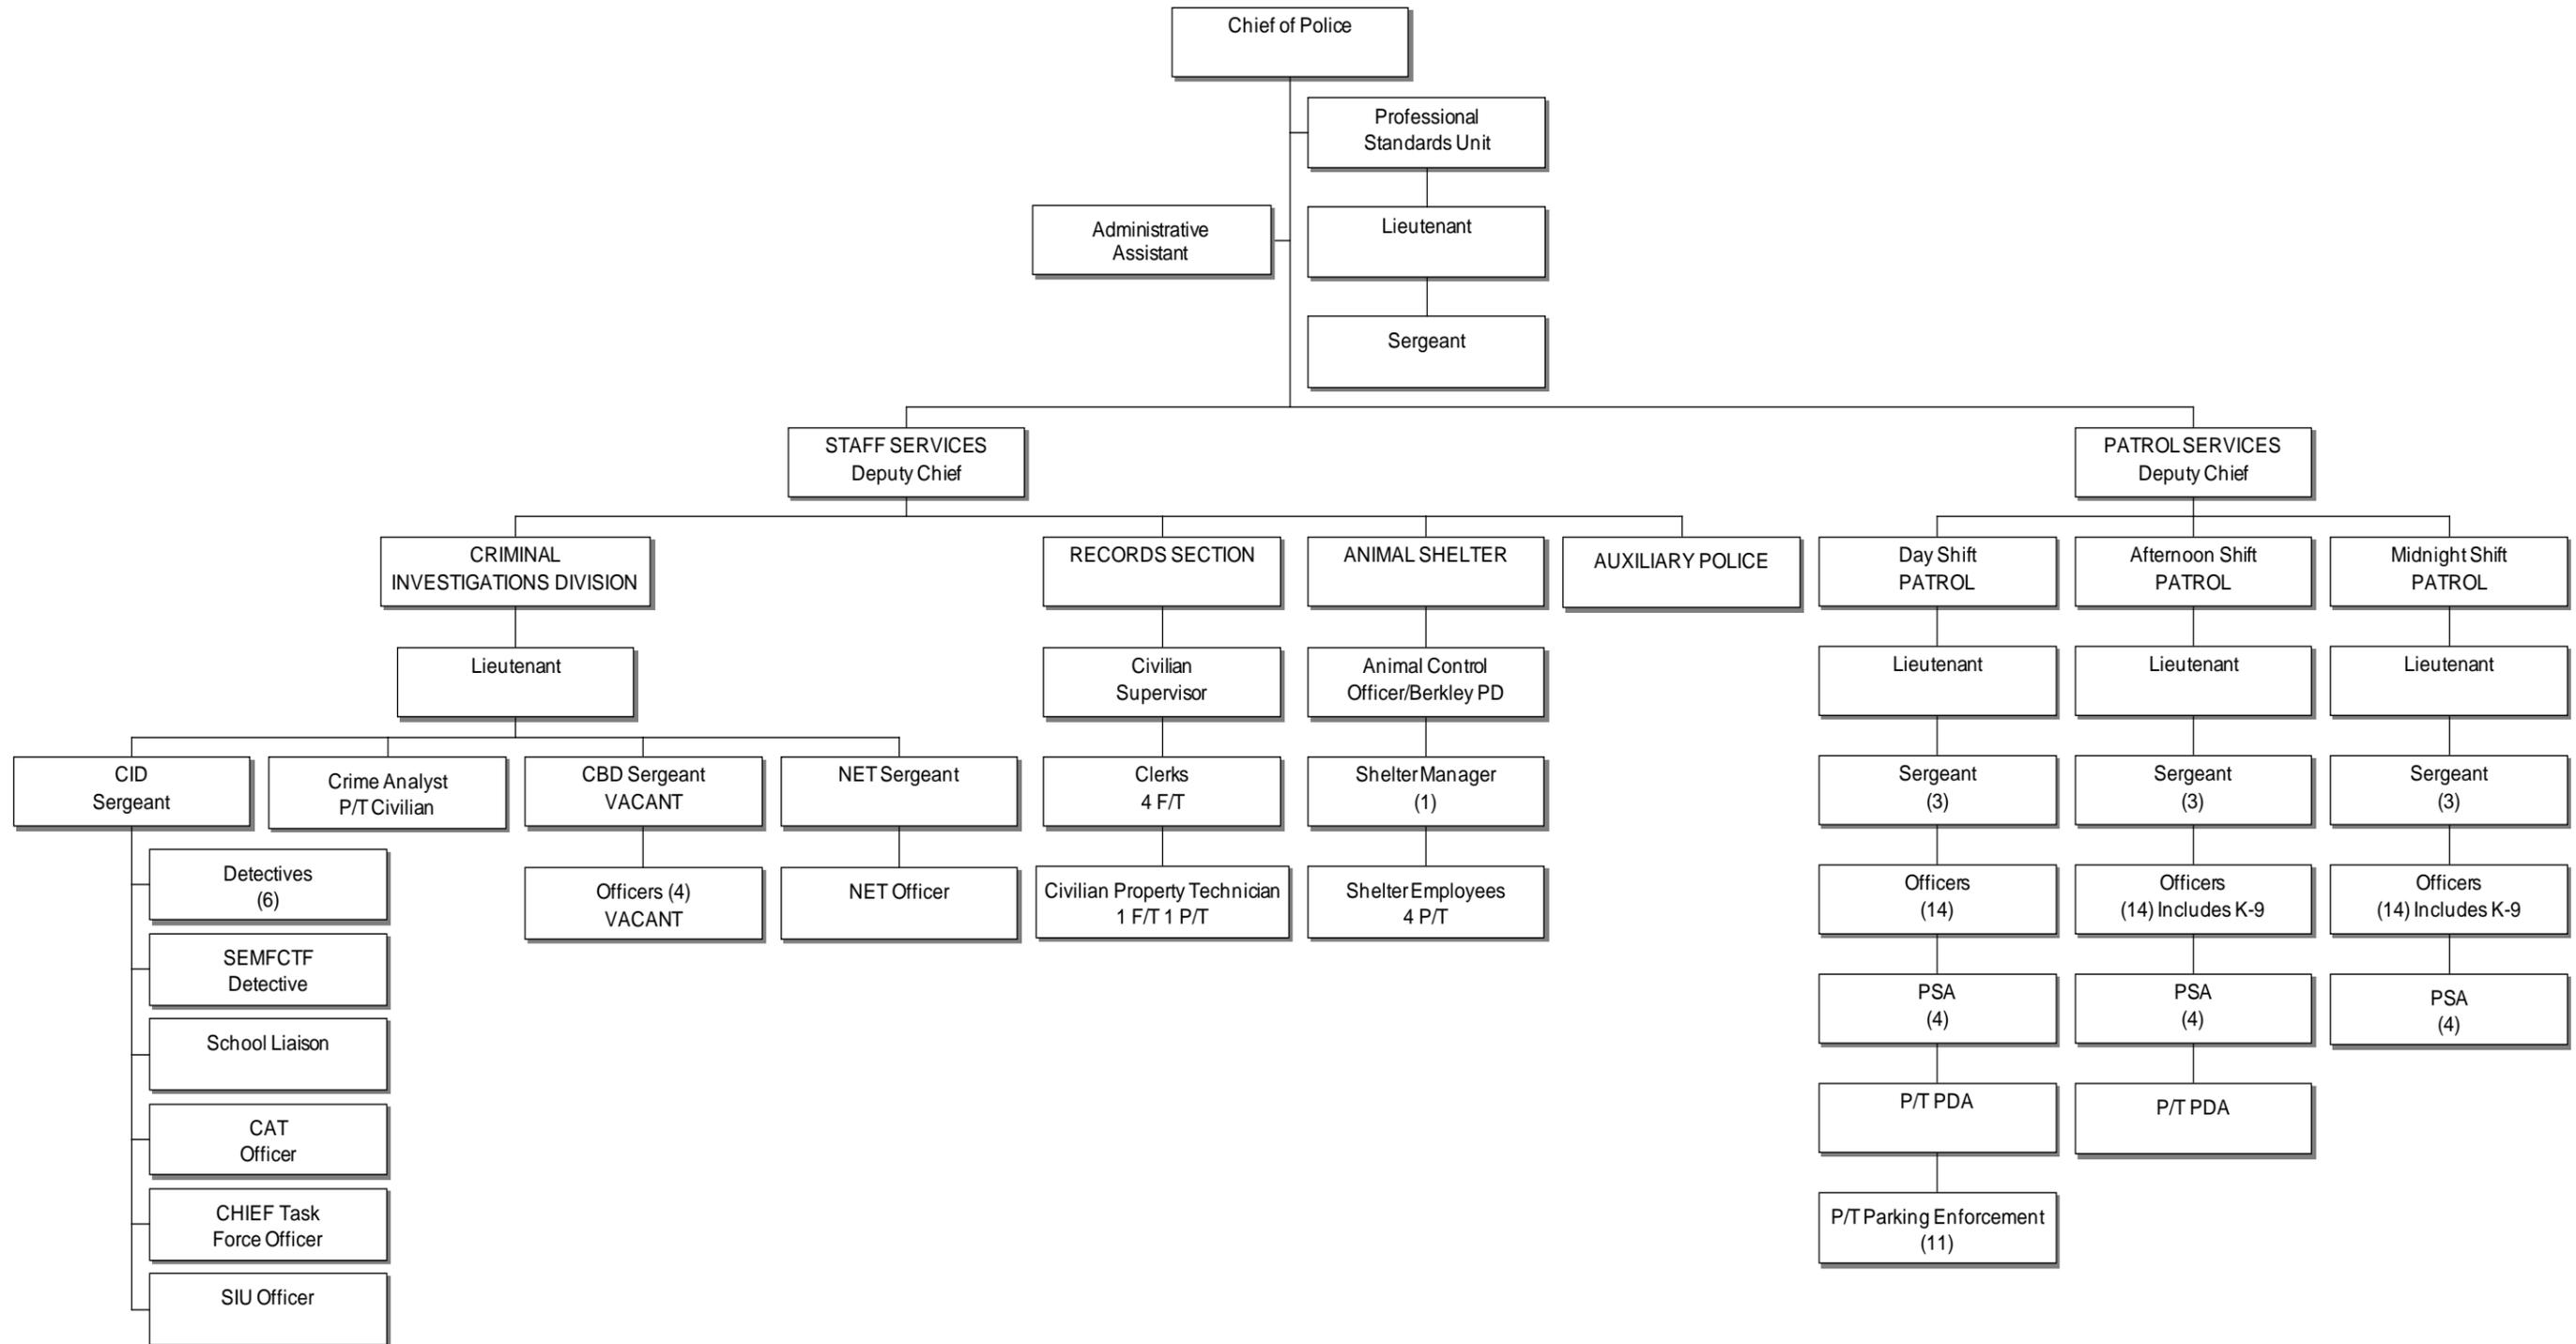

Budget Summary Expenditures

207.301 POLICE	Personnel Services	Supplies	Capital	Other	Debt	Total

Departmental Organization Chart

The mission of the Royal Oak Fire Department is to protect and preserve life, property and the environment through a dedicated and highly trained professional team.

The fire department staffs three strategically located fire stations to provide the shortest possible response time to all areas of the city. Operations are funded primarily through general fund tax revenue along with a public safety millage.

Fire operations are organized into two divisions, fire prevention and fire suppression in this one cost center.

The fire prevention division provides risk management services. They lead inspections, investigations, test alarm panels and sprinkler systems, plan reviews, and fire code enforcement. They work with several other departments in the City of Royal Oak on plan reviews and annual business license renewals.

The fire suppression division responds to fire emergencies and medical emergencies, as well as special tactical operations for hazardous materials and technical rescue. Members of the suppression division also respond to calls for lift assistance, odor investigations, and downed power lines.

The department currently provides transporting advanced life support (ALS) services to the City of Royal Oak and its immediate OakWay neighbors for medical care and transport to area hospitals. Costs of ambulance rescue services are tracked in the ambulance service cost center, so they can be evaluated against ambulance service revenue.

As part of the OakWay mutual aid pact, the suppression firefighters are first responders to our city and provide assistance to seven other neighboring fire departments.

The department responds to hazardous material incidents with an in-house initial response. If additional resources are needed the city activates the OakWay Haz-Mat Team.

The department provides technical rescue response to the City of Royal Oak via the OakWay Technical Rescue Team. The city also coordinates with Birmingham, Madison Heights and Ferndale to form Squad 4 of the Oakland County Technical Rescue Regional Response Team.

The city's ISO rating which is based on manpower, stations, equipment, training and water supply is currently at three.

All fire department calls are dispatched by the 911 public safety answering point (PSAP) at the police department's dispatch center.

The department is responsible for the daily maintenance of all emergency response vehicles and equipment. The shift personnel maintain the stations' buildings and grounds.

Daily training is conducted to keep the quality of our service high and employee injuries low.

Grants are recorded in the grants fund.

A separate fire debt tax millage is collected and budgeted separately in the general obligation debt fund to pay the debt service on Series 2001A bonds that built or improved fire stations. The millage is to be levied at 0.2450 mills.

Fire apparatus are purchased by the motor pool and rented to the fire department. Those rental rates in this budget include charges for debt and/or capital replacement plus repair and maintenance costs.

The fire department currently has a CPR program for the public. This function is

performed by the firefighters to the public for a nominal fee.

The fire department has a lockbox program for its residents, which provides firefighters easy access into homes in case of fires or medical runs.

GOALS

1. Provide the highest quality emergency services delivery.
2. Seek additional avenues for cost recovery and revenue sources.
3. Utilize technology to maximize the efficiency, effectiveness, and safety of fire operations.
4. Limit fire loss through increased comprehensive fire safety inspections.
5. Promote physical fitness for all personnel especially those who perform fire-fighting activities.
6. Evaluate the level of service being delivered to residents using an increased focus on measurable factors.
7. Maintain safe working conditions through the use of well-maintained equipment, and safe operating practices.
8. Explore additional fire grant opportunities.

OBJECTIVES

- Conduct and participate in advanced training as a department, and in conjunction with our mutual aid partners.^{GOAL1}
- Examine and recommend fee structure for annual fire inspections.^{GOAL2}
- Integrate information from fire prevention, building, engineering, and Oakland County with new station alerting software for real-time usage on emergency scenes.^{GOAL3}
- Increase the number of fire inspections annually to 630.^{GOAL4}
- Reduce the number of on-duty injuries through increased physical fitness and increased participation in the fitness incentive program.^{GOAL5}
- Identify and present an updated set of performance indicators to evaluate service delivery.^{GOAL6}
- Review current tactical policies, update or create SOG's as identified by review. Develop and implement equipment maintenance policies.^{GOAL7}
- Work with new personnel to identify and apply for any available grant funding to offset operational costs.^{GOAL8}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The personnel budget is increasing due to newer employees (who are not at the top of their pay range) receiving wage increases and vacancies being filled. Office equipment is increasing relative to the fiscal year 2017-18 original budget by \$3,300 to make improvements to five staff offices. Equipment repair supplies are increasing \$1,000 relative to the fiscal year 2017-18 projection due to other aging equipment. Communication systems parts are increasing \$6,000 to budget for items that were formerly budgeted in the “ambulance service” cost center. Fire supplies are increasing \$1,500 due to an increase in price. Miscellaneous contracted services (\$4,000), heating/cooling repairs (\$1,500), plumbing repairs (\$1,500), and equipment repairs (\$3,500) are all increasing due to aging equipment that will require more maintenance. Miscellaneous building repairs are increasing \$8,000 to replace a large overhead door. Training is increasing \$2,250 relative to the fiscal year 2017-18 projection as newer fire fighters will require additional training. Hazardous materials costs are increasing \$3,000 to cover physicals for the hazmat team.

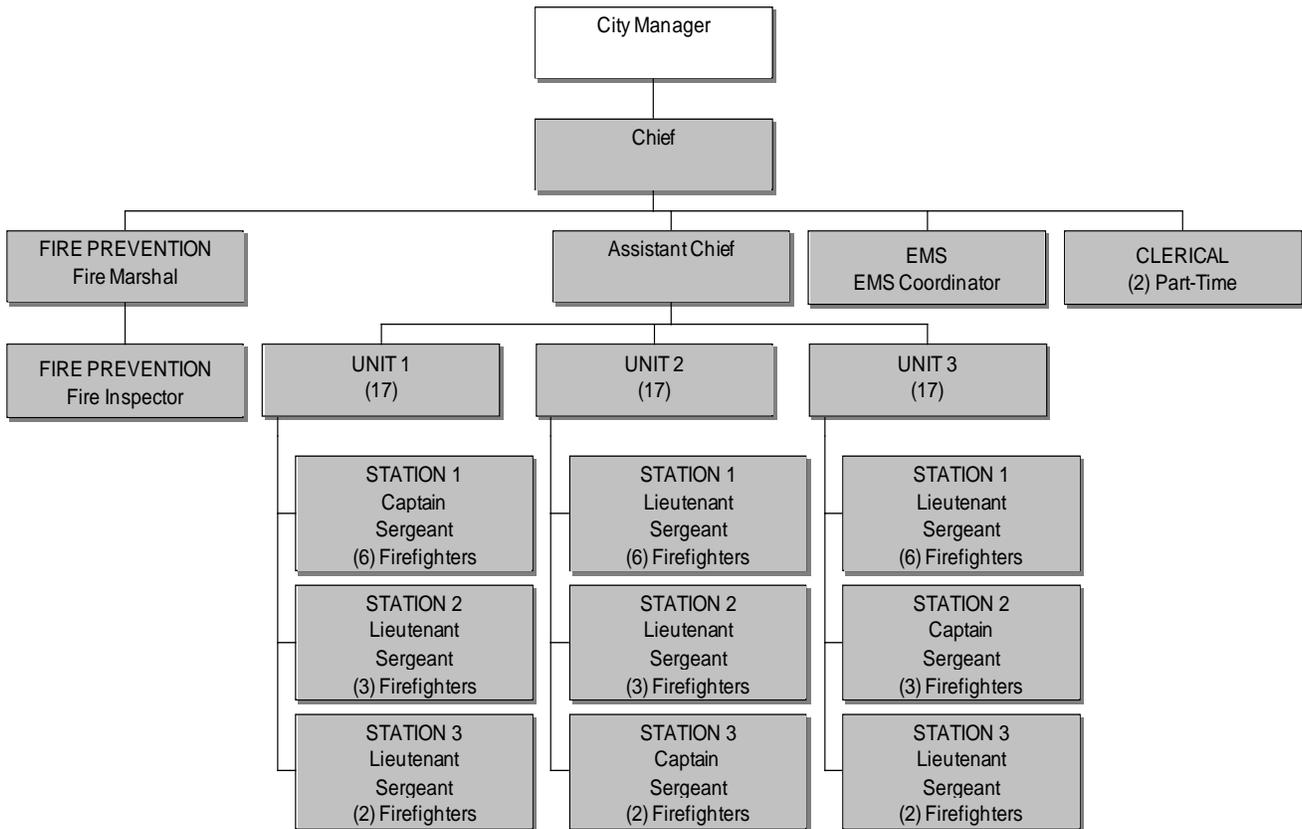

The following capital improvement project(s) are budgeted for the fire department for fiscal year 2018-19:

- turnout gear \$80,000
 - EKG monitor replacement 70,000
 - radio replacement 35,000
- FY2018-19 Total: \$185,000

The mission of the ambulance service is to provide quality emergency transport and medical services within Royal Oak.

The fire department currently provides transporting advanced life support (ALS) ambulances and one ALS engine to the City of Royal Oak and its immediate OakWay neighbors for medical care and transport to area hospitals. Costs of ambulance rescue services are tracked in this ambulance service cost center so they can be evaluated against ambulance service revenue.

Costs of billing and collecting ambulance services are included in this fund.

The fire department's EMS calls are dispatched by the 911 public safety answering point (PSAP) at the police department's dispatch center.

Ambulances are purchased by the motor pool and rented to the fire department. Those rental rates in this budget include charges for debt and/or capital replacement plus repair and maintenance costs.

GOALS

1. Maintain good working relationships with area hospitals and neighboring EMS agencies and continue to work with area hospitals and our mutual aid departments to provide the most efficient service and care for our patients.
2. Provide quality Advanced Life Support (ALS) with proper oversight and compliance with Oakland County Medical Control Authority protocols.
3. Provide a high level of EMS service through technology and a commitment to excellent customer service.
4. Look at ways to improve our service to our residents.

OBJECTIVES

- Enhance our working relationships with area hospitals and mutual aid departments to provide the best and most efficient care for our patients.^{GOAL1}
- Review and update our protocols to maintain compliance with county standards.^{GOAL2}
- Continue to improve medical training while controlling training costs by using our own certified instructors.^{GOAL3}
- Maximize the use of Accumed Web for patient care and billable revenue.^{GOAL3}
- Consistently review medical reports for quality and opportunities for service improvement.^{GOAL4}

Performance Indicators / Outcome Measures

	<u>Actual FY 15-16</u>	<u>Actual FY 16-17</u>	<u>Dec 31 2017</u>	<u>Projected FY17-18</u>	<u>Projected FY18-19</u>	<u>Projected FY19-20</u>
GOAL ³ Gross Collection Rate	n/a%	88.19%	85.93 %	86%	86%	86%
GOAL ¹ Total EMS Runs	3,976	3,883	1,958	4,300	4,300	4,300
GOAL ¹ Average EMS Turnout Time	n/a	n/a	n/a	1:30	1:15	1:15
Customer Satisfaction Score	94.97	95.63	95.50	96	96	97
National Average Customer Satisfaction Score	92.35	92.63	92.91	93	93	93

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

EMS supplies are increasing \$4,000 due to an increase in the price of medical supplies and an increase in the volume of runs. Equipment repairs and maintenance are increasing \$1,000 due to aging equipment. Training is decreasing \$10,000 relative to the fiscal year 2017-18 original budget due to an effort to do additional in-house training. However, it is increasing \$5,000 relative to the fiscal year 2017-18 projection to be prepared in the event additional outside training is required. Computer equipment leases are decreasing \$8,000 as this will now be budgeted in the "fire" cost center. Motor pool charges are increasing due to a catch-up plan to collect depreciation that was not collected many years ago during an intentional depreciation (collection) vacation. This catch-up will help to provide the proper accumulation of funds that will be sufficient for the motor pool's future replacement.

The mission of the publicity tax fund is to inform prospective and existing residents and businesses about the advantages, programs and services that the City of Royal Oak City offers.

This fund collects the ad valorem publicity tax, authorized by State Act 59 of 1925, plus contributions from other city funds. The city is budgeting to levy 0.0180 mill for fiscal year 2018-19.

The City of Royal Oak's departments publish the *Insight* magazine quarterly. It focuses on the recreational and cultural activities available for the next season.

Additionally, *Insight* highlights many varied, on-going and special events and services.

For instance: library seminars, assessment notices and snow emergency procedures in the winter; yard waste procedures and the ice show in the spring; tax bills, the art fair and kids park programs in the summer; and senior trips, elections, leaf pickup and the holiday hockey tournament in the fall.

Copy preparation, editing and final makeup are coordinated by the superintendent of recreation and his staff. A local printer assists and completes the final document.

Magazines are mailed to all residents and businesses. Copies are displayed prominently in city hall and given out to attract new home buyers. Planners distribute copies to entice prospective developers and business persons.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The millage is budgeted to decrease slightly to 0.0180 mill based upon the allowable amount of tax revenue the levy is allowed to collect according to the legislation.

The mission of the solid waste function is to keep the city appealing by providing residents and businesses with desirable curbside refuse collection and disposal, recycling and yard waste services.

Curbside refuse, recycling and yard waste services to homes and businesses are administered by the department of public services.

To provide economical service, the city partners with the South Oakland County Resource Recovery Authority. SOCRRA is a multi-community, public enterprise delivering outstanding services for Royal Oak's recycling, yard waste and composting needs.

SOCRRA privatizes collection with a third-party waste hauler on a ten year contract ending in 2027. Household refuse and recycling material is picked-up weekly. Yard waste is collected seasonally April through mid-December.

Recycling and certain construction and household hazardous materials may be dropped off at the SOCRRA drop-off site on Coolidge Hwy. north of 14 Mile Rd. by appointment.

Recycling is encouraged, as it reuses valuable raw resources, reduces landfill needs, and saves residents money. The city has implemented a business recycling program.

The DPS leaf pickup program vacuums up leaves raked onto city streets. Pickup begins at the end of October after leaves start dropping. Solid waste funding is also used for the removal and disposal of dead trees from public property.

A total millage rate of 2.9084 mills is budgeted. This is the maximum authorized amount which is made up of a voted local millage of 0.9619 and 1.9465 mills levied under authority of PA 298 of 1917 (MCL 123.261).

The solid waste function is a division of the department of public service.

GOALS

1. To provide refuse collection and disposal, recycling and yard waste services in both an efficient and effective manner in accordance with federal and state laws.
2. Provide street sweeping four times per year.
3. Increase percentage of recycled material.

OBJECTIVES

Performance Indicators / Outcome Measures

	<u>Actual FY15-16</u>	<u>Actual FY16-17</u>	<u>Dec 31 2017</u>	<u>Projected FY17-18</u>	<u>Projected FY17-18</u>	<u>Projected FY17-18</u>
GOAL ² Tons of Yard Waste Diverted from Landfill	10,551	10,551	7,100	12,600	13,000	13,000
GOAL ³ Recycle tons	4,292	4,292	2,599	5,500	5,500	5,500
GOAL ¹ Hazardous Material Collected – Drop off	5,462	5,462	3,709	5,000	5,000	5,000

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The solid waste millage was renewed for five years at the August 2016 election. The full authorized millage is budgeted to be levied.

SOCRRA has renewed the contract with GFL for 10 years through 2027. Solid waste collection services are budgeted to increase 4.5 percent in fiscal year 2018-19. SOCRRA has converted to single stream recycling. The facility conversion surcharge is \$334,000 annually for a total of 5.5 years. Solid waste disposal services are increasing \$20,000 relative to the fiscal year 2017-18 original budget due to contractual increases for tree removal services. The forecast shows the use of fund balance each year approximately equal to the conversion surcharge which will end by 2023. Therefore revenues and expenditures forecast is very stable (this assumes millage renewal).

The Royal Oak Public Library provides opportunities for all to learn, connect, create, and innovate.

The Public Library of the City of Royal Oak is administered by a library board of nine members whose duties are fixed by ordinance and whose members are appointed for fixed terms by the mayor with city commission approval. The board appoints the librarian and subordinate employees of the library and determines their compensation. The board can make purchases for the library without the requisition chapter; however, the total amount expended by the board in any one year for compensation of employees, purchase, and other expenses cannot exceed the appropriation allowed for library purposes in the annual budget.

The Royal Oak Public Library provides informational and recreational resources to the community in many forms: books, e-books, audio books in several formats including downloadable ones, internet access, music CDs, DVDs, online databases with remote access, online courses, and local history materials. The library presents many programs for all ages and interests. The Royal Oak Public Library is a major information source for the community and a great place to access entertaining and informative books and media in both traditional and electronic formats.

The number of people coming to the library has more than doubled since 2006-2007, the first full year after its major renovation. The size of the library's collection, and the number of lending transactions have all increased significantly. Over one third of the residents of Royal Oak have a library card.

A growing number of programs attracted both adults and children in the last fiscal year. The library presents programs on a huge variety of topics; an average of ten programs weekly. The summer reading program provides an entertaining way for children to maintain and improve their literacy skills during the summer vacation.

The Royal Oak Public Library is a great destination for residents seeking information and recreational reading, viewing, and listening. The number of card holders, persons making visits, and users checking out items in the last fiscal year are strong indications of the community's high regard for the services the library provides.

A dedicated one mill secures the operating funds restricted for Royal Oak Public Library purposes through the year 2023. The maximum allowable rate is now 0.9263 mill due to Headlee reductions over the years. The full allowable rate is budgeted to be levied for this fiscal year.

GOALS

1. To provide the best possible library service to the Royal Oak community through its lending collections and online access to databases, downloadables, and learning opportunities.
2. To provide a high standard of professional assistance in providing reference, information, and referral services.
3. To provide quality programs which encourage all forms of literacy, literature

OBJECTIVES

- Continue to improve the book and media collections by purchasing new circulating and downloadable materials.^{GOAL1}
- Maximizing scheduling of staff to cover times of high volume circulation in order to minimize lines at the circulation desk and re-shelving time of returned materials.^{GOAL1}
- Encourage staff development opportunities and sharing of staff

discussions, and self-improvement; spark interest in local history, the environment, and other topics of interest to the community including personal finance, health, and technology topics.

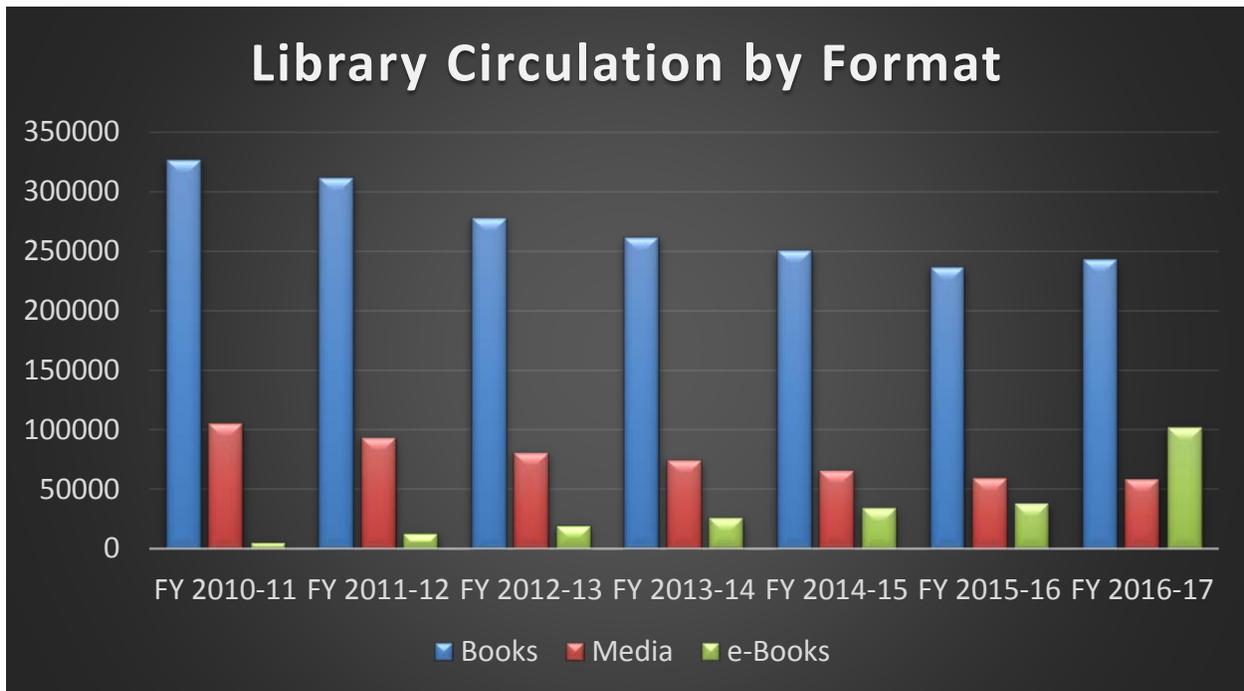

4. To provide highly efficient stewardship of the tax revenue provided so generously by this city.
5. To maximize opportunities to obtain grants and charitable giving.
6. Carefully review expenditures.

expertise so that all staff members are conversant in the library's many resources and formats. ^{GOAL2}

- Continue to publicize to the community the information and referral services that are available from the library. ^{GOAL2}
- Seek creative partnerships to sponsor programs. ^{GOAL3}
- Continue to work closely with the Friends of the Library who provide funds for the library's programs through their Friend's Book Shop, online sales, and annual book sale. ^{GOAL3,4}
- Use cooperative purchasing agreements and volume discounts available through all sources. ^{GOAL4}
- Continue annual donation appeals to the community and to seek grants and other support for youth and adult programs and materials. ^{GOAL5}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to adding a full-time IT specialist position. Office equipment is increasing \$15,000 to purchase new furniture. Computer supplies are increasing \$15,000 for additional technology for use by the public. Electronic resources are increasing \$7,000 due to resuming some databases that were discontinued in prior years. Downloadables are increasing \$15,000 due to high demand and adding training and non-feature/documentary films. \$130,000 is budgeted for roof panel replacement and renovating the 11 Mile Rd. emergency door for regular use. This fund is estimated to continue use of fund balance.

The mission of the community development block grant program is to develop viable urban communities by providing the following, principally for persons of low and moderate income: decent housing, a suitable living environment; and expanded economic opportunities.

Funding for CDBG fund operations comes from Federal Housing and Urban Development grants.

The city commission appoints a rehabilitation board of appeals to review community development matters including applications

of CDBG funded projects. The board makes recommendations to the city commission. The planning department staff oversees implementation of the grant and compliance with all associated federal requirements.

Historically, the city housing rehabilitation and senior center service programs are the recipients of the largest share of the CDBG program's annual grant amount. Large-scale capital projects, such as road improvements and the renovation of historic structures, have also received significant CDBG funds.

The mission of the housing rehabilitation program is to upgrade and conserve the existing housing stock of the City of Royal Oak meeting federal H.U.D. regulations for eligibility.

The housing rehabilitation loan program provides low-interest financing for necessary home repairs to eligible low and moderate income home owners.

The City of Royal Oak has operated a successful housing rehabilitation program since 1976, upgrading and conserving the existing single family housing stock in the city.

It is funded by Community Development Block Grant Program (CDBG) through the U.S. Dept. of Housing and Urban Development (HUD). Annually this revolving loan program makes new loans using new CDBG grants and repayments on existing loans.

Two kinds of loan are available: monthly installment loans at 3 percent interest for homeowners with incomes no greater than 80 percent of the Detroit area median income, and deferred loans for homeowners at 40 percent of the median income. Loans are required to address local property maintenance standards, HUD's minimum housing quality standards, and any identified lead-based paint hazards.

As a full service program, the city provides housing and credit counseling, loan underwriting, property inspections, contractor solicitation, and construction management.

Planning staff coordinates funding requests and provides reports and information on these Community Development Block Grant programs.

The department also prepares documents such as the Impediments to Fair Housing, the Five Year Consolidated Plan, the Annual Action Plan, Comprehensive Annual Performance Evaluation Report, and other interim reports required by HUD for the rehab program.

Rehabilitation Board of Appeals: The Rehabilitation Board of Appeal is comprised of seven citizen members, empowered to grant or deny appeals from the eligibility requirements of the housing assistance program or actions of the administration of the rehabilitation loan committee. The decision of the board of appeals is final. Action to set aside guidelines and eligibility is on the basis of demonstrated hardship. Board members are appointed by the commission to three-year terms and meet the fourth Tuesday of each month.

GOALS

1. Increase the availability of decent, safe, and affordable housing.
2. Reduce the health risks of lead-based paint.
3. Continue the financial viability of the revolving loan program.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Contracted services are increasing \$5,000 relative to the fiscal year 17-18 original budget due to increased lead-based paint testing activity. Housing rehabilitation loans are decreasing \$28,260 compared to the 2017-18 projection due to a significant amount of housing projects that were carried over from fiscal year 2016-17. However, the fiscal year 2018-19 department requested for housing rehabilitation loans is increasing \$40,000 relative to the 2017-18 original budget as the city is expecting to receive additional funds for the housing program. There will no longer be a \$10,000 contribution to Haven as they did not apply for funding. The tree planting program is requested to increase \$50,000 relative to the fiscal year 2017-18 projection due to bids for the fiscal year 2017-18 program coming in well below budget.

The following capital projects are budgeted for FY2018-19 (deviates from CIP):

- Cody Park recreation equipment (deviates from CIP) \$200,000
 - Barton Park recreation equipment (deviates from CIP) 200,000
 - Grant Park recreation equipment (deviates from CIP) 200,000
- FY2018-19 total: \$600,000

The mission of the inspection division of the building division is to effectively administer the Michigan construction codes and local ordinances to ensure public health, safety and welfare.

Pursuant to the provisions of Section 9 of Act No. 230 of the Michigan Public Act of 1972 (MCLA § 125.1509), the Royal Oak building official is designated as the enforcing agency to discharge the responsibilities of the act. The city's building division assumes responsibility for the administration and enforcement of the act within our corporate limits.

The building inspection division issues permits for commercial and residential construction projects and performs related building, mechanical, electrical and plumbing inspections throughout the construction process to insure compliance with state construction codes and local ordinances. Fees are intended to cover the costs of this special revenue fund.

The building division of community development department consists of two areas: building inspection and code enforcement.

GOALS

1. To inspect all new construction to help ensure a safe environment for city residents, businesses, and visitors.
2. To provide professional services to our customers that will encourage development and growth within the city.
3. To encourage and support diverse investment to maximize property values and facilitate employment opportunities.
4. Provide accurate and thorough plan reviews within 14 days.
5. Provide requested inspections by the next business day.
6. Fiscal management – to preserve Royal Oak as a safe and healthy community through sound fiscal policy, strategic planning, prompt decisive actions and effective management of taxpayer's assets.

OBJECTIVES

- Review and update service fees every year to insure costs (i.e. staff time, enforcement, overhead, supplies, etc.) are covered.^{GOAL6}

Performance Indicators / Outcome Measures

Mechanical	1,550	1,376	690	1,300	1,300	1,300
Plumbing Sewer	1,456	1,047	579	1,100	1,200	1,200
Construction Value (in 1000's)	\$168,000	\$129,000	\$105,000	\$140,000	\$120,000	\$120,000

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Revenues are decreasing relative to fiscal year 2017-18 projections due to conservative budgeting as construction activity is unpredictable and permit revenues can vary greatly. Total expenditures are decreasing due to a one-time transfer of cash to the ROCC project for this function's square footage of new city hall building. Personnel costs are increasing due to filling vacancies. Office supplies, furniture, subscriptions, safety clothing, training and dues/memberships are all expected to increase due to adding the new employees. Contracted services are requested to remain at \$85,000 as it is difficult to fill inspector vacancies and there will be an overlap period requiring contractors to keep up with workflow while new employees are being trained.

The Roots (Royal Oak Opportunity to Serve) Foundation is a committee established by the city charter. Its purpose is to promote charitable contributions through the city for disbursement

to various organizations or projects whose work constitutes a public purpose within the city. This fund records the receipt and disbursements of the monies/property.

The City of Royal Oak offers mature adults opportunities for lifelong education, fitness, nutrition, and leisure activities. Supportive services that promote independence and quality of life are available for residents who are 62 and over or permanently disabled adults.

The City of Royal Oak's recreation department does not discriminate against any program participant or applicant for participation because of actual or perceived race, color, religion, national origin, sex, age, height, weight, condition of pregnancy, marital status, physical or mental limitations, legal source of income, family responsibilities, sexual orientation, gender identity, or HIV status of person, that person's relatives, or that person's associates or for any other reason (s) prohibited by law. The City of Royal Oak will take affirmative action to insure that all practices are free from such discrimination.

Senior administrative offices and the bulk of its programs are located at the Mahany/Meininger Center (the M/M or Senior Center). Additional activities are held at the Salter Center and other sites.

The coordinator of senior citizen activity is responsible for all cost centers and reports to the superintendent of recreation. Senior programs include a wide range of activities supported by an equally diverse group of fees, donations and grants.

Center Operations CDBG (274.759) - A significant portion of costs were covered by federal reimbursement and recorded in the block grant fund (274.759). Former CDBG budgets covered wages for one full-time and various part-time employees providing services to seniors at the Mahany/Meininger (M/M) and Salter Centers. It also pays a subsidy for R.O.S.E.S. personnel serving low-income residents. CDBG funds were used for the replacement of front building windows at the Mahany/Meininger Senior Community Center.

Janitorial, repair, maintenance, heating, cooling and other miscellaneous items are charged to the senior citizen services fund. Senior building maintenance, taps into fund balance for the balance of its budget. At this time, due to eligibility concerns, CDBG will not be supporting any senior center costs.

The Mahany/Meininger Senior Center has a senior's resource center that provides brochures for seniors from businesses with products and services for older adults. The fees to display brochures are \$10 monthly or \$100 yearly.

Health and wellness programs are offered at the Salter Center for individual's 50 years of age and over. Pickle ball, while easy for beginners, can also develop an intense competition for high-level players; is played one evening and two days a week. Bounce volleyball numbers are increasing daily. Walking on a daily basis is very popular. This fund pays the recreation fund for the rental of the Salter Center.

The recreation specialist plans, publicizes and schedules activities, classes, plus one day and extended trips tailored to senior citizens' interests. Three trips per month are scheduled on average.

At the M & M center, new programs include: Art of Basket Making, Charming Charcoal Drawing, Delightful Drawing Primer Classes, Find Your Way to Writing, Portraits in Pencil, Watercolor Painting, Grief Support Group and Silversneakers Class.

Tim's Kitchen, a senior congregate meal program, began in June 2007. About 11,139 tasty and nutritious meals were served from July 2016 – June 2017. The program proves very popular with new people attending each month.

Senior building maintenance (296.750) - This budget covers utilities, janitorial, heating & cooling, and other building maintenance and repair items of the M/M Center. Funding of approximately \$50,000 from M/M rentals

partially funds this budget. The remainder is covered by other receipts.

R.O.S.E.S. (296.686) - Royal Oak Senior Essential Services is a local program hiring contract workers to provide home chores, minor home repairs and personal care to senior citizens, age 62 and over, and permanently handicapped adults. R.O.S.E.S. enables older adults who reside in Royal Oak to remain independent in their own homes, shorten hospital stays, lower health care costs and reduce the need for institutionalization.

R.O.S.E.S. workers are independent contractors with this agency and have agreed to work at an affordable per-hour or per-job rate dependent upon the service rendered. The client is responsible for interviewing the worker, hiring and paying the worker directly. Special arrangements may be made for low-income clients, reducing the per-hour rate.

The ROSES budget pays half of the wages for two part-time ROSES aides, paid by client administrative fees and donations. The remainder of the ROSES aides' wages is paid by the CDBG budget.

A.G.E. (296.687) – The Adjacent Generational Exchange volunteer program, funded by a Beaumont Health grant, pays a volunteer coordinator to recruit, train and place volunteers to serve senior citizen needs. In the community, volunteers provide senior citizens with meals and assistance delivered to homes, and transportation.

One A.G.E. staff member is trained to counsel seniors in Medicare D prescription drug coverage. 53 seniors received assistance in plan eligibility, benefit comparisons, low income assistance and enrollment assistance. This program runs from Nov. 15 to Dec. 31 annually, by appointment only.

18 volunteers assisted 447 seniors with free tax help and free e-filing. Royal Oak's volunteer program was awarded the 904th

Point of Light by former President George Bush in 1992.

Non-senior volunteers assist staff with programming. Sources include care management professionals providing mentally impaired adults with a job coach, students from Judson Center and Berkley Schools provide a cleaning and nutrition program.

Transportation (296.688) – The senior transportation program continues to provide high quality van service for 12,079 one-way trips to doctor appointments, grocery shopping, and programs at the senior center. This service promotes independence for residents aged 62 or older, and adults who are permanently handicapped. Door-to-door service is available to those with mobility problems who need to be personally escorted to the buses.

We are partnering with the City of Pleasant Ridge to provide bus transportation to senior residents of Pleasant Ridge once a week and one trip per month. The City of Royal Oak receives PR Municipal and Community Credits to provide this service.

Another partnership is with the Royal Oak Middle School to provide transportation every Friday for mentally and physically challenged student's social outings.

The city currently operates six community transit vehicles purchased in collaboration with SMART. This budget provides for part-time (eight drivers, two dispatchers), maintenance and insurance for vans. This budget is funded by Beaumont Health, SMART municipal and community credit funds, and rider donations. The center received one 2015 Champion 23' buses with lift/wheelchair equipped replacement vehicle and one 2015 Champion van with lift/wheelchair equipped replacement vehicle. Still waiting from 2016 for replacement of two other vehicles.

The ROOTS fund (295.759 cost center) records ad hoc grant receipts and related expenditures.

GOALS

OBJECTIVES

1. Continue exploring opportunities to partner with other senior centers to increase opportunities and maintain the current ones.
 2. Continue partnering with the private sector, schools and neighboring communities.
 3. Investigate innovative ways to fund and reduce the cost of programs.
 4. Continue meeting the transportation needs of the senior citizens.
 5. Continue providing good customer service.
-

The mission of the animal shelter is to provide a safe haven for animals lost or given up by their owners; to reunite lost animals with their human companions; and to provide the best possible adoptions of available animals into the home best suited to their personalities.

The Royal Oak Animal Shelter is operated as a city service under management of the Royal Oak Police Department.

The shelter charges fees for its services

including rent and spay/neutering costs. This covers some of the cost of operation. Donations both direct and through the ROOTS foundation make up any difference.

The shelter pays for limited part-time help and trains volunteers to work with and care for all animals throughout their stay. The shelter uses its own internet website as an excellent way to seek situations for animals considered suitable for pets.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Dog pound fees and sales are increasing \$3,000 relative to the fiscal year 2017-18 projection as they were down compared to historical actuals but are expected to bounce back as fundraising is being made a priority. Donation revenue is decreasing \$5,000 due to the police golf outing revenue going to the animal shelter in fiscal year 2017-18 however not in the future.

Personnel costs are increasing \$20,000 to hire a manager to run the shelter. Animal medical services are increasing \$5,000 as vet services costs have been increasing each year. Animal spay/neutering costs are increasing \$5,000 relative to the fiscal year 2017-18 projection due to spending less than expected in fiscal year 2017-18 due to lower demand. Miscellaneous operating supplies are increasing \$1,000 relative to the fiscal year 2017-18 projection as the full budget wasn't needed in 2017-18. The projections for future years indicates continued use of fund balance and negative fund balances through 2022-23 and beyond.

The police grants fund accounts for the receipt and disbursement of all police grants and forfeitures.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Revenues are down due to no longer participating in a Drug Enforcement Agency (DEA) program and a one-time grant from the State of Michigan was received in fiscal year 2017-18.

The miscellaneous grants fund accounts for city grants, receipts and disbursements (except for grants that are recorded in a fund that is already dedicated).

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

This budget includes \$227,000 for a rain garden project that is funded by a \$173,000 federal grant and a \$54,000 transfer in from the water and sewer fund for the city's matching portion. \$71,430 is being carried over from fiscal year 2017-18 for a generator as part of a FEMA grant.

The mission of the Royal Oak Brownfield Redevelopment Authority (BRA) is to encourage the redevelopment of eligible “brownfield” properties by providing financial assistance for remediation of environmental contamination at such properties.

The Brownfield Redevelopment Act 381 of 1996, (as amended) provides for creative financing with economic and environmental benefit. The Act allows for a municipality to adopt plans, capture incremental local and school property taxes from redeveloped contaminated properties to pay for the

environmental clean-up costs associated with those properties.

The BRA meets on an as-needed basis to review applications for new brownfield plans. Once an application is received by the planning department, a meeting of the BRA is scheduled as soon as possible, pending publication of required public hearing notices required by state law. The BRA then meets to review each plan, and submits a recommendation to the city commission.

GOALS

- Encourage the redevelopment of blighted and contaminated property.
- Process applications for new brownfield plans and reimbursement requests for existing plans in a timely fashion.
- Work with the city treasurer and finance departments to ensure tax increment revenues for each brownfield plan are correctly accounted for and properly credited.
- Continue capture of tax increment revenues until each brownfield plan expires to create revolving loan fund.

OBJECTIVES

The DDA's mission is to promote economic growth and revitalization in downtown Royal Oak. The DDA will accomplish this mission by (1) improving and maintaining a solid and user-friendly infrastructure; (2) marketing downtown Royal Oak to consumers and businesses and; (3) encouraging preservation of Royal Oak's downtown. By fulfilling its mission, the DDA will enhance the viability of not only the downtown, but the entire City of Royal Oak.

The authority is authorized by the city to impose an ad valorem tax on all taxable property in the downtown district for the purposes provided by Act 197 of 1975. The tax cannot exceed two mills on the value of taxable property in the downtown district. The levy is proposed at 1.6021 mills, its authorized Headlee maximum.

Tax incremental financing (TIF) allows an authority like the DDA, to "capture" incremental tax revenues that result from growth in the district.

The City of Royal Oak Downtown Development Authority is under the supervision and control of a board consisting of the city manager and eight or ten members as determined by the city commission. Members are appointed by the city manager, subject to approval by the city commission.

The authorities goals are to pay into the debt retirement fund, for all outstanding series of

bonds issued pursuant to the plan; establish a reserve account for payment of principal and interest on bonds issued pursuant to this plan; to provide the initial stage and second stage public improvements costs that are not financed from the proceeds of bonds; pay administrative and operating costs of the DDA; to acquire property, clear land, make preliminary plans, and improvements necessary for the development of the development area.

The development plan, created by the downtown development authority, prioritizes needed physical improvements like façade improvements, buildings, parking lots and decks, streetscapes, and infrastructure.

Additionally, marketing themes have been developed to enhance the renewed physical appearance. These include advertising, signage and banners, street lighting, tree and floral arrangements. This fund provides extra police officers for the district to enhance existing public safety efforts.

Additional funding for improvements can come from the block grant program, and other state and federal programs.

GOALS

1. Downtown safety goal: to protect the residents, businesses and visitors of downtown Royal Oak.
2. Downtown promotion goal: to promote downtown Royal Oak as a premier destination for shopping, dining, entertainment, living and working.

OBJECTIVES

- Develop a downtown plan which enumerates our collective vision for downtown Royal Oak and addresses business development, liquor license policy, special events, land use, office space, hotels and downtown parks.^{GOAL1}
- Continue the funding of three downtown police officers.^{GOAL1}

GOALS

3. Downtown infrastructure goal: to provide a downtown that is clean and well maintained.
4. Downtown development goal: to encourage development in downtown through programs and TIF reimbursement.
5. Downtown parking goal: to provide adequate and safe parking for downtown residents, employees and visitors.
6. Downtown public goal: to keep the public informed of the DDA's activities.

OBJECTIVES

- Expand the marketing of downtown. Prepare and distribute a “request for proposals, RFP” in order to hire a company that would prepare a public relations/marketing plan for the downtown.^{GOAL2}
- Create event management strategy. Prepare and distribute a “request for proposals, RFP” in order to hire a company that would develop and coordinate the annual Spooktacular and holiday events.^{GOAL2}
- Update the website. Prepare and distribute a “request for proposals, RFP” in order to hire firm that will complete update.^{GOAL2}
- Support and encourage downtown events that measurably contribute to the improvement of business through both financial commitments and direct participation. Establish a formal process to evaluate requests for funds and outcomes.^{GOAL1}
- Expand marketing efforts of the façade improvement program to downtown property owners and businesses.^{GOAL1}
- Continue to provide downtown maintenance/enhancement services.^{GOAL3}
- Create downtown city park. Provide financial support for Royal Oak Civic Center proposed park.^{GOAL2}
- Improve/enhance 696/Main St. appearance.^{GOAL3}
- Work with the library to enhance the north entrance from 11 Mile Rd.^{GOAL3}
- Continue to complete streetscape improvements and repairs. Create an improvement program for public alleys in the downtown.^{GOAL3}

GOALS

OBJECTIVES

- Investigate and improve streetscape design elements and components, including light fixtures, tree grates and other technology improvements.^{GOAL2}
- Complete implementation of wayfinding program.^{GOAL2}
- Fund the purchase and installation of holiday lights downtown.^{GOAL2}
- Identify and improve targeted business base.^{GOAL4}
- Identify ways to improve customer base; such as “cohesive business hours”.^{GOAL4}
- Reimburse TIF revenue to approved development projects.^{GOAL4}
- Continue to provide funding to cover the Second St. parking structure(s) annual debt service.^{GOAL5}
- Evaluate parking supply versus demand to determine if all areas of downtown are adequately served by convenient/sufficient parking.^{GOAL5}
- Investigate and monitor technology enhancements that could improve the downtown parking system.^{GOAL5}
- Purchase revenue producing property.^{GOAL4}
- Hold monthly DDA board meetings.^{GOAL6}
- Continue to communicate with the stakeholders of the downtown.^{GOAL6}
- Continue to support temporary street closings for special events downtown.^{GOAL2}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Revenues decrease significantly due to one-time proceeds from the 696 property sale in fiscal year 2017-18.

Personnel costs are decreasing due to heavy snowfall and electrical work in fiscal year 2017-18 requiring more DPS snow removal in the downtown area than usual. Contracted legal services are decreasing \$10,000 due to the ROCC project and 696 development project requiring more legal counsel than usual in fiscal year 2017-18. Main St. committee design expenses are increasing \$100,000 due to there being no façade activity in fiscal year 2017-18. Main St. committee promotion expenses are decreasing \$20,000 due to the DDA allocating less funding to promotions/events. Miscellaneous expenditures are decreasing \$120,000 due to a one-time payment for a sidewalk project in fiscal year 2017-18. Beginning fiscal year 2018-19, \$737,000 is being transferred to the general fund toward the estimated central park portion of the ROCC debt payment. \$540,000 annually continues to be transferred out to fund extra police services in the downtown. The transfer to the auto parking fund is decreasing to \$580,790 as the DDA will no longer pay 50% of the South Lafayette structure debt. The estimated future years shows the fund balance increasing significantly.

Debt Service Funds

Debt service funds are funds established to finance and account for the payment of interest and principal on all tax supported debt, serial and term, including that payable for special assessments.

Description of Long Term Debt

General Obligation Debt Fund - 301

Court Building Debt Service – 303

ROCC Debt Service Fund - 350

Debt Service Fund – 360

Legal Debt Margin

Description of Long-Term Debt

As of May 1, 2018, the City of Royal Oak has 18 outstanding bonded debt issues and contracts totaling \$177.5 million. Michigan statute limits general obligation debt to ten percent (\$318,981,624) of state equalized value and a five percent limit for capital improvement bonds. Our exempt debt of \$43,567,775 leaves approximately \$137.4 million of additional bond debt that can be incurred. These bonds and contract terms are summarized as follows:

Primary Government

Building Authority – Public Act 31 of 1948 (First Extra Session)

Act 31 provides for an authority to issue bonds to build and equip various public buildings, which are then leased to the city. Proceeds from these leases are used to repay the bonds. The collection of lease payments, payment of interest and retirement of debt is reflected in the respective Debt Service or Proprietary fund.

On Oct. 11, 2001, the City of Royal Oak Building Authority issued \$9,000,000 of bonds, series 2001A (unlimited tax general obligation), pursuant to a special election on May 15, 2001. The proceeds were used to construct and equip a new fire station, and remodel and equip existing fire stations. These 20-year bonds have interest rates that range from 3.750 percent to 5.000 percent. The city was obligated to pay interest commencing March 1, 2002 and semiannually thereafter. The first principal payment was due Sept. 1, 2002 and due annually Sept. 1 through 2021. In Aug. 2012, the city performed an advanced refunding of the Series 2001A, now Series 2012. This refunding created a net present value savings of \$614,000. The term of the payments did not change.

On June 2, 2005, the City of Royal Oak Building Authority issued \$3,700,000 of bonds, series 2005 (general obligation limited tax). The proceeds were used to remodel,

renovate, equip and furnish the city library building. These 18-year bonds have interest rates that range from 3.000 percent to 4.250 percent. Library fund revenue is used to pay the debt service. The city is obligated to pay interest commencing Dec. 1, 2005 and semiannually thereafter. The first principal payment was due June 1, 2006 and due annually June 1 through 2023. In Nov. 2014, the city performed an advanced refunding, issuing capital improvement refunding bonds, series 2014 with a 2.3 percent interest rate. This refunding created a net present value savings of \$104,000. The term of the payments did not change.

Capital Improvement Bonds – Revised Municipal Finance Act, Public Act 34 of 2001, Part V

Act 34 permits the issuance of bonds for the purpose of paying the cost of capital improvements.

On March 15, 2006, the City of Royal Oak issued \$4,325,000 of capital improvement bonds, series 2006A (general obligation limited tax) to finance capital improvements to the city's water and sewer systems and other items. The city used the net proceeds exclusively to finance improvements to the water and sewer system, which is responsible for all debt service payments. These 20-year bonds have interest rates ranging from 3.500 percent to 4.300 percent. The city is obligated to pay interest commencing Nov. 1, 2006 and semiannually thereafter. The first principal payment was due May 1, 2007 and was due through May 1, 2026. In March 2016, these bonds were refunded at 1.9 percent true interest cost providing a net present value savings of \$295,028. And now part of the capital improvement refunding bonds, series 2016.

On April 26, 2006, the City of Royal Oak Building Authority issued \$11,100,000 of capital improvement refunding bonds, series 2006B (general obligation limited tax), with

interest rates that range from 4.000 percent to 4.375 percent. The net proceeds were used to advance refund 1999 prior (44th District Court building) bonds for the years 2010 through 2024 in the amount of \$5,475,000, and the 2001 prior (parking structure) bonds for the years 2012 through 2026 in the amount of \$8,185,000. The proceeds were used to purchase U.S. Certificates of Indebtedness – State and Local Government Securities (SLGS). Those securities were deposited into an irrevocable trust with an escrow agent and subsequently used to pay off the bonds, including call premiums on June 1, 2009 and May 1, 2011 respectively. Accordingly, the refunded bonds are no longer reported on the city's financial statements. The advance refunding reduced the total debt payments over the next 20 years by approximately \$310,090 which represents an economic gain of \$198,175. The new bonds will bear interest payable commencing Nov. 1, 2006 and semiannually thereafter. The first principal payment was due May 1, 2008 and was due annually May 1 through 2026. In March 2016, these bonds were refunded at 1.8 percent true interest cost, providing a net present value savings of \$871,950. And now part of the capital improvement refunding bonds, series 2016.

On Nov. 15, 2007, the City of Royal Oak issued \$2,645,000 of capital improvement bonds, series 2007A (general obligation limited tax) to finance a vehicle purchase project. The city used approximately \$1,970,000 to acquire five fire trucks, \$500,000 for two ambulance rescue vehicles and \$175,000 for two dump truck bodies. These 12-year serial bonds have interest at 4.0 percent. The city is obligated to pay interest commencing May 1, 2008 and semiannually thereafter. The first principal payment was due Oct. 1, 2008 and will continue to be due Oct. 1 until 2019.

In September 1997, the City of Royal Oak and the Oakland County Drain Commission (currently Water Resources Commission) entered into an agreement whereby the city

contracted to pay \$1,710,691 of Garfield drain refunding revenue bonds, series 1997, with interest rates that range from 5.000 percent to 5.125 percent. Repayment is made from net revenues of the water and sewer fund. These bonds bear interest payable commencing April 1, 1998 and semiannually thereafter. The first principal payment was due Oct. 1, 1998 and due annually Oct. 1 through 2017.

On Dec. 11, 2008, the City of Royal Oak sold \$11,825,000 of capital improvement bonds, series 2008 (general obligation limited tax) with interest rates that range from 4.000 percent to 6.250 percent. The bonds finance projects in three funds: auto parking \$7,250,000 (\$5,481,000 to purchase & develop the 600-700 S. Main Street property and to improve other decks and lots, plus \$1,550,000 to acquire the 225 S. Troy Street property); water and sewer \$3,270,000 for infrastructure improvements; and motor pool \$1,305,000 (\$650,000 to purchase vehicles and \$620,000 to repave the DPS yard); plus related costs. These bonds bear interest payable commencing May 1, 2009 and semiannually thereafter. The first principal payment is due annually Oct. 1, 2009 through 2028. In March 2016, these bonds were advance refunded at a true interest cost of 2.32 percent providing a net present value savings of \$1,086,758. And now a part of the Capital Improvement Refunding Bonds, Series 2016.

On Jan. 31, 2017 the City of Royal Oak sold \$106,040,000 of taxable limited tax general obligation bonds, series 2017-A (OPEB). The sale closed on February 21, 2017. The bond proceeds were used to fund the entire unfunded actuarial accrued liability of the city's defined benefit retiree healthcare plan as of June 30, 2016. The term of the bonds is 21 years with the last maturity due on Oct. 1, 2037. The bonds bear interest rates between 1.163 percent to 4.524 percent, with a true interest rate of 4.082 percent. The city is obligated to pay interest commencing on October 1, 2017 and semiannually thereafter. The first principal payment is due on Oct. 1,

2017. It is intended that numerous funds will contribute toward the debt service payments based upon the fund in which the legacy cost was incurred.

On Jan. 31, 2017 the City of Royal Oak sold \$20,570,000 of taxable limited tax general obligation bonds, series 2017-A (pension). The sale closed on Feb. 21, 2017. The bond proceeds were used to fund the entire general employees' unfunded actuarial accrued liability of the city's defined benefit pension plan as of June 30, 2016. The term of the bonds is 21 years with the last maturity due on Oct. 1, 2037. The bonds bear interest rates between 1.163 percent to 4.524 percent, with a true interest rate of 4.082 percent. The city is obligated to pay interest commencing on Oct. 1, 2017 and semiannually thereafter. The first principal payment is due on October 1, 2017. It is intended that numerous funds will contribute toward the debt service payments based upon the fund in which the legacy cost was incurred.

On Sept. 12, 2017, the City of Royal Oak sold \$8,500,000 of tax-exempt general obligation limited tax bonds, series 2017. The bond proceeds were used to fund capital improvements to streets within the city. The term of the bonds is 6.5 years with the last maturity due on April 1, 2024. The bonds bear an interest rate of 2.10 percent.

On May 23, 2018, the City of Royal Oak issued \$32,465,000 of limited tax general obligation bonds, series 2018. The bond proceeds will be used to construct a new city hall, police headquarters, and develop a central park. The term of the bonds is 25 years. The first interest payment is Oct. 1, 2018 and the first principal payment is April 1, 2018. A net premium of \$3,018,257 was on these bonds. The issue price of the bonds amounted to \$35,483,257 with the per annum rate of 3.4528%. A true interest cost of 3.825%. There is an optional redemption date of April 1, 2028. Final maturity date is April 1, 2043.

Michigan Municipal Bond Authority Bonds – Public Act 227 of 1985

The MMBA has a variety of financing tools including the broad authority to purchase municipal notes or bonds and bundle them for resale. Among those tools, the MMBA and Michigan Department of Environmental Quality (MDEQ) jointly administer state revolving fund (SRF) and drinking water revolving fund (DWRF) low interest loan programs. The following bonds are paid from net revenues of the water and sewer fund.

On Sept. 29, 1998, the City of Royal Oak and the Michigan Municipal Bond Authority entered into an agreement whereby the city of Royal Oak would issue revenue bonds, and the Michigan Municipal Bond Authority would purchase, up to \$15,800,000 of North Arm Relief Drain bonds, series 1998A (General Obligation Limited Tax). The project built enclosed pipes, expanding and improving the North Relief Arm of the 12 Towns Drainage District, to abate flooding primarily affecting the City of Royal Oak, plus seven other communities and highways therein, controlled by the State of Michigan and Oakland County. The State and County paid cash up front. Based on the interlocal agreement between the City of Royal Oak (the city) and the seven other communities, the city pledges its net water and sewer revenue and pays approximately 49% of the debt service. The city bills approximately 51% to the other communities and collects their payments to pay the debt service. The city is obligated if payments received on contracts with benefiting municipalities are insufficient to meet principal and interest requirements of this debt, when due. The city is obligated to pay interest at 2.25 percent commencing on April 1, 1999 and semiannually thereafter. The first principal payment was due Oct. 1, 2001 and will continue to be due Oct. 1 through 2020.

Since 2000, the Oakland County Drain Commission, predominantly with the MMBA, has initiated multiple financings for the George W. Kuhn Drainage District (GWKDD) to abate

combined sewer overflows from its communities, which includes the City of Royal Oak. The whole retention/treatment facility was estimated to cost \$144 million in 2001. Construction was staged in several contracts. MMBA borrowing draw-downs occur over months or years during construction. The principal payback period is 20 years. The various communities share in GWKDD debt based on the percentage of their contract flow capacity that is about 29 percent for the city. The following eight paragraphs discuss the city's GWKDD contract debt obligations.

On Sept. 30, 2000, the city's share of GWKDD bonds, series A, was issued for \$5,176,386 to the MMBA bearing interest at 2.50 percent. The city is obligated to pay interest commencing April 1, 2001 and semiannually thereafter. The first principal payment was due April 1, 2003 and will continue to be due April 1 until 2022.

On Sept. 28, 2001, the city's share of GWKDD bonds, series C, was issued for \$23,797,479 to the MMBA bearing interest at 2.50 percent. The city is obligated to pay interest commencing April 1, 2002 and semiannually thereafter. The first principal payment was due April 1, 2005 and will continue to be due April 1 until 2024.

On Dec. 20, 2001, the city's share of GWKDD bonds, series D, was issued for up to \$3,170,000 to the MMBA bearing interest at 2.50 percent. The city is obligated to pay interest commencing April 1, 2002 and semiannually thereafter. The first principal payment was due April 1, 2005 and will continue to be due April 1 until 2024.

On Jan. 2, 2002, the city's share of GWKDD bonds, series E, was issued originally for \$2,857,431 bearing market interest rates from 4.00 percent to 5.25 percent. The city is obligated to pay interest commencing April 1, 2001 and semiannually thereafter. The first principal payment was due April 1, 2002 and originally continued to be due April 1 until 2024. On August 1, 2007, bonds maturing

2012 through 2024 were advanced refunded and no longer are shown as debt. Remaining unrefunded bonds were due through April 1, 2012.

On Sept. 22, 2005, the city's share of GWKDD bonds, series 2005 (F), was issued for \$469,002 to the MMBA bearing interest at 1.625 percent. To date, \$390,953 has been drawn as the city's share. The city is obligated to pay interest commencing October 1, 2006 and semiannually thereafter. The first principal payment was due April 1, 2007 and will continue to be due April 1 until 2026.

On Aug. 1, 2007, the city's share of GWKDD Drain (partial B & E) refunding bonds, series 2007 (R), was issued for \$3,607,258, bearing market interest rates from 4.250 percent to 4.375 percent. The refunding bonds advance refunded part of series B and E bonds above. The city is obligated to pay interest commencing Oct. 1, 2007 and semiannually thereafter. The first principal payment was due April 1, 2008 and will continue to be due April 1 until 2024. The city realized a net savings in cash flow of \$176,280 over the life of the bonds for a net economic gain (present value savings) of \$117,311. In February 2016, drain refunding bonds were reissued saving the city \$158,000.

On Sept. 22, 2007, the city's share of GWKDD bonds, series 2007 (G) was issued for up to \$1,765,000 in total to the MMBA, bearing interest at 1.625 percent. Based on \$1,754,260 drawn down by February 9, 2009, the city's share was approximately \$515,923. The city is obligated to pay interest commencing April 1, 2009 and semiannually thereafter. The first principal payment was due April 1, 2009 and will continue to be due April 1 until 2026.

On Sept. 22, 2008, the city's share of 5 GWKDD bonds, Series 2008 (H) was issued for up to \$2,260,136 in total to the MMBA, bearing interest at 2.500 percent. Based on \$4,057,179 drawn down by April 2, 2009, the city's share was approximately \$1,183,205.

Debt Service Funds – Description of Long Term Debt

The city is obligated to pay interest commencing April 1, 2009 and semiannually thereafter. The first principal payment was due April 1, 2010 and will continue to be due April 1 until 2029. This is expected to be the final funding for the GWKDD project.

Revenue Bonds – Public Act 94 of 1933

On Dec. 22, 2016 the City of Royal Oak issued \$13,500,000 of Parking System Revenue Bonds, Series 2016. The bond proceeds were used to construct a new parking garage on the land of the former Second Street surface lot. The new structure will be attached to the existing Center Street parking garage. The term of the bonds is 15 years with the last maturity due on Oct. 1, 2031. The bonds have a true interest rate of 3.45%. The city is obligated to pay interest commencing on April 1, 2017 and semiannually thereafter. The first principal payment is due on Oct. 1, 2017.

Parking fee revenue and monies from the Downtown Development Authority are pledged to pay the debt service.

On May 23, 2018, the City of Royal Oak issued \$16,325,000 of Parking System Revenue Bonds – Series 2018. The bond proceeds are used to construct a new parking garage on the land formerly known as the North Williams Street Lot. This garage is titled the 11 Mile Road garage. Parking fee revenue will be pledged to pay the debt service. The term of the bond is 15 years. The bonds were issued as a single registered term bond and mature on Oct. 1, 2033 with first interest payable on Oct. 1, 2018 and semiannually thereafter on April 1 and Oct. 1 of each year at the per annum rate of 3.551%. The true interest cost is also 3.551%.

City’s Legal Debt Limit

Section 21 of Article VII of the Michigan Constitution authorizes the enactment of laws for the incorporation of cities and grants cities the power to levy taxes for public purposes, subject to statutory and constitutional limitation:

“The legislature shall provide by general laws for the incorporation of cities and villages. Such laws shall limit their range of ad valorem property taxation for municipal purposes, and restrict the powers of cities and villages to borrow money and contract debts. Each city and village is granted power to levy other taxes for public purposes, subject to limitations and prohibitions provided by the constitution or by law.”

In accordance with the foregoing, the Home Rule City Act, Act 279, Michigan Public Acts, 1909, as amended, limits the amount of debt a home rule city may have outstanding at any time. Section 4-a of the Home Rule City Act provides, in pertinent part:

“Notwithstanding a charter provision to the contrary the net indebtedness incurred for all public purposes shall not exceed the greater of the following:

- (a) 10 percent of the assessed value of all the real and personal property in the city.
- (b) 15 percent of the assessed value of all the real and personal property in the city if that portion of the total amount of indebtedness incurred which exceeds 10 percent is or has been used solely for the construction or renovation of hospital facilities.”

The provision of the Home Rule City Act cited above overrides the city’s charter provision which limits city indebtedness to five percent of the “assessed valuation” (SEV) of all real and personal property in the city. Other limitations may apply, however, if specifically set forth in a statute authorizing a particular kind of borrowing.

Certain types of indebtedness are not subject to the 10 percent limitation of the Home Rule City Act, including: special assessment bonds, Michigan transportation fund bonds and revenue bonds, whether secured by a mortgage or not; bonds issued or contract obligations or assessment incurred to comply with an order of the Water Resources Commission of the state or a court of competent jurisdiction; obligations incurred for water supply, sewage, drainage, or refuse disposal or resource recovery projects necessary to protect the public health by abating pollution; and bonds issued for construction, improvements and replacement of a combined sewer overflow abatement facility. The resources of a sinking fund pledged for the retirement of outstanding bonds shall also be excluded in computing the debt limitation.

Pursuant to the statutory and constitutional debt provisions set forth above, the following table reflects the amount of additional debt the city may legally incur as of May 1, 2018.

	<u>10% SEV</u>	<u>5% SEV *</u>
2018 State Equalized Value (SEV)	3,189,816,240	3,819,816,240
Debt Limit	318,981,624	159,490,812
Debt Outstanding	177,559,775	177,559,775
Less: Exempt Obligations	43,567,775	166,302,775
Debt Subject to SEV Limitation	181,552,000	58,817,000
Additional Debt which can legally incurred	137,429,624	100,673,812
 Non-exempt debt outstanding as percentage of 2017 SEV	 5.69%	 1.84%

Capital Project Summary

What is a Capital Improvement Program?

Capital improvement programming is a long-range study of non-operating wants, needs, expected revenue and policy intentions. It is not a budget, but provides the necessary information for prudent budget recommendations. It compares various departments' needs over a period of years with anticipated revenue and puts them in a single focus for analytical purposes.

It is not a law such as an annual budget, but a collection of facts, trends, and suggestions available for the guidance of the budget people and the legislative body when budget time arrives. After it is adopted by the legislative body, it is a non-binding assertion of future intent only. For each year, however, when an appropriation for an annual capital budget is adopted as part of the regular budget, it represents that amount which will be used to implement a part of the capital improvement program in the coming year.

One-year or two-year budget studies do not always yield the best long-term policy. Accordingly they have added five, six or even ten-year capital improvement planning to their program, wherein the larger and longer-term picture can be anticipated and studied. This kind of capital improvement planning is nothing more than business common sense applied to public monies.

Typically, the function of studying long-term capital improvement trends and needs is done with a single agency or team of agencies. A commonly used team is that of budget, which best knows the details of the annual financial "facts of life," and engineering which is the

closest to the many problems of providing space and facilities for the ever changing departments and their equipment. In initiating such a program, a master list of needed improvements is first compiled by the various operating departments to cover, usually, the next six years. The list is studied in the light of the comprehensive plan, comparative needs, and replacement urgencies. The trend of tax rates, revenues from other sources, various financing possibilities, bond retirement and future available funds are considered during the budget process. Finally, a recommended priority listing emerges from combined study of these proposed revenues and expenditures.

By providing this planning and programming of capital improvements, all of the preliminary engineering or architectural design can be completed timely. Financing is planned well in advance and the effect on the annual budget is determined. This eliminates hasty decisions brought on by crash programs and provides for well designed, orderly growth or renewal of the city's capital. Good management requires greater physical and financial planning than ever before.

The planning commission adopted the capital improvement plan in March and many of the CIP projects are provided for in this section of the budget document. The CIP projects that the city manager is recommending to move forward are listed in the budget narrative for each of the funding source's. (ie. water & sewer fund, major street fund, local street fund, auto parking fund, IT, motor pool, etc). The street funds requested project list was drastically reduced due to the lack of funding.

Water & Sewer Improvements

CAP1720	Royal Oak Roadway Rain Gardens
Project Length: 2018-2019	City Share: 26%
Estimated City Cost: \$55,000	Funding Source: water and sewer fund / MDEQ grant
Impact on the Operating Budget: Will reduce inflow into the sewers.	
Description: Installation of rain gardens in the median of E Fourth St. between S Blair Ave. and S Connecticut Ave.	

CAP1736	Green Infrastructure Study
Project Length: 2018-2019	City Share: 100%
Estimated City Cost: \$90,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Consultant to identify generic concepts for green infrastructure including infiltration basins, bio-swales and bio-retention cells; permeable pavements, etc. Identify specific locations, develop generic costs, and develop a plan for specific locations where concepts can be installed with estimated costs. Estimate effectiveness and compare to existing city requirements for detention.	

CAP1835	Woodland Avenue and Yorba Linda Boulevard Water Main Improvements
Project Length: 2018-2019	City Share: 100%
Estimated City Cost: \$938,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main along Woodland Ave. (Webster Rd.-Arden Pl.) and Yorba Linda Blvd. (Fairmont Rd.-Springer Rd.) in coordination with the 2018 millage road reconstruction project.	

CAP1908	14 Mile Rd. Water Main Improvements
Project Length: 2019-2020	City Share: 100%
Estimated City Cost: \$1,138,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 12" water main along 14 Mile Rd. (Woodward Ave.-Cooper Ave.) and (Mankato Ave.-CN Railroad).	

CAP1910	2019 Water Main Improvements
Project Length: 2019-2020	City Share: 100%
Estimated City Cost: \$3,216,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main along Rockingham Rd. (Woodward Ave.-Kensington Dr.), Blair Ave. (Lincoln Ave.-Sixth St.), Judson Ave. (Elmwood Ave.-Cummings Ave.), and Albert Ave. (Garden Ave.-Harvard Rd.). Replace existing water main with a new 12" water main on Harrison Ave. (Main St.-Batavia Ave.), Normandy Rd. (Woodward Ave.-Normandy Ct.) and Houstonia Ave. (Woodland Ave.-Evergreen Dr.).	

CAP1935	Massoit Rd. and Nakota Rd. Water Main Improvements
Project Length: 2019	City Share: 100%
Estimated City Cost: \$406,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main along Massoit Rd. (Cresthill Ave.-Hillcrest Ave.) and Nakota Rd. (Elmhurst Ave.-Rosewold Ave.) in coordination with 2019 millage road reconstruction projects.	

CAP2010	2020 Water Main Improvements
Project Length: 2020-2021	City Share: 100%
Estimated City Cost: \$3,176,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 12" water main along Fifth St. (Knowles St.-Alexander Ave.). Replace existing water main with a new 8" water main along Farnum Ave. (Dorchester Ave.-Kenwood Ave.), Seventh St. (Troy St.-Knowles St.), Longfellow Ave. (Harrison Ave.-Lincoln Ave.), Altadena Ave. (Lincoln Ave.-Sixth St.), Rembrandt Ave. (Lincoln Ave.-Sixth St.), Vermont Ave. (Lincoln Ave.-Fifth St.), 11 Mile Rd. (Dorchester Ave.-Kenwood Ave.), Forest Ave. (Symes Ave.-Dallas Ave.) and Helene Ave. (Barrett Ave.-Dallas Ave.).	

CAP2035	N Wilson Ave. Water Main Improvements
Project Length: 2020	City Share: 100%
Estimated City Cost: \$240,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main along N Wilson Ave. (E Farnum Ave.-Forest Ave.) in coordination with the 2020 millage road reconstruction projects.	

CAP2110	2021 Water Main Improvements
Project Length: 2021-2022	City Share: 100%
Estimated City Cost: \$3,450,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main for looping along DeVillen Ave. (Ferris Ave.-Campbell Rd.), Glendale (13 Mile Rd.-Englewood Ave.), Girard Ave. (Vermont Ave.-Lauren Ct.), Parkdale Ave. (Vermont Ave.-Wilson Ave.), Houstonia Ave. (Vermont Ave.-Campbell Rd.) and Vermont Ave. (12 Mile Rd.-Girard Ave.). Replace existing water main with a new 12" water main on Crooks Rd. (Webster Rd.-Royal Ave.).	

CAP2210	2022 Water Main Improvements
Project Length: 2022-2023	City Share: 100%
Estimated City Cost: \$3,776,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main along Sixth St. (Knowles St.-Alexander Ave.), Ardmore Ave. (12 Mile Rd.-Beaver Ave.), Clifton Ave. (12 Mile Rd.-Beaver Ave.), Sycamore Ave. (Maplewood Ave.-Bonnieview Dr.), Vinsetta Blvd. (12 Mile Rd.-Crooks Rd.), Northwood Blvd. (Maplewood Ave.-Crooks Rd.), and Houstonia Ave. (Main St.-Beechwood Ave.).	

CAP2310	2023 Water Main Improvements
Project Length: 2023-2024	City Share: 100%
Estimated City Cost: \$3,550,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main along Forest Ave. (Main St.-Rosedale Ave.), Virginia Ave. (Pingree Blvd.-dead end), Alexander Ave. (13 Mile Rd.-Woodlawn Ave.), and Blair Avenue (13 Mile Road-Woodlawn Avenue). Replace existing water main with a new 12" water main along 14 Mile Road (Rochester Rd.-Campbell Rd.) and Stephenson Hwy. (Fourth St.-Gardenia Ave.).	

CAP2410	2024 Water Main Improvements
Project Length: 2024	City Share: 100%
Estimated City Cost: \$1,903,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing water main with a new 8" water main along Rosewold Ave. (Normandy Rd.-Massoit Rd.), Nakota Rd. (Hillcrest Ave.-Crooks Rd.), Arden Pl. (Grandview Rd.-Sheridan Dr.), Sheridan Dr. (Arden Pl.-Grandview Rd.), Dukeshire Hwy. (Chester Rd.-Normandy Rd.), Ravena (Woodward Ave.-Chester Rd.), Yorba Linda Blvd. (Dukeshire Hwy.-Kensington Dr.), York Rd. (Huntington Rd.-city limit), and Oakdale St. (Fourth St.-11 Mile Rd.). Replace existing water main with new 12" water main on Woodward Ave. (Buckingham Rd.-Starr Rd.), Lexington Blvd. (Marais Ave.-Washington Ave.), and Chester Rd. (Hillside Dr.-Dukeshire Hwy.).	

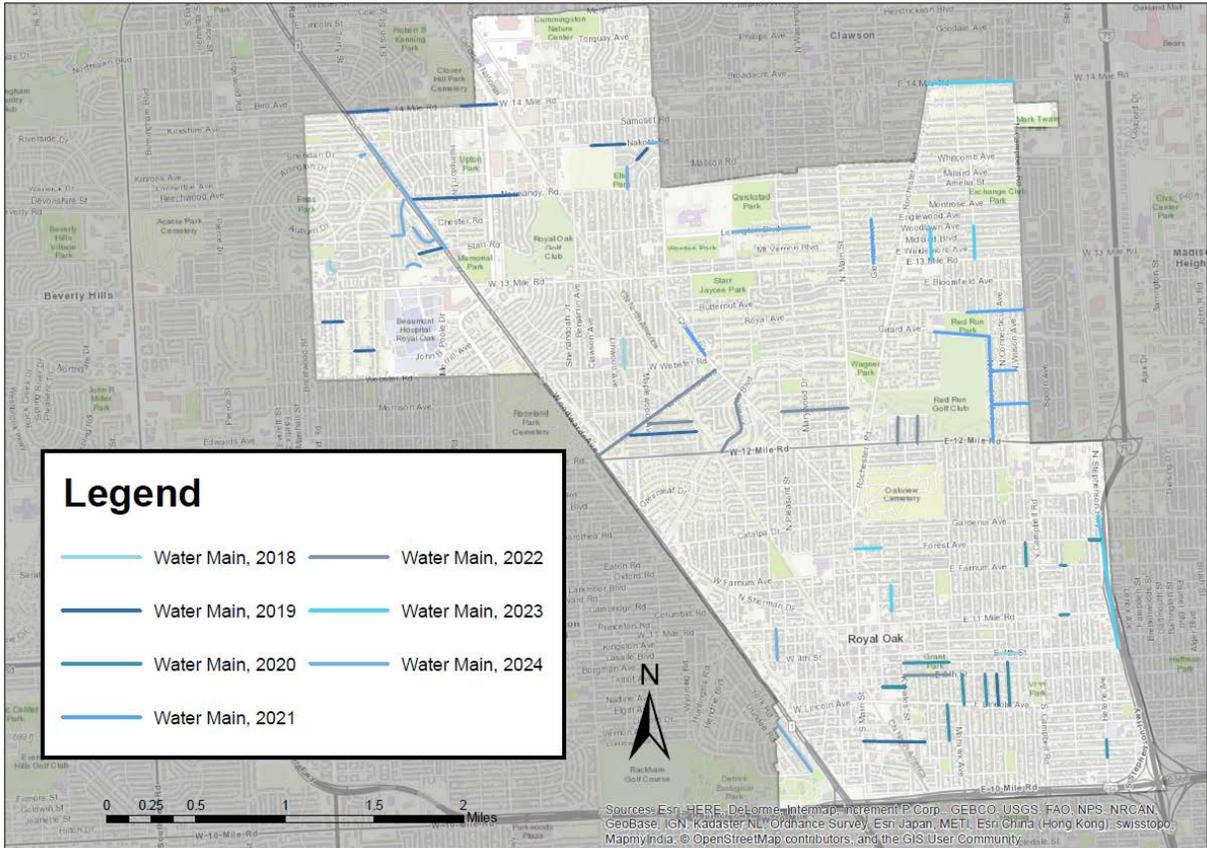

CAP2055-CAP2455	Water Main Replacement - Special Assessment Street Paving
Project Length: 2020-2024	City Share: 100%
Estimated City Cost: \$900,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Replace existing 6" water mains with new 8" water mains in coordination with special assessment roads.	

CAP1975-CAP2475	Sewer Televising and Root Control
Project Length: 2019-2024	City Share: 100%
Estimated City Cost: \$3,570,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs and general liability costs.	
Description: Sewer televising, cleaning, and invasive root removal in sewer lines city wide.	

CAP1985-CAP2485	Sewer Lining (City Wide)
Project Length: 2019-2024	City Share: 100%
Estimated City Cost: \$4,617,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Lining the sewer pipes to prevent sewer pipe failure or collapse.	

CAP1995-CAP2495	Spot Sewer Repairs (City Wide)
Project Length: 2019-2024	City Share: 100%
Estimated City Cost: \$3,424,000	Funding Source: water and sewer fund
Impact on the Operating Budget: Lower system maintenance costs.	
Description: Spot sewer repair of broken sanitary sewer of different sizes in various locations city wide.	

Capital Improvement Projects - Water & Sewer

Sidewalk Improvements

CAP1801-CAP2401	Concrete Pavement and Prepaid Sidewalk Program Improvements
Project Length: 2018-2024	City Share: 100%
Estimated City Cost: \$3,255,000	Funding Source: water and sewer fund / rates
Impact on the Operating Budget: Improve safety thus reducing liability expenses due to fewer trip and fall claims.	
Description: Concrete pavement repairs resulting from water main breaks/sewer failures, infrastructure improvements and/or residents' prepaid concrete improvements.	

CAP1902-CAP2402	Sidewalk Improvements Program
Project Length: 2019-2024	City Share: 100%
Estimated City Cost: \$5,000,000	Funding Source: proposed sidewalk millage
Impact on the Operating Budget: Improve safety thus reducing liability expenses due to fewer trip and fall claims.	
Description: Repair of residents' deficient sidewalks city-wide using millage funds from a proposed sidewalk millage.	

Local Street Improvements

CAP1911	Diverter/Berm Removal Project
Project Length: 2019-2020	City Share: 100%
Estimated City Cost: \$300,000	Funding Source: local streets fund
Impact on the Operating Budget: Unknown	
Description: Anticipated removals of berm/diverters in section 22 based on city commission direction at Irving Ave., Parent Ave., Dondero, Batavia Ave., Harrison Rd., and Hudson Ave.	

CAP1905-CAP2405	Road Millage Concrete Street Repairs
Project Length: 2019-2024	City Share: 100%
Estimated City Cost: \$7,696,000	Funding Source: local streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to local roads.	
Description: Removal and replacement of failed concrete slab sections within the local street network, as identified through the city's pavement management system and based upon field inspections. The slab replacement program will replace/patch deteriorated concrete on local streets.	

CAP1910-CAP2410	Road Work on Water / Sewer Projects
Project Length: 2019-2024	City Share: 100%
Estimated City Cost: \$2,840,000	Funding Source: local streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to local roads.	
Description: Road millage concrete street repairs in coordination with water main improvements.	

CAP1815-CAP2415	Road Millage Asphalt Street Resurfacing
Project Length: 2018-2024	City Share: 100%
Estimated City Cost: \$13,835,000	Funding Source: local streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to local roads.	
Description: Resurfacing of local roads with an asphalt top layer. This program is meant to address locations where the road is deteriorating.	

CAP1925-CAP2425	Road Millage and Major Street Joint Sealing
Project Length: 2019-2024 Estimated City Cost: \$610,000	City Share: 100% Funding Source: local streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to local roads.	
Description: Perform joint sealing maintenance on local streets for streets paved in previous year.	
CAP1835-CAP2135	Road Millage Road Reconstruction
Project Length: 2018-2021 Estimated City Cost: \$4,135,000	City Share: 100% Funding Source: local streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to local roads.	
Description: Removal and replacement of failed concrete slab sections within the local street network, as identified through the city's pavement managements system and based upon field inspections.	
CAP1955-CAP2455	Special Assessment Road Paving
Project Length: 2019-2024 Estimated City Cost: \$4,218,000	City Share: 58% Funding Source: local streets fund / special assessment
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to local roads.	
Description: Special assessment paving of unimproved local roads. The city is covering a portion of costs due to these roads going from gravel to pavement.	

Major Street Improvements

CAP1101	Surveying Services
Project Length: 2019-2024 Estimated City Cost: \$80,000	City Share: 100% Funding Source: major streets fund / local streets fund / water and sewer fund
Impact on the Operating Budget: Improve efficiency and access to information.	
Description: This program serves as a guide by providing surveying consulting services for preparing construction plans for street paving.	

CAP1401	Traffic Signal Upgrade Project
Project Length: 2019-2024 Estimated City Cost: \$1,200,000	City Share: 20% Funding Source: major streets fund / safety grant
Impact on the Operating Budget: Unknown	
Description: Improvement of city traffic signals along major road corridors.	

CAP1806	Campbell Rd. Resurfacing
Project Length: 2018-2019 Estimated City Cost: \$1,512,000	City Share: 56% Funding Source: major streets fund / federal funds
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Resurfacing and addition of bike lanes on Campbell Rd. from 10 Mile Rd. to 11 Mile Rd.	

CAP1808	N Main St. Resurfacing
Project Length: 2018-2019 Estimated City Cost: \$412,000	City Share: 35% Funding Source: major streets fund / federal funds
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Resurfacing of N Main St. from 11 Mile Rd. to Gardenia Ave.	

CAP1822	North-South Bicycle Route
Project Length: 2018-2019 Estimated City Cost: \$1,000,000	City Share: 100% Funding Source: major streets fund
Impact on the Operating Budget: Will increase road maintenance for bike lane stripping over time.	
Description: Perform a road diet on Washington Ave. (Woodward Ave.-Euclid Ave.) and on Main St. (Euclid Ave.-Chippewa Ave.). Install on-street bike lanes, signage and install pedestrian crossing islands at various locations.	

CAP1908	14 Mile Rd. Resurfacing
Project Length: 2019-2020 Estimated City Cost: \$696,000	City Share: 26% Funding Source: major streets fund / federal funds
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Resurfacing of 14 Mile Rd. from Greenfield Rd. to Crooks Rd.	

CAP1999	I-75 Widening
Project Length: 2019-2021 Estimated City Cost: \$100,000	City Share: 0.1% Funding Source: major streets fund / State of Michigan
Impact on the Operating Budget: Staffing costs for time dedicated to the MDOT project.	
Description: Staff personnel costs to review, manage, and meet minor repairs as part of the I-75 widening project by MDOT.	

CAP2007	Gardenia Ave. Reconstruction And Resurfacing
Project Length: 2020-2021 Estimated City Cost: \$1,215,000	City Share: 100% Funding Source: major streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Reconstruction of Gardenia Ave. from Main St. to Altadena Ave. and resurfacing between Altadena Ave. and Stephenson Hwy.	

CAP2008	Crooks Rd. Resurfacing
Project Length: 2020-2021 Estimated City Cost: \$716,000	City Share: 33% Funding Source: major streets fund / federal funds
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Resurfacing of Crooks Rd. from 13 Mile Rd. to 14 Mile Rd.	

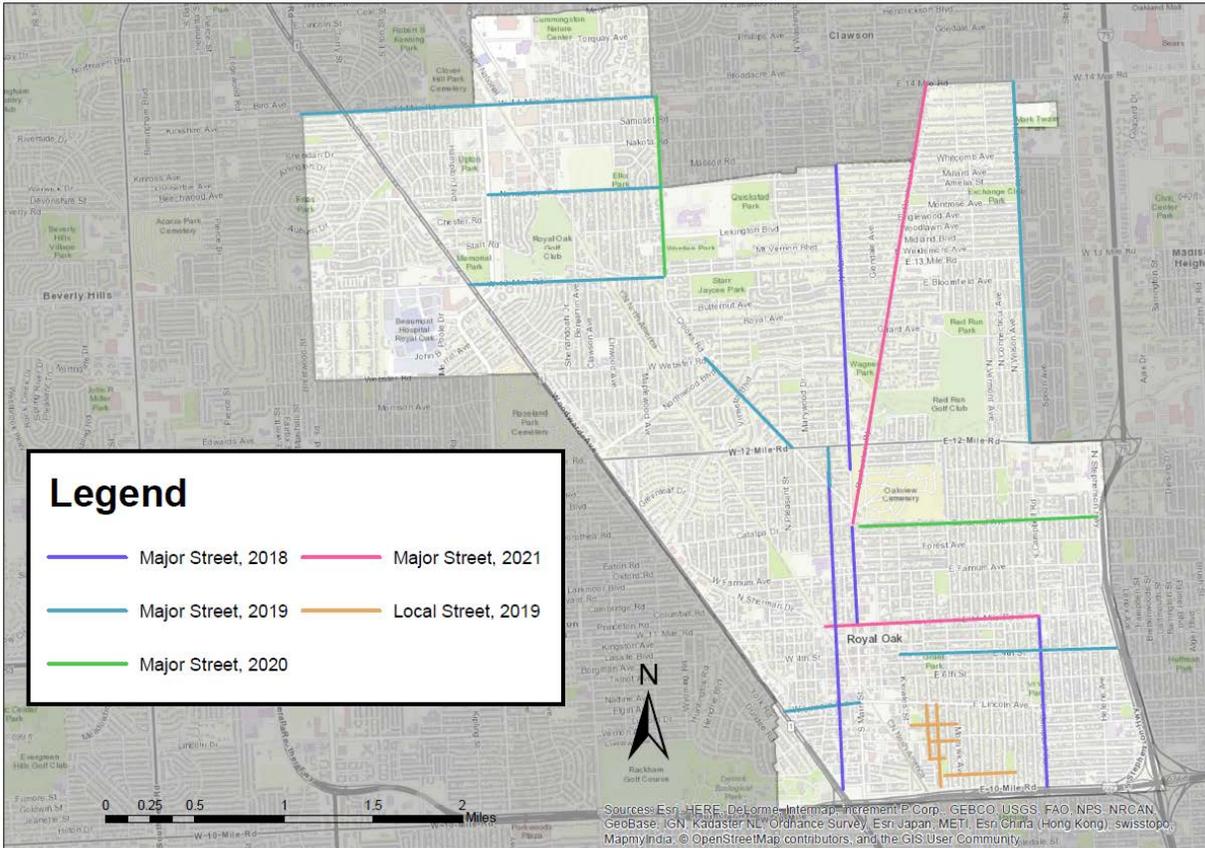

CAP2108	11 Mile Rd. Resurfacing
Project Length: 2021-2022 Estimated City Cost: \$2,400,000	City Share: 100% Funding Source: major streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Resurfacing of 11 Mile Rd. from CN Railroad to Campbell Rd.	

CAP2112	Rochester Rd. Resurfacing
Project Length: 2021-2022 Estimated City Cost: \$1,140,000	City Share: 32% Funding Source: major streets fund / federal funds
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Resurfacing of Rochester Rd. from Main St. to 14 Mile Rd.	

CAP1909-CAP2409	Major Road Improvements
Project Length: 2019-2024 Estimated City Cost: \$9,000,000	City Share: 100% Funding Source: major streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Major road resurfacing and/or reconstruction using the major road fund. Roads being considered include: Campbell Rd. curb replacements (12 Mile Rd.-14 Mile Rd.), Crooks Rd. resurfacing (12 Mile Rd.-Webster Rd.), Coolidge Hwy. concrete overlay (13 Mile Rd.-13 Mile Rd.), Fourth St. resurfacing (Knowles St.-Stephenson Hwy.), 13 Mile Rd. resurfacing (Woodward Ave.-Crooks Rd.), central business district street resurfacing, Lincoln Ave. resurfacing (Woodward Ave.-Main St.), Washington Ave. (Crooks Rd.-12 Mile Rd.), and Normandy Rd. resurfacing (Coolidge Hwy.-Crooks Rd.).	

CAP1825-CAP2525	Road Millage and Major Street Joint Sealing
Project Length: 2018-2025	City Share: 100%
Estimated City Cost: \$845,000	Funding Source: major streets fund
Impact on the Operating Budget: Will reduce road maintenance costs over time by making structural repairs to major roads.	
Description: Perform joint sealing maintenance on major streets paved in the previous year.	

Capital Improvement Projects - Major & Local Roads

Parks and Facilities

CAP1102	Parking Meters
Project Length: 2014-2024	City Share: 100%
Estimated City Cost: \$750,000	Funding Source: parking fund / fees
Impact on the Operating Budget: Lower costs for coin collection and possibly increase costs for finance department.	
Description: Replacement of the city parking meters with improved meter technology, as they are aging and becoming obsolete. Technology will provide additional methods of payment which will provide improved service to the visitors.	

CAP1811	Motor Pool HVAC
Project Length: 2019	City Share: 100%
Estimated City Cost: \$25,000	Funding Source: motor pool fund
Impact on the Operating Budget: Reduce labor and maintenance costs by \$250 and utility costs by \$500 annually.	
Description: Replacement of makeup air unit as part of maintenance of motor pool HVAC system.	

CAP1812	Center St. and Catalpa Dr. Parking Lot Wall
Project Length: 2020	City Share: 100%
Estimated City Cost: \$45,000	Funding Source: parking fund / fees
Impact on the Operating Budget: Unknown	
Description: Repair of a wall at the Center St. and Catalpa Dr. parking lot.	

CAP1818	DPS Building Roof
Project Length: 2019-2021	City Share: 100%
Estimated City Cost: \$450,000	Funding Source: motor pool fund / general fund
Impact on the Operating Budget: Reduce costs by \$2,000 annually due to lower maintenance costs and improved energy efficiency.	
Description: Replacement of the roof at the DPS building.	

CAP1824	Ice Arena Condenser Tower
Project Length: 2019 Estimated City Cost: \$70,000	City Share: 100% Funding Source: ice arena fund / fees
Impact on the Operating Budget: New condenser towers use less energy and water. The new unit will also improve the overall operation of the ice plant (compressors and pumps) over the existing unit. Newer equipment also has fewer service calls for repairs than older equipment.	
Description: A replacement condenser tower. The condenser tower is an integral part of the refrigeration system in an ice arena. The existing unit is more than 20 years old and is at the end of its useful life.	

CAP1832	Amtrak Improvements
Project Length: 2019 Estimated City Cost: \$7,000	City Share: 10% Funding Source: parking fund / fees / Amtrak
Impact on the Operating Budget: Unknown	
Description: Reconstruct handicap spaces in the Sherman Dr. parking lot, install a crosswalk through the lot, and remove and replace detectable panels on platform.	

CAP1870	Williams St. Parking Structure
Project Length: 2018-2019 Estimated City Cost: \$18,160,000	City Share: 100% Funding Source: parking fund / fees
Impact on the Operating Budget: Unknown	
Description: Construction of a city center public parking garage.	

CAPPD18	Police Department Building
Project Length: 2018-2020 Estimated City Cost: \$18,680,000	City Share: 100% Funding Source: general fund
Impact on the Operating Budget: Unknown	
Description: Construction of a new police department building.	

CAPCH18	City Hall Building
Project Length: 2018-2020 Estimated City Cost: \$12,260,000	City Share: 100% Funding Source: general fund
Impact on the Operating Budget: Unknown	
Description: Construction of a new city hall building.	

CAP1907	Animal Shelter Drive
Project Length: 2019	City Share: 100%
Estimated City Cost: \$45,000	Funding Source: unknown
Impact on the Operating Budget: Will reduce annual cold patch maintenance by \$250.	
Description: Pave the access drive to the animal shelter and DPS off of Edgar Ave.	

CAP1917	Sherman Dr. Parking Lot
Project Length: 2019	City Share: 100%
Estimated City Cost: \$125,000	Funding Source: parking fund / fees
Impact on the Operating Budget: Reduce maintenance costs by \$500 annually.	
Description: Repave the parking lot surface to reduce maintenance and liability.	

CAP1951	Center St. Garage Fire Line Renovation
Project Length: 2019	City Share: 100%
Estimated City Cost: \$20,000	Funding Source: parking fund / fees
Impact on the Operating Budget: Reduced need to rent equipment.	
Description: Replace portion of the fire line showing signs of deterioration.	

CAP1952	Farmers Market Concrete Restoration
Project Length: 2019	City Share: 100%
Estimated City Cost: \$25,000	Funding Source: farmers market fund
Impact on the Operating Budget: Reduced liability by preventing a future tripping hazard.	
Description: To repair the concrete window sills and slabs at the south end and east porch.	

CAP1953	Farmers Market Porch Enclosure/Awning
Project Length: 2019	City Share: 100%
Estimated City Cost: \$30,000	Funding Source: farmers market fund
Impact on the Operating Budget: Will provide additional rental space for vendors and rental clients. Will also help regain space lost due to new construction.	
Description: To build an enclosure around the west porch to help shield from inclement weather and replace battered sign awning off of 11 Mile Rd.	

CAP1954	Farmers Market Outdoor Heating
Project Length: 2019	City Share: 100%
Estimated City Cost: \$18,000	Funding Source: farmers market fund
Impact on the Operating Budget: Will provide additional rental space for vendors and rental clients year round.	
Description: Add heating elements to outside porch areas to add vendor selling space.	
CAP1511	Normandy Oaks Park
Project Length: 2018-2020	City Share: 100%
Estimated City Cost: \$3,000,000	Funding Source: Normandy Oaks asset sale
Impact on the Operating Budget: \$55,000 annual operating cost possibly depending on design.	
Description: Redevelopment of Normandy Oaks Golf Course into a city park with a wide range of recreational activities. Details have not been determined.	
CAP1829	Royal Oak Golf Course Improvements
Project Length: 2019-2021	City Share: 100%
Estimated City Cost: \$420,000	Funding Source: Normandy Oaks asset sale
Impact on the Operating Budget: Unknown	
Description: Install a golf cart path, clubhouse deck, and repave the parking lot at the Royal Oak golf course.	
CAPCP18	Downtown Park Development
Project Length: 2018-2019	City Share: 100%
Estimated City Cost: \$10,940,000	Funding Source: unknown
Impact on the Operating Budget: Unknown	
Description: Construction of a new downtown park where the existing city hall and police buildings are located.	

CAP1846	Tree Planting
Project Length: 2019-2021	City Share: 100%
Estimated City Cost: \$450,000	Funding Source: CDBG fund
Impact on the Operating Budget: Tree pruning by DPS employees or contractors.	
Description: CDBG funded tree planted in qualified areas of the city.	

CAP1904	Upton Park Soccer Field Development
Project Length: 2019	City Share: 100%
Estimated City Cost: \$75,000	Funding Source: general fund
Impact on the Operating Budget: Unknown	
Description: Improve open grass area at Upton Park to develop a soccer field.	

CAP1906	Worden Park Lighting Replacement
Project Length: 2019	City Share: 100%
Estimated City Cost: \$250,000	Funding Source: general fund / CDBG fund
Impact on the Operating Budget: Reduction in number of light poles will reduce lighting costs and improve field use.	
Description: New lighting to replace the entire system, reducing the number of poles and increasing lighting efficiency.	

CAP1912	Westwood and Worden East Parks Play Equipment
Project Length: 2019	City Share: 100%
Estimated City Cost: \$90,000	Funding Source: CDBG fund
Impact on the Operating Budget: Annual maintenance will decrease by \$300 per structure.	
Description: Update play equipment at Westwood and Worden East Parks. Worden East Park is heavily used by the city preschool program.	

CAP1913	Mark Twain and Elks Parks Parking Pavement
Project Length: 2019	City Share: 100%
Estimated City Cost: \$130,000	Funding Source: general fund / CDBG fund
Impact on the Operating Budget: Reduce maintenance costs by \$500 annually.	
Description: Pave two unimproved parking lots.	

CAP1914	Wendland Park Play Equipment
Project Length: 2019 Estimated City Cost: \$45,000	City Share: 100% Funding Source: general fund / grant
Impact on the Operating Budget: Annual maintenance will decrease by \$300 per structure.	
Description: Renovation of Wendland Park play equipment.	

CAP1916	Kenwood / Fulton Play Equipment Upgrades
Project Length: 2019 Estimated City Cost: \$90,000	City Share: 100% Funding Source: general fund
Impact on the Operating Budget: Operating costs decrease \$600 annually due to decreased maintenance costs.	
Description: Upgrade of play equipment at Fulton & Kenwood Parks.	

CAP1918	Memorial Park Parking Lot Repaving
Project Length: 2019 Estimated City Cost: \$125,000	City Share: 100% Funding Source: general fund / parking fund
Impact on the Operating Budget: Reduce maintenance costs due to ongoing maintenance.	
Description: Repaving of parking lot (performed last in the 1990's).	

CAP1937	Elks Park Improvements
Project Length: 2019 Estimated City Cost: \$500,000	City Share: 100% Funding Source: CDBG fund
Impact on the Operating Budget: unknown	
Description: Renovation of Elks Park play equipment.	

CAP2011	Cody Park Improvements
Project Length: 2020 Estimated City Cost: \$200,000	City Share: 100% Funding Source: CDBG fund
Impact on the Operating Budget: unknown	
Description: Renovation of Cody Park play equipment.	

CAP2111	Fernwood Park Improvements
Project Length: 2021	City Share: 100%
Estimated City Cost: \$200,000	Funding Source: CDBG fund
Impact on the Operating Budget: unknown	
Description: Renovation of Fernwood Park play equipment.	

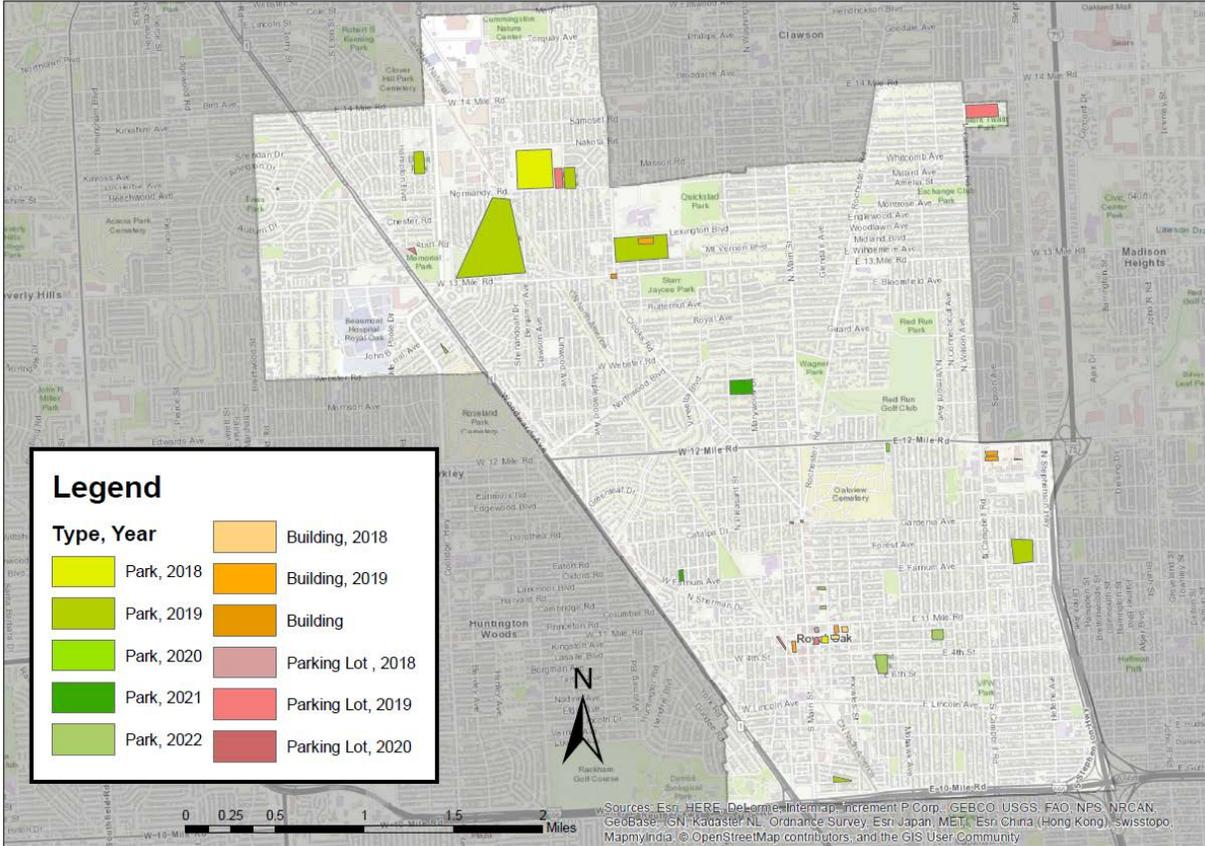

CAP2113	Waterworks Park Improvements
Project Length: 2021	City Share: 100%
Estimated City Cost: \$200,000	Funding Source: CDBG fund
Impact on the Operating Budget: unknown	
Description: Renovation of Waterworks Park play equipment.	

CAP2211	Barton Park Improvements
Project Length: 2022	City Share: 100%
Estimated City Cost: \$200,000	Funding Source: CDBG fund
Impact on the Operating Budget: unknown	
Description: Renovation of Barton Park play equipment.	

CAP2212	Grant Park Improvements
Project Length: 2022	City Share: 100%
Estimated City Cost: \$200,000	Funding Source: CDBG fund
Impact on the Operating Budget: unknown	
Description: Renovation of Grant Park play equipment.	

CAP2213	Marks Park Improvements
Project Length: 2022	City Share: 100%
Estimated City Cost: \$200,000	Funding Source: CDBG fund
Impact on the Operating Budget: unknown	
Description: Renovation of Marks Park play equipment.	

Capital Improvement Projects - Parks and Facilities

CAP1302	GIS Integration
Project Length: 2013-2024 Estimated City Cost: \$555,000	City Share: 100% Funding Source: IT fund / retained earnings
<p>Impact on the Operating Budget: Costs will increase due to license renewals. Reporting capabilities could potentially save time and assist with decision making processes.</p> <p>Description: Consulting services to integrate geographical information systems (GIS) applications and development into planning, fire, clerk, and engineering and various departments and Oakland County CAMS. This program is ongoing.</p>	

CAP1403	Mobile Workforce
Project Length: 2014-2024 Estimated City Cost: \$144,000	City Share: 100% Funding Source: IT fund / retained earnings
<p>Impact on the Operating Budget: Costs are anticipated to remain consistent, until more extensive service levels are required to keep older equipment operational.</p> <p>Description: This project would address the aging laptop computers for remote and mobile workforce equipment. Consideration and utilization of other electronic devices similar to PDA/smart phones and iPads can be addressed. Accessibility of wireless access points to be implemented. This is an ongoing program.</p>	

CAP1726	Disaster Recovery Solution
Project Length: 2017-2024 Estimated City Cost: \$725,000	City Share: 100% Funding Source: IT fund / retained earnings
<p>Impact on the Operating Budget: There will be ongoing operating expenses to provide data and telephony redundancy as well as rental costs for an offsite recovery location.</p> <p>Description: Implement a disaster recovery solution to ensure city technology and systems can be quickly recovered in case of a disaster. This could include rental costs for a recovery location, hardware, and cloud computing.</p>	

Vehicles, Equipment, Large Studies, and Others

CAP1623	Motor Pool Vehicle Replacement Plan	
Project Length: 2019-2024	City Share: 100%	
Estimated City Cost: \$10,956,000	Funding Source: motor pool fund / user charges	
Impact on the Operating Budget: Lower maintenance costs		
Description: Vehicle replacement plan for fiscal years 2018-19 to 2023-24; Plan is modified due to operational review modifications and year 2024 is being added to maintain six-year period. Detailed schedules begin on the next page.

CAP1961	Aerial Lift
Project Length: 2019 Estimated City Cost: \$13,000	City Share: 100% Funding Source: motor pool fund / user charges
Impact on the Operating Budget: Savings by reducing the need to rent equipment. Estimated at \$225 per day, ten to 15 days per year.	
Description: Aerial lift for light maintenance at the Salter Center, ice arena, farmers market, library, and parking garages.	

CAP1962	Brine Tank
Project Length: 2019 Estimated City Cost: \$100,000	City Share: 100% Funding Source: motor pool fund / user charges
Impact on the Operating Budget: Reduce salt usage by \$2,500 annually.	
Description: Expansion of brine making capability. As more plow trucks have had brine tanks added, the current storage and production capability has been exceeded. This improves the efficiency of snow operations.	

CAP1963	Leaf / Snow Claw
Project Length: 2019 Estimated City Cost: \$12,000	City Share: 100% Funding Source: motor pool fund / user charges
Impact on the Operating Budget: Increased service due to reduced downtime when repairs are occurring.	
Description: Purchase an additional claw for leaf/snow removal. This would provide a third claw to rotate into service when the other claw is down for repairs, allowing operations to continue.	

CAP1964	Paint Machine
Project Length: 2019 Estimated City Cost: \$10,000	City Share: 100% Funding Source: motor pool fund / user charges
Impact on the Operating Budget: Reduced maintenance and down time for street painting crew.	
Description: Replacement paint machine for street marking as current machine has reached end of life after 15 plus years.	

CAP1965	Fire Department Turnout Gear
Project Length: 2019 Estimated City Cost: \$80,000	City Share: 100% Funding Source: public safety fund
Impact on the Operating Budget: unknown Description: Replace 33 units of unserviceable turnout gear to provide proper safety for firefighting.	

CAP1966	EKG Monitor Replacement
Project Length: 2019 Estimated City Cost: \$70,000	City Share: 100% Funding Source: public safety fund
Impact on the Operating Budget: unknown Description: Replace two EKG monitors as some are presently defective and for uniformity of gear.	

CAP1967	Fire Department Radio Replacement
Project Length: 2019 Estimated City Cost: \$35,000	City Share: 100% Funding Source: public safety fund
Impact on the Operating Budget: unknown Description: Replace ten old and failed radios.	

Projects Under Review

Projects under review are projects that may be deemed as worthy and viable; however, they are not included as part of the active 2019-2024 Capital Improvement Plan as additional research or review is ongoing. Projects under review may require additional information, studies or city commission policies to be in place before more accurate timelines and/or funding levels can be identified. It is possible that projects under review may not fall under the city’s jurisdiction and will require other agencies to move the project forward; while some projects may not fall within the 2019-2024 timeframe.

Fire Station #1 and #2 Construction/Strategic Relocation	
Project Length: N/A	City Share: 100%
Estimated City Cost: \$12,000,000	Funding Source: public safety fund / sale of stations
Impact on the Operating Budget: Unknown	
Description: Strategically relocate two fire stations, eliminating the three current stations. Position one fire station near Gardenia Ave. & Main St. and the other station near 13 Mile Rd. and Crooks Rd.

Enterprise Funds

Enterprise funds are established to finance and account for the acquisition, operation and maintenance of governmental facilities and services that are entirely or predominantly self-supporting by user charges; or where the governing body has decided periodic determination of revenue earned, expenses incurred and/or net income is appropriate.

Arts, Beats, and Eats Fund – 506

Farmers Market Fund - 551

Recreation Fund - 508

Water & Sewer Funds – 592

Auto Parking Fund - 516

Ice Arena Fund – 598

The purpose of the Arts, Beats & Eats cost center is to account for the city's personnel, contracted and supply costs of the festival. Personnel costs consist of police, fire and DPS employees.

was formerly held in downtown Pontiac.

Over one-quarter of a million visitors are expected to enjoy the 150 musical acts, 150 fine artists, and nearly 50 restaurants at this year's event.

Arts, Beats & Eats is held in downtown Royal Oak over the Labor Day weekend. The event

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Parking revenues are decreasing relative to fiscal year 2017-18 original budget due to fewer public parking lots available due to several development projects. Revenues are increasing slightly relative to the 2017-18 actual as the Second St. garage will be completed and available in fiscal year 2018-19. The future years' estimated budgets utilize a small portion of fund balance. However this projection is very uncertain due to the nature of this fund.

Budget Summary

	2017-2018	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023

2022-2023 Projected Budget	67,460	163,980	0	75,050	0	306,490

The mission of the recreation department is to provide residents a variety of year-round recreation opportunities that are responsive to their needs, are enjoyable to their families and contribute to their physical and mental well-being.

The department is challenged to provide excellent leisure programs that stimulate the bodies and minds of the city residents and business persons of all ages, including toddlers, youth, adults, and seniors.

The recreation staff is responsible for marketing, registration, equipment, supplies, facilities, budget and evaluation. All other staffing is part-time and/or contract personnel.

Programs are operated in the city's two community centers and throughout our 50 parks and playgrounds. Separately, the ice arena and senior citizen services programs are two companion activities that operate from their own individual funds.

Working with all city departments, the superintendent also produces the city's quarterly newsletter "The Insight".

The school district of the City of Royal Oak and the City of Royal Oak joined in the creation of a parks and recreation department in accordance with the provisions of Section 3 of Act 156, Public Acts for 1917.

Recreation is guided with the assistance of the parks and recreation advisory board to formulate an annual recreation program. The department of recreation and public service sponsor games, contests, exhibitions and other recreational events, and charges admission to any such events when deemed necessary and advisable in order to defray the expenses of the recreational program. In connection with all such events, the department rents concessions for the accommodation of patrons of such events.

The major responsibility of the recreation department is to offer a variety of leisure programs for toddlers, youth, adults, and

seniors. The superintendent of recreation is the liaison between the city and school district for the implementation of the in-kind service agreement as it relates to recreational facility usage. The department also works with and oversees the contracts between the City of Royal Oak and Suburban Management Group at the Lindell Ice Arena, Royal Oak Golf Course, Royal Oak Golf Center, Grand Slam Batting Cages and Total Soccer.

Infant and Toddlers: Our Four Seasons Preschool is a state licensed preschool program; children participate in a 33-week curriculum at the Senior Community Center. Recently the department began to offer a seven-week summer program for returning and new students. (79 participants)

Youth Sports and Enrichment: Children can sign up for a 30 week dance program, sport camps, t-ball, golf, basketball, soccer and tennis. Recently we have added art classes, young engineers and story time with crafts. (909 participants)

Summer Day Camp: A nine-week, 50-hour camp. Children participate in sports, arts and crafts, swimming, special events and field trips. The camp will be held at Royal Oak High School with a camper to counselor ratio of one to ten. (430 participants)

Adult Sports Leagues/Programs: Softball 102 teams, women's soccer 10 teams, volleyball 36 teams. Pickle ball 3700 and tennis 105. (est. 3145 participants)

Adult Enrichment: Programs include tai-chi, yoga, ballroom dance. In 2016, the department began offering cooking classes; Ravioli's, Cannoli's, Pierogies. (est. 450 participants)

Adult Fitness: Classes include aerobics, kickboxing, pilates, abs, glutes, and thighs. (1152 participants)

Cultural Events: The 48th Annual Royal Oak Art Fair will be held July 7 and 8 at Memorial Park. One hundred artists from all over the

United States participate in this annual event.

In 2018, the City of Royal Oak is considered the pickleball mecca of Michigan with 21 newer pickleball courts; eight at Whittier Park, seven at Upton Park and six indoor courts at the Salter Community Center. The department will continue to offer the adopt-a-park program that offer a private-public partnership with residents, community organizations, and businesses. The goal is to improve our parks system through beautification projects and donations for trees, benches and park supplies.

The recreation department works with community youth athletic organizations to coordinate hundreds of games, practices and the maintenance schedules for all soccer fields (18 fields spring and fall), baseball (20), softball (12), and a football field. Coordinates all pavilion rentals at Memorial, VFW and Starr/J.C. parks.

The recreation department oversees the contracts and works with the staff of the following recreational entities in the City of Royal Oak: Royal Oak Golf Courses, Royal Oak Golf Center, the Grand Slam Batting Training Center, Suburban Ice Management at the Lindell Ice Arena and Total Soccer.

GOALS

1. Enhance the quality of life for residents by offering desirable leisure and social activities.
2. Make the execution of the parks & recreation master plan a top priority.
3. Community – to preserve neighborhoods by encouraging community involvement and family activities.

OBJECTIVES

- Complete phase one of Normandy Oaks Park.^{GOAL3}
- Continue to revamp city parks yearly and implement the five-year master plan.^{GOAL3}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Cultural events revenues are decreasing \$5,000 relative to the fiscal year 2017-18 original budget due to fewer artists participating due to increased private competition. Youth sports revenue is decreasing \$1,000 relative to the fiscal year 2017-18 original budget due to cancelling karate classes for low participation. Advertising revenues are decreasing \$1,400 due to fewer businesses buying ads. Adult sports league revenues are increasing due to increased fees and adding kickball leagues. Adult fitness revenues are decreasing \$5,000 relative to the fiscal year 2017-18 original budget due to less participation due to private competition.

Program supplies are decreasing \$2,000 relative to the fiscal year 2017-18 original budget due to lower participation. Contracted worker services are decreasing \$10,000 relative to the fiscal year 2017-18 original budget due to lower participation as it is based on a percentage of revenues.

The future years' estimated use of fund balance is significant however depreciation expense exceeds use of fund balance annually therefore available cash is estimated to be sufficient if revenues/expenses projections are somewhat accurate.

The mission of the auto parking fund is to provide ample auto parking opportunity in the business and entertainment areas to support the demands.

The auto parking system builds and maintains the on and off street paid parking throughout the business area of the city, primarily in the central business district. The system's goal is to provide ample auto parking to encourage development. Parking must be easily accessible to our wide range of commercial establishments like offices, retail business, restaurants and entertainment venues from morning to night. This enterprise fund charges parking fees in order to be self-supporting.

The city commission decides rates and the number of parking spots to allow based on

recommendations from the Downtown Development Authority. There are approximately 3500 spaces managed overall: The city utilizes a private contractor to operate the parking garages in an effort to improve service and reduce costs.

Parking rates were increased in late 2010 and multi-rate meters were installed. Spaces are metered on the street and in lots, and metered or attended in parking decks. Monthly pass rates were increased in March 2018. Drivers are able to pay rates based on time spent or purchase monthly permits from the treasurer.

Operations have two divisions: parking operations and enforcement.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The new parking deck opened at Center St. and Second St. Revenue will be impacted by the loss of some surface lots during the Royal Oak Civic Center project construction period. This loss will be offset in future years by the new 11 Mile parking structure. The transfer in from the DDA TIFA fund is budgeted at \$580,790 to cover 50% of the Center St. debt payment. A \$16.5 million revenue bond will be issued in late fiscal year 2017-18 for the construction of the new 11 Mile parking structure.

The mission of the parking enforcement division is to encourage auto parking opportunity in the central business district by enforcing parking regulations.

In the parking fund, the police department budgets for its parking enforcement

division of 12 parking enforcement officers. These employees write tickets for expired meters and other parking violations.

In the general fund, the district court adjudicates the violations and collects the fines.

GOALS

1. Encourage compliance with all parking regulations to continue to enforce parking regulations.

OBJECTIVES

	<u>Actual 2015</u>	<u>Actual 2016</u>	<u>Actual 2017</u>	<u>Projected 2018</u>	<u>Projected 2019</u>	<u>Projected 2020</u>
Violations Issued	86,955	75,627	67,537	70,000	70,000	70,000

Note: Performance indicators are reported on a calendar year basis as opposed to a fiscal year

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Part-time wages are increasing due to filling additional parking enforcement officer positions. Uniforms are increasing \$2,500 for newer employees. Miscellaneous operating supplies are decreasing \$88,000 due to purchasing handheld devices and software in fiscal year 2017-18. Equipment repair and maintenance is decreasing \$11,000 relative to the fiscal year 2017-18 original budget as the handheld devices included a warranty so less will be spent on maintenance in the few years after the purchase.

The mission of the parking operation cost center is to create and maintain auto parking spaces and meters and to collect the fees paid.

spaces and collects parking fees. DPS employs three full-time staff and various part-time staff. A parking contractor operates the three parking decks.

The department of public services (DPS) parking division builds and maintains all

GOALS

1. To insure that all meters are properly operating.
2. To promote the use of parking garages.
3. To integrate new parking technology where it makes business sense.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Building repairs and maintenance includes \$16,000 for surface coating and tuck pointing at the Fourth St. garage and \$13,000 for concrete repairs at the Center St. Garage. \$30,000 is budgeted for parking meter parts, a \$35,000 decrease relative to the fiscal year 2017-18 original budget based on historical actuals. Coin counting services are increasing \$1,300 relative to the fiscal year 2017-18 original budget due to an increase in the price of armored car service. Contracted services are budgeted to increase \$13,000 relative to the fiscal year 17-18 projection due to an escalator in the parking management contract. Miscellaneous operating supplies is increasing \$15,000 to purchase two charging stations, lease two charging stations, and the installation. Equipment repairs includes \$45,000 for wall repairs at the Center St. and Catalpa Dr. parking lot. Bank fees are increasing \$60,000 relative to the fiscal year 2017-18 original budget based on the cost of credit card fees. \$40,000 is budgeted for pay stations at the Etkin parking lot and \$25,000 is budgeted for parking meter replacement.

The mission of the auto parking construction cost center is to track and fund parking

projects included in the capital improvement plan.

GOALS

OBJECTIVES

1. Maintain a long term auto parking program that maximizes funds to extend and enhance the life of the city’s parking system.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The following capital project for this fund for fiscal year 2018-19 is as follows (deviates from CIP):

Approximately \$2 million of cash balance will be used for the construction of the 11 Mile parking structure.

- 11 Mile / ROCC parking structure construction 18,500,000
 - Four charging stations 30,000
- FY2018-19 Total: \$18,530,000

The mission of the Royal Oak Farmers Market is to provide an excellent and economical facility providing a sustainable place to attract local merchants, shoppers, public and private rental events and showcase the Royal Oak downtown.

The Royal Oak Farmers Market sells locally grown produce and wares in a family oriented venue. The farmers market is located in the civic center at the corner of 11 Mile Rd. and Troy St., across from the library and adjacent to the 44th District Court.

The farmers market is one of southeast Michigan's premium farm market venues. Farm producers sell on Friday during the farm season (May through Christmas) and Saturday all year round. During growing season farmers are only allowed to sell what they grow.

Residents of the City of Royal Oak and surrounding communities are attracted downtown to a first class venue with ample parking. Beside its well-rounded farmers market, offering the best of the state's harvest, the building hosts a weekly, highly rated, long running antiques and collectibles show, every Sunday all year round.

The enclosed building provides a great gathering place, in any weather conditions, for large group events such as the Memorial Day pancake breakfast and the city's holiday tree lighting ceremony.

Designed to make a profit (meaning generating enough revenue to exceed expenses to be self-sustaining), the market uses an enterprise fund with one cost center named market operations. Funds necessary to operate the farmers market are derived solely from revenues collected. Operation of the market does not put any burden on the general fund.

The farmers market is run by a contracted market management company, under direction of the director of recreation and public services.

Its operating costs include limited DPS personnel cost, depreciation for the building and equipment, advertising, general administration, utilities, supplies, repairs and maintenance.

Greater rental availability has generated additional funds that allow continued updates to the building. A concessionaire leases the kitchen, eliminating the concession cost center.

GOALS

1. Provide an exciting center piece for local economic activity.
2. Fully integrate with city planning to create a facility reflecting the needs and interests of the community.
3. Support community based events.
4. Create and encourage special events to include local participants of all ages.

OBJECTIVES

- In 2018-19 the Royal Oak Farmers Market is restructuring the internal vendor layout to maximize space. This will allow more farmers/vendors to participate, to enhance the overall shopping experience.^{GOAL1}
- Implement new steps to help shoppers and attendees with parking and loading issues during the new downtown civic center construction.^{GOAL2}

Average Sunday Antique Market	95%	98%	98%	100%	100%	100%

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The Royal Oak Civic Center project has the potential to impact market operations during the coming fiscal year however the impact is uncertain. The budget was prepared as if there will not be an impact on operations.

Annual rental-producers revenue is increasing \$5,000 relative to the fiscal year 2017-18 original budget due to an increase in the number of vendors. Special events revenue is increasing \$8,000 relative to the fiscal year 2017-18 original budget due to additional events anticipated. Flea market revenue is increasing \$3,000 relative to the fiscal year 2017-18 projection due to days that were lost due to the Christmas holiday being on the weekend in 2017-18. Facility rentals are increasing \$20,000 relative to the fiscal year 2017-18 original budget due to increased demand for outside events demonstrated. Contracted worker services are increasing \$30,000 relative to the fiscal year 2017-18 original budget due to an increase in labor costs based on an increased number of facility rentals. Lighting supplies are decreasing \$1,500 relative to the fiscal year 2017-18 projection due to one-time expense to change out lighting. Heating and cooling repairs are decreasing \$1,900 relative to the fiscal year 2017-18 projection due to recent furnace repairs. Advertising costs are increasing \$1,000 due to using additional social media advertising.

Depreciation expense is approximately \$73,000 and when combined with the capital budget the operating revenue and expenses are equal. The future years' estimates do not include any capital improvements.

The following capital improvement project(s) are budgeted for the farmer's market for fiscal year 2018-19:

• West porch enclosure / 11 Mile awning	30,000
• Outside heating elements	18,000
FY2018-19 Total:	\$48,000

The mission of the water & sewer function is to provide the City of Royal Oak residents and businesses with water supply and sewage disposal services that support a high quality of life.

The City of Royal Oak purchases water from the Southeastern Oakland County Water Authority (SOCWA) and pays the Oakland County Water Resources Commission for the treatment of sewage. Both in turn, contract with the Great Lakes Water Authority (GLWA) which first provides treated water from the Great Lakes and later treats our sewerage before returning it downstream.

The water and sewer fund uses seven cost centers to categorize its activities: engineering, administration, water billing, water maintenance, meter services, sewer maintenance and construction.

Revenues for these operations are generated based on the amount of water used by Royal Oak’s residential and commercial customers.

Most revenue is generated through two-tiered user charges. The water commodity rate is budgeted to increase 2 percent based upon passing along a 2.55 percent increase from SOCWA for water. The sewer commodity rate is budgeted to decrease 14.6 percent based upon the net effect of a 1.6 percent increase from Oakland County Water Resources Commission for sewage disposal and the increased revenue generated from the new drain debt levy of 1.1360 mills. Flat rate billing is budgeted to remain constant at \$11.25 per quarter for the purpose of recouping the city’s water billing costs.

Budget Summary

The mission of the engineering cost center of the water & sewer fund is to provide for general water and sewer engineering services that are related to projects.

The engineering department evaluates problem sewers throughout the year then coordinates major replacements for those

sewers where failures are threatened or occurring, or where street repairs are planned. These costs usually are charged to specific projects and capitalized. Any non-project costs for engineering services are charged here. This would include attending meetings that are not project specific.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Transfers out to capital projects fund is decreasing to zero as transfers for most capital funds are phasing out and will be accounted for in this fund's construction cost center instead.

GOALS

1. Develop a sustainable plan to maintain and enhance Royal Oak's infrastructure including water/sewer and roads.
2. Ramp up the expenditure on water main improvements to complete the CIP public water system master plan improvements by 2020.

The function of the administration cost center of the water & sewer fund is to pay all administrative costs including debt service and purchases of potable water.

The director of public services is responsible for the overall direction of this fund. The administration budget pays a portion of personnel services for the DPS director and the front office staff, purchased water, debt service and related administrative expenses.

Potable water is our largest single water expense. The city is a member of

S.O.C.W.A., the Southeast Oakland County Water Authority. SOCWA is the regional intergovernmental agency that transports clean water from the Detroit Water and Sewerage Department system to its member cities.

Debt service is a large component of the budget. Depreciation expense must provide sufficient cash flow to pay debt principal. Other costs include general administration, information service, insurance and auditing cost.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The water and sewage commodity rates are budgeted to decrease 14 percent due to the new drain millage a source of revenue for the chapter 20 drain debt rather than sewage disposal fees. Flat rate billing is budgeted to remain constant at \$11.25 for the purpose of recouping the city's water billing costs. SOCWA is increasing water commodity rates by 2.55 percent. Depreciation is budgeted to increase slightly due to amortizing completed capital projects.

The mission of the water billing cost center in the water and sewer fund is to provide quality customer service along with efficient billing and collection services.

The water billing function is housed in the treasury department in city hall. This assists customers when they personally pay bills, by keeping the collection point in one place.

Billing staff solve water and sewer problems for customers by answering their questions and taking customer requests for service. They work daily with the department of public works (DPS) staff at the public service building to resolve these issues.

The treasury billing staff is the primary answer point to deal with setting up new accounts; meter reading, billing and collecting process; setting up “final” meter reads and preparing courtesy bills; and investigating water leaks and basement backups.

Utility accounts are billed four times annually. There are 13 billing cycles and 1,500 to 2,000 bills are mailed out weekly. Payment on bills is typically due on Monday; three weeks after the bills are mailed.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Years 2018-19:

Personnel costs are increasing due to a vacancy in fiscal year 2017-18 as well as the net effect of adding a full-time municipal clerk I and eliminating all part-time hours. The municipal clerk III position was changed to a utility billing specialist in late fiscal year 2017-18. Miscellaneous contracted services are increasing \$2,000 relative to the fiscal year 2017-18 original budget to including monthly shredding services and BS&A utility programming work. Printing expenses are decreasing \$4,000 relative to the fiscal year 2017-18 original budget based on actual activity. Postage expenses are increasing \$1,000 due to outsourcing delinquent mailings that were formerly done in house.

The mission of the water maintenance division of the water and sewer fund is to provide a clean, constant supply of water to homes and businesses, and to provide a sufficient pressure supply of water for fire protection.

The water service division of the department of public services has three full-time employees and one supervisor, who oversee both the water service, water maintenance and sewer activities.

The water maintenance activity is responsible for the maintenance of approximately 200 miles of water main throughout the community. There are many water conveyances it must maintain.

Water mains are the pressurized pipes that transmit water to the user. They are made of several materials, the most common being cast iron. They are subject to leaks and breaks due to stress, corrosion, and changes in water pressure because of seasonal demand. These breaks and leaks have to be pinpointed, dug up, and repaired. A new material, ductile iron, shows great promise in eliminating such problems.

Valves (or gates) are strategically located in various points throughout the transmission system. Usually spaced one or two blocks apart, they are used to isolate certain areas for repair or construction. These are subject to corrosion of bolts and packing, and must be periodically dug up and repaired.

Water services are the private lines that supply water from the city's water main to a house or business. Service lines also are made of different materials with copper being far superior. Copper services require little, if any, maintenance. Galvanized iron services eventually rust out and must be replaced. Services made of lead are a health hazard and should be replaced.

Royal Oak has over 1,400 hydrants of different ages and brands located strategically throughout the city. These suffer from vandalism, automobile accidents, and aging and must be repaired or dug up and replaced. The fire department also monitors their condition; malfunctions they find are reported to water maintenance division.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Personnel costs are increasing due to an increased work load and due to having all positions filled. Sand, gravel, and slag cost is increasing \$1,000 relative to the fiscal year 2017-18 original budget to an increase in price and work load. Clamps and couplings cost will increase \$3,000 relative to the fiscal year 2017-18 projection as this cost is cyclical and inventory will need to be restocked in fiscal year 2018-19. Equipment repairs are increasing \$1,000 relative to the fiscal year 2017-18 projection as no problems occurred and spending was less than expected. Training is increasing \$1,500 relative to the fiscal year 2017-18 projection for supervisor training and for continuing education credits. A \$54,000 transfer out to the grants fund is budgeted for the city's matching portion of the rain garden project. Motor pool charges are increasing based on estimated usage and rates.

The mission of the water service division of the water & sewer fund is to maintain the water connection and meters between the customer and the system to insure safety and fairness for both.

The water service division of the department of public services oversees the water service, water maintenance and sewer divisions.

There are approximately 24,100 water meters within the Royal Oak water system for which this division is responsible.

The water service division is responsible for reading of water meters for billing, performing investigations on high water bills,

24-hour emergency call-out for leaking water meters, installing new water meters, investigating possible water service leaks, cross connection inspections.

The water service division also has a meter testing and replacement program. The division is presently in the process of installing the radio reading devices where possible. There is no additional direct cost to the homeowner for the installation of these meters.

The water service division is also presently converting older style remote readers over to a newer type.

GOALS

1. Maintain meters that are up to date to keep billing rates low.
2. Proactively locate potential water leaks to minimize loss and/or large customer bills.
3. Locate and eliminate cross connections to the system to protect all users.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Tools and hardware costs are increasing \$1,500 relative to the fiscal year 2017-18 budget as fewer tools were needed than anticipated in fiscal year 2017-18. Water meter and meter parts are increasing \$30,000 due to increasing construction requiring new meters. Contracted services are increasing \$5,000 relative to the fiscal year 2017-18 projection as the contractor that installs large meters will have to be bid out and an increase is expected. Equipment repairs are increasing \$2,000 relative to the fiscal year 2017-18 projection as there were no equipment problems in fiscal year 2017-18 so spending was less than anticipated.

The mission of the sewer maintenance cost center of the water & sewer fund is to keep sewer lines in top repair to minimize basement water conditions, and to respond quickly to calls for service if backups do occur.

The sewer maintenance division of the department of public service is responsible for the maintenance of approximately 300 miles of sewers throughout the City of Royal Oak. The city has a combined sanitary and storm system.

Over 85 percent of the amounts budgeted here are for contractual sewage disposal charges from the Oakland County Water Resources Commissioner. Our sewage passes through the George W. Kuhn Sewage Disposal System (GWKSDS). Next it gets transported by the City of Detroit system then treated and returned to the Great Lakes system. The other 15 percent of costs are local costs.

Sanitary sewer cleaning is designed to clean all sanitary sewers within the city by sewer jetting and eliminating most of the sewer back-up problems in the city's lines.

The city provides a 24 hours a day, seven days a week, response to any basement water calls.

Maintenance and normal repairs are scheduled starting in the spring on catch basins, manholes and any sewer lines that have had problems. This work continues as long as weather permits. During the winter, the sewer personnel clean the tops of catch basins and inspect all of the sewer structures for repair. From this program, a repair list is made up for the construction repair season.

During severe snow storms the sewer division supports the highway division with equipment and manpower for the plowing of city streets. Also, during the winter months, the sewer division uses a power-rodding machine to rod or clean city sewer lines that have root growth problems. This power rod is in operation until our construction season begins.

The sewer division also handles all Miss Dig requests. This is a program set up by all utilities for the staking of utility lines before any digging occurs. This division stakes or paints all City of Royal Oak sewer mains and laterals, water mains, sewer service tie-in locations, and water curb shut-offs.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Tools and hardware are decreasing \$3,000 relative to the fiscal year 2017-18 projection due to large tools being replaced in fiscal year 2017-18. Sand, gravel and slag costs are increasing \$2,000 relative to the fiscal year 2017-18 projection due to an increased work load. Concrete supplies are increasing \$2,000 relative to the fiscal year 2017-18 original budget due to increased work load. Hauling services are increasing \$2,000 relative to the 2017-18 original budget due to increased need. Sewage disposal services are increasing 1.6% based on estimates from the drain commission. \$100,000 is budgeted for sewer fog treatment and \$640,000 is budgeted for sewer televising and root control work. Motor pool charges are decreasing based on estimated usage and rates.

The mission of the water and sewer construction cost center is to track and fund water and sewer related projects.

GOALS

OBJECTIVES

1. Develop a sustainable plan to maintain and enhance Royal Oak’s infrastructure including water/sewer and roads.
2. Ramp up the expenditure on water main improvements to complete the CIP public water system master plan improvements by 2020.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The following capital improvement projects for FY2018-19 are as follows:

• CAP1720 rain gardens	\$41,000
• CAP1736 green infrastructure study	5,000
• CAP1835 Woodland Ave. water main improvements	469,000
• CAP1908 14 Mile Rd. water main improvements	569,000
• CAP1910 2019 water main improvements	1,608,000
• CAP1935 Massoit Rd. water main improvements	406,000
• CAP1985 sewer lining	772,000
• CAP1995 spot sewer repairs	486,000
FY2018-19 Total:	\$4,356,000

The mission of the ice arena is to provide to both resident and regional skaters of all ages outstanding recreation programs on ice that are financially self-supporting.

A full menu of programs for ice skating and hockey are provided at the John Lindell Ice Arena. Skaters can enjoy open skating times, drop-in hockey, and freestyle sessions.

Whether you are a beginner looking for open public skating or an advanced figure skater or hockey player, programs are available for all ages. Programs are offered all year long.

A skating instructor might be a current Olympic-class athlete or coach because of the strength of skating training the Metro Detroit region.

The annual ice show is a crowd pleaser, providing friends and families a chance to see young skaters show off their skill.

Lindell Arena is the home arena for many teams and clubs: Royal Oak Hockey Club, Eagles Travel Hockey, New Edge Figure Skating Club, Royal Oak High School Figure Skating Club, Royal Oak Ravens High School Hockey, Shrine Knights High School Hockey, Far Flyers Hockey Team, TOT² Women's Hockey Team Division Five, TOT Women's Hockey Team Division Six, Detroit Women's Hockey League, Royal Oak Senior Hockey League.

Program offerings include:

Open public skating: times are available daily throughout the year for skaters of all ages.

Learn to skate program: the learn to skate program offers a wide range of classes to suit everyone's needs from ages three to adult. The program is a place to learn basic skating skills and is a stepping-stone for hockey as

well as freestyle, synchronized, and recreational skating.

Freestyle program: skaters must be members of the New Edge Figure Skating Club or a USFS member. Sessions are limited to the first 24 skaters signed in and paid.

Drop-in hockey: players are required to be at least 18 years of age and wear full equipment with a helmet.

High school varsity hockey: home to two varsity hockey programs, Royal Oak High School Ravens and Shrine Catholic High School Knights. Both are pay-to-play programs.

Royal Oak adult hockey league: the fall/winter league has 32 teams in three divisions and spring/ summer league has 30 teams in three divisions.

Tournaments: The ice arena hosts multiple tournaments each year. Two Computware-Honeybaked AAA tournaments are hosted in September and October, The Warrior AAA tournament is in mid-October, The Bauer World Invite Girls Tier I tournament is in mid-November, and a Selects Hockey Tier II boy's tournament is held over Thanksgiving weekend.

Ice show: the annual ice show showcases the talents of New Edge Figure Skating Club skaters.

The ice arena operations are now contracted out to Suburban Ice Management. The \$1.4 million budget also pays all operational and building maintenance costs.

Most revenue to fund programs comes from rink rental fees. The bulk of the remaining receipts come from other fees: e.g. lessons, open freestyle and open skating fees.

GOALS

1. To provide excellent customer service.
2. To provide quality ice surfaces.
3. To provide and run programming to utilize ice available time.

OBJECTIVES

Performance Indicators / Outcome Measures

	<u>Actual FY15-16</u>	<u>Actual FY16-17</u>	<u>Dec 31 2017</u>	<u>Projected FY17-18</u>	<u>Projected FY18-19</u>	<u>Projected FY19-20</u>
Learn to Skate Participants	974	924	304	730	730	730
Number of Scheduled Hours Used Weekly (September – March)	237	228	230	230	235	235

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Open skating revenues are down \$10,000 relative to the fiscal year 2017-18 original budget due to offering fewer sessions. Ice lessons are down \$8,000 due to lower participation. Leagues and tournament revenues are increasing due to additional leagues using the rink. Skate rental revenues are decreasing \$2,000 due to the decrease in open skating. Building repairs and maintenance is decreasing \$15,000 as actual activity has been lower than expected. Advertising expenses are decreasing \$2,000 due to doing fewer ads. Equipment repairs and vehicle repairs are decreasing due to the newer Zambonis requiring less work. Building repairs are decreasing \$110,000 due to painting the arena in fiscal year 2017-18.

The estimated future budget provides for an increase in cash in future years however no capital needs are included, as this may change.

The following capital improvement project is budgeted for solid waste for FY2018-19:

- Condenser tower (deviates from CIP) 75,000

Budget Summary

	2017-2018	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023

Internal Service Funds

Internal service funds are established to finance and account for services and commodities furnished by a designated department or agency to other departments within a single government unit or to other governmental units.

Information Technology Fund -
636

Motor Pool Fund – 661

General Liability and Property

Insurance Fund - 679

Workers Compensation Insurance
Fund – 677

Health Care Fund – 678

The mission of the information technology department is to provide computer, telecommunications, software, security and other technology tools and services in support of the city's operational goals in the most efficient manner possible.

The information technology (IT) department researches, supports and coordinates technological solutions to keep the city's information technology functioning and performing consistently at expected levels. The IT staff continually strives to meet productivity gains and address the city's technology challenges.

Technology plays a critical support role in the city's ability to provide government services. The IT department is the city's central control center where proactively securing and managing the city's technology and data is a top priority. The job gets more complicated daily as new threats to security emerge and as information technology becomes more integrated across multiple platforms and networks. To best secure the city's critical resources from threats, two new positions will be created within the department. A security analyst will be hired with a primary responsibility of ensuring city resources are protected from existing and emerging cyber threats. A network engineer will be hired to perform critical infrastructure upgrades and insure critical data is routed in a secure manner. The department oversees application integration between the city and county, state and federal organizations and is responsible for the infrastructure that ties it all together.

The department manages a \$2 million technology budget and is responsible for servicing all city departments, the Royal Oak Public Library and the 44th District Court. The department is responsible for procurement and maintenance of more than 800 devices including networking switches and routers, servers, computers, printers, telephones, smart/cell phones, pagers, faxes, scanners, cameras, and other computer equipment and communication

devices. Email, document storage and retrieval systems are maintained for approximately 450 user accounts and over 120 computer software applications at 14 different municipal locations, most of which are connected via the city's wide area network. The IT staff provides daily support in the following areas: help desk, hardware and network issues, data and document management, project management, data and voice communications, and specialized application software.

The city's website annually serves over 1.3 million page requests from more than 500,000 visits. The most frequently accessed areas of the city's website are: Royal Oak Public Library, farmers market, Royal Oak Animal Shelter, job openings, 44th District Court, the agenda center, leaf collection and online payments. The top site search keywords are: "water bill", "farmers market", "call curbside leaf collection", "parking", "permits", "taxes", "birth certificate" and "trash". The most utilized devices to access the city's website are: desktop, smartphone and then tablet. The most utilized browsers are: Chrome, mobile Safari, Chrome mobile, Internet Explorer, Firefox, Safari then Microsoft Edge. The most common locations the site receives visitors from are: Royal Oak, Troy, Detroit, Madison Heights, Waterford, Oak Park, Rochester, Berkley then Ferndale.

Information technology is an internal service fund that uses cost allocation to expense all computer applications, licensing, software and hardware support and maintenance, and print shop costs to each user department/cost center.

The information technology plan is an ongoing and evolving strategy. It is a challenge to develop a technology plan that has enough foresight to envision the future. The plan needs to anticipate what new technology will be available and applicable to the city's needs, and to provide an adequate outline that presents an overview for decision making and allocation of funding for these

improvements. It is important to review the plan periodically and to make it flexible enough to adapt to changes along the way. The plan is designed to address the levels of

technology support for city-wide efficiency and assignment of priority to the targeted projects over a three to five year period.

GOALS

1. To maintain appropriate levels of network security to protect the city's critical business systems from security threats and respond to security threats in a prompt and effective manner.
2. To provide the city with cost-effective, dependable and accurate information services, which support both current and future business needs.
3. To provide city departments with strategic project planning and assistance as it relates to technology.
4. To enhance and maintain an effective communications network for city operations.
5. Infrastructure – to sustain, replace and enhance Royal Oak's infrastructure to promote efficient delivery of beneficial services.

OBJECTIVES

- Implement a new security analyst position within the department and deploy advanced threat protection to city devices.^{GOALS1,2}
- Implement a new network engineer position within the department and upgrade existing infrastructure, prepare network for new PD and city hall, expand network to provide wireless access.^{GOALS1,2,3,4}
- Deploy remote assistance software to allow for more timely support from vendors and I.T. staff.^{GOALS1,2,4}
- Implement an internal helpdesk solution to manage and track reported issues.^{GOALS2,3,4}
- Enhance existing GIS applications, continue to deliver new GIS capabilities and integrate select functionalities with the city website.^{GOALS2,3,4}
- Deliver additional Office365 services to city employees.^{GOALS1,2,3,4}
- Expand mobile device use to departments and continue PC replacement program.^{GOALS2,3,4}
- Deploy WiFi at the senior center by the end of the calendar year 2018.^{GOAL5}

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The budget includes a full-time security analyst position and a full-time network engineer for the entire fiscal year. A security analyst will be hired with a primary responsibility of ensuring city resources are protected from existing and emerging cyber threats by deploying and maintaining anti-virus, desktop protection software and all other security related functions. A network engineer will be hired to perform critical infrastructure upgrades and ensure critical data is routed in a secure manner. Part-time wages are increasing due to a rate increase for the print shop technician. \$50,000 is budgeted for the computer replacement program, \$20,000 is budgeted for upgrades to the library A/V equipment, and \$5,000 is budgeted for court e-filing. Computer supplies and parts are increasing \$7,500 for laptop replacements. Contracted services are increasing \$30,000 to create WROK applications for Apple TV and Roku; to purchase software to track boards and committees, to purchase agenda management software, and due to an increase in backup costs due to growth in the size of the city's network and data. The budget does not include any allocations for the civic center project as the costs are included in the project capital budget.

The estimated future year's budget summary demonstrates the fund is anticipated to remain stable with current revenue collection plan.

The following capital improvement projects for FY2018-19 are as follows:

Office Software and Training Program	\$48,000
Server-Network-Cabling Infrastructure	50,000
Mobile Workforce	8,000
GIS Integration	60,000
Disaster Recovery	75,000

FY2018-19 Total: \$241,000

Budget Summary

The mission of the motor pool is to provide a central location of accountability for the acquisition and maintenance of safe and efficient machinery, equipment and vehicles for city operations.

The motor pool division of the department of public service (DPS) is an internal citywide service unit responsible for fleet maintenance, repairs, fueling and vehicle / equipment acquisition, to keep citywide departments operational. The motor pool division insures that the city-owned fleet of machinery, equipment and vehicles remain in a safe and proper functioning condition. Scheduled preventative maintenance is performed.

Vehicle condition and criteria for replacement are also closely monitored to optimize long-term cost. The motor pool maintains its own computerized records and inventory. Gasoline, diesel fuel, auto and truck parts are inventoried and charged to the various departments when used.

Internal city departments are charged monthly or hourly user fees that include a replacement charge ensuring that funds will be available when replacement is due.

The motor pool manages over \$15 million in machinery, equipment and vehicles, consisting of eight fire trucks, four ambulance units, 132 cars, vans and pickup trucks, 15 dump-trucks, 28 heavy construction vehicles and seven trailers and specialty vehicles.

The division continually analyzes city-wide vehicle and equipment utilization; recommends, develops and refines specifications maximizing vehicle life cycle; and analyzes fleet composition in order to “right size” the fleet with a focus on reducing the total number of vehicles and equipment to the number that would provide the lowest overall fleet cost.

GOALS

1. Provide each department quality service.
2. Complete repairs in a timely manner by prioritizing each repair according to need and importance.
3. To maintain the fleet in a safe and proper functioning condition by providing a preventive maintenance program consistent with manufacturing recommendations.
4. To maintain an adequate level of parts and supplies while minimizing inventory costs.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

Motor pool charges are increasing due to a catch-up plan to collect depreciation that was not collected many years ago during an intentional depreciation (collection) vacation. This catch-up will help to provide the proper accumulation of funds that will be sufficient for the motor pool's future replacements.

Overtime is increasing \$30,000 relative to the fiscal year 2017-18 original budget due to increased vehicle maintenance work. Building maintenance is increasing due to overhead garage door maintenance for \$3,000. Tools and hardware are increasing \$9,500 due to replacement equipment (floor jack, transmission jack, floor buffer, battery load tester and cold saw). Fuel is budgeted to increase \$200,000 relative to the fiscal year 2017-18 projection due to the market price being unpredictable. Vehicle blades are decreasing \$5,000 relative to the fiscal year 2017-18 projection due to heavy snowfall in fiscal year 2017-18 resulting in increased need for blades. Communication systems parts are decreasing \$8,500 due to one-time repairs in fiscal year 2017-18. Heating/cooling repairs are decreasing \$5,000 due to higher than expected maintenance costs in fiscal year 2017-18. Collision repairs are increasing relative to fiscal year 2017-18 projections as this account varies greatly based on the number of accidents and issues with vehicles.

The depreciation expense is approximately \$1.4 million annually when removing this expense the estimated future years outlook causes an increase in cash each year. This cash will be used for future vehicle replacement.

Additional capital projects include phase one of the DPS roof replacement for \$170,000 (\$450,000 total cost) and expansion of the brine tank due to increased use of liquid deicers for \$100,000. The following replacement vehicles for fiscal year 2018-19 will be funded with the cash on-hand in the motor pool fund that accumulated by way of depreciation:

electrical aerial truck	\$207,900
two small SUV's (bldg. & eng)	59,400
sewer dump truck	201,500
two highway pick-ups	69,500
highway tandem dump	206,000
three stake bed trucks (2)sewer (1)hwy	183,700
parks groundmaster mower	56,600
compressor	19,200
brush chipper	54,600
leaf vacuum	40,200
forklift	58,500
parks tractor	39,600
aerial lift	13,000
two police admin sedans	61,000
three police department patrol vehicles	127,200
backhoe	124,200
police department pick-up	40,000
clam bucket for loader	12,000

FY2018-19 Total: \$1,574,100

Budget Summary

Departmental Organization Chart

The mission of the worker's compensation fund is to account for all costs of worker's compensation claims.

The city is responsible for paying the costs of eligible worker's compensation claims from employees. It has elected to be "self-insured," bearing the burden of normal costs.

Reinsurance is purchased to limit losses by individual case and, annually, in the aggregate.

The human resources department receives and forwards employee claims from departments to an independent claims

processor for professional case management.

This fund pays the eligible costs of training, lost time, medical and indemnity, claims processor, reinsurance and legal fees, if any.

Funds and departments are charged a user charge based on worker's compensation insurance principals to fund this activity.

The city currently has a self-insured specific retention of \$600,000 with an employer's limit of \$1,000,000. The aggregate policy limit is \$5 million.

GOALS

1. Minimize worker's compensation claims through proper hiring, screening and employee safety training.
2. Provide supervisors with safety training so that, when accidents occur they protect the injured employee and record all pertinent circumstances regarding any potential claim.
3. Vigorously oppose lawsuits arising from ineligible worker's compensation claims.
4. Create equitable worker's compensation charge rates to other funds to maintain a proper fund balance.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

There are no significant changes for this fund.

The mission of the health care fund is to account for all employee and retiree health care costs.

Effective April 2010, the city transitioned from an experienced rated contract to an administrative services contract (ASC) with Blue Cross Blue Shield (BCBS) of Michigan for healthcare for its employees and retirees. Under an ASC the city operates under a self-

insured funded arrangement making the city responsible for claims, fixed administrative fees and stop loss insurance. The city carries \$150,000 stop loss protection, administered on a per contract basis, rather than per family member. For certain retirees, the city continues to pay HAP insurance premiums as opposed to being self-insured. Currently, employees pay 20 percent of the BCBS illustrative rates into this fund.

GOALS

1. Manage city health related risks as efficiently and effectively as possible.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

BCBS illustrative *rates* for fiscal year 2018-19 are budgeted to increase 12.8 percent for active employees and decrease 8.4 percent for retirees with BCBS. In addition, costs are budgeted to increase due to the addition of positions and a 2.1 percent increase for HAP premiums. The stop loss rate is decreasing 3 percent. A majority of the costs in this fund are for retiree coverage. \$10,000 is budgeted for the health & wellness committee’s future initiatives and \$225,000 is budgeted for the collaborative health center an increase relative to prior years due to contract change.

The mission of the general liability & property insurance fund is to account for all of the city's general liability and property insurance coverage activity.

In a collaborative effort, the city is a member of the Michigan Municipal Risk Management Authority (MMRMA), a pooled organization under the laws of the State of Michigan to assist with risk management services and self-insurance protection from general liability, property coverage and crime loss.

The city has been a member of the pool since 1985. The city is bound by all of the provisions of the MMRMA's joint powers agreement, coverage documents, MMRMA rules, regulations, and administrative procedures.

The city currently has a self-insured retention (SIR) of \$500,000 for general liability, \$15,000 for vehicle damage, 10 percent for property and crime up to \$100,000 and \$250,000 for limited sewage system overflow. Vehicle physical damage and property /crime and EMS/Fire replacement have a \$1,000 deductible.

The city has a stop loss of \$750,000. This limits the city's payments during the year for those costs falling within the city's SIR. The stop loss only responds to cumulative city SIR payments, including damages, indemnification, and allocated loss adjustment expenses within one year (June 1 to May 31).

Over the past ten years, the city has received \$5 million in net asset distributions from the MMRMA.

GOALS

1. To minimize general liability and property losses.

OBJECTIVES

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

The budget and forecast assumes a net asset distribution is received from the MMRMA of \$500,000 based upon historical actual distributions. Contributions from user funds are budgeted to be reduced since net asset distribution will be assumed as this revenue will help to lower fees charged to the various city funds. The 2018-19 budget has a 4 percent increase for MMRMA coverage and assumes a deposit of \$300,000 to the MMRMA member loss fund.

Budget Summary

Fiduciary Funds

A fiduciary fund is any fund held by a governmental unit in a fiduciary capacity.

Retirement (Pension) Fund - 731

Retiree Health Care Fund - 736

The funding objective of the retirement (pension trust) fund is to actuarially determine and receive contributions which will accumulate as assets during members' time of employment that will be sufficient to finance retirement pension benefits

throughout the members (and beneficiaries) retirement years. In February 2017, the city closed on a \$20.57 million pension bond issuance. This eliminated the current general employee unfunded actuarial accrued liability.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

As of the last actuarial valuation report dated June 30, 2017 the required employer contribution is approximately \$5.5 million. However, funds are budgeted to contribute \$5.8 million, as the full normal costs and the police and fire unfunded accrued liability will be contributed. The full contribution is budgeted as required by law. The retirement system has a ratio of over two retirees/beneficiaries to one employee member. The complete actuarial report is on the city's website.

The funding objective of the retiree healthcare trust fund is to actuarially determine and receive contributions which will accumulate as assets during members' time of employment that will be sufficient to finance retirement healthcare benefits throughout the members (and beneficiaries)

retirement years. The city currently is making the entire annual contribution. In February 2017, the city closed on a \$106.04 million OPEB bond issuance. This eliminated the general, police and fire employees' current unfunded actuarial accrued liability.

Significant Revenue, Expenditure, Staff & Program Notes - Fiscal Year 2018-19:

As of the last complete actuarial valuation report dated June 30, 2017, the annual recommended contribution (ARC) for fiscal year beginning July 1, 2018 is \$370,000. The UAAL after bonding is -\$3.331 million, put another way, it's overfunded. This causes a negative amortized UAAL of \$308,464 that nets against positive normal costs of nearly \$700,000. The full normal cost of is contributed in the budget.

Elected Officials

Mayor Michael Fournier

Mr. Fournier became Royal Oak's 24th Mayor in December 2016. Mr. Fournier was first elected to the city commission in November of 2011. He holds a BA from Michigan State University and a MBA from the University of Notre Dame. He has spent most of his professional career in financial and operational leadership roles.

Commissioner Kyle DuBuc

Mr. DuBuc was first elected to the city commission in November of 2011 and has lived in the city since 2007. He has extensive public policy experience and currently works as the Director of Public Policy & Advocacy at United Way of Southeast Michigan. Kyle earned a BA in community relations from Michigan State University.

Commissioner Kim Gibbs

Ms. Gibbs was first elected to the city commission in November of 2017. She obtained her bachelor's degree and Juris Doctor from Michigan State University. She has lived in the city since 2002. Her professional practice is transactional based with a focus on real estate.

Commissioner Sharlan Douglas

Ms. Douglas was elected to the city commission in 2013. She holds a BA in journalism from Michigan State University. She currently owns Douglas Communications Group, a public relations and social marketing firm.

Commissioner Pat Paruch

Ms. Paruch was sworn into office on Nov. 10, 2014. A 14-year veteran of the city commission, Ms. Paruch was previously the Mayor of the City of Royal Oak (1989-1993), a city commissioner (1979-1989) and mayor pro-tem for two years. Ms. Paruch graduated with a bachelor's degree from the University of Detroit (1972) and a Juris Doctor from Wayne State University (1992). A shareholder at the Kemp Klein Law Firm in Troy, her practice areas include municipal and environmental law.

Commissioner Melanie Macey

Ms. Macey was first elected to the city commission in November of 2017. Ms. Macey holds a M.S. in computer science and engineering from the University of Michigan and a Juris Doctor from the University of Michigan Law School. She is currently an attorney-counselor for the University of Michigan Law School's Office of Career Planning. She is also a board member for the Royal Oak Public Library.

Commissioner Randy LeVasseur

Mr. LeVasseur was first elected to the city commission in November of 2017. He obtained both a bachelor's degree and a Juris Doctor from the University of Michigan. He started his own real estate law practice in 1999 and started a small business dedicated to helping homeowners reduce their property taxes in 2010.

44th District Court Judge Derek Meinecke

The honorable Judge Meinecke was elected 44th District Court Judge in November 2012 with his term beginning in January 2013. In May 2013, Judge Meinecke was awarded the Public Service Leadership Award by the area agency on Aging 1-B. Prior to taking the bench, he spent over a decade as an assistant prosecuting attorney with the Oakland County Prosecutor's Office. Judge Meinecke served on the special victim's unit, prosecuting sexual assault, domestic violence, elder abuse and child abuse cases. Before joining the prosecutor's office, Judge Meinecke served as the law clerk to long-time 44th District Court Judge, Daniel Sawicki while completing his law degree at Wayne State University, where he graduated with honors. Judge Meinecke completed his undergraduate studies at Northwestern University where he majored in political science and history.

44th District Court Judge Jamie Wittenberg

The honorable Judge Jamie Wittenberg was first elected to the bench in November of 2008 and re-elected in November of 2014. Judge Wittenberg has spent his entire legal career as a public servant. After law school he worked as an Assistant Wayne County Prosecutor under both Mike Duggan and Kym Worthy, and most recently as an Assistant Macomb County Prosecutor under Eric Smith. As a prosecutor, he handled a number of high profile homicide cases. Prior to attending law school, Judge Wittenberg opened his own retail/wholesale bakery business and later worked as a district manager for Elaine's Bagels. Judge Wittenberg received his undergraduate degree in public affairs from Indiana University and his law degree from Wayne State

University.

Management

City Manager Donald E. Johnson

Mr. Johnson was officially appointed the city manager in July 2009. Prior to becoming city manager he was appointed as the Royal Oak Director of Finance in September 2005. He started his career as a research analyst for the City of Southfield. He later served as finance director and treasurer for the City of Wayne and director of finance for the City of Birmingham. He earned his master's degree in public administration from Cornell University after completing his Bachelor of Arts degree at Oakland University. In the 15 years directly before starting with Royal Oak, Don owned and managed a software firm which specialized in municipal applications.

Director of Finance Julie Jenuwine Rudd

Ms. Rudd was hired in December 2009 as the city's chief financial officer. She has over 25 years of municipal finance and operational experience. She was with the City of Sterling Heights for ten years in numerous fiscal related positions and eight years with the City of Rochester Hills, including five years as the director of finance. She earned a Bachelor's of Science degree in accounting from Oakland University and a Master's of Science in taxation from Walsh College.

Assistant Finance Director Anthony DeCamp

Mr. DeCamp was selected to be the controller for the Royal Oak Finance Department in January 2008. He previously worked as a senior auditor for the Rehmann Group, where his assignments included auditing the City of Royal Oak. Tony is a C.P.A. and holds a bachelor's degree in

professional accounting from Saginaw Valley State University.

City Treasurer Jaynmarie C. Hubanks

Ms. Hubanks was hired in August 2017. She has 40 years of financial and human resource management experience working for non-profits, governments, and small businesses. She spent 24 years at the City of Ferndale as the finance director, treasurer, and assistant city manager, and six years at University of Detroit as a loan specialist, financial analyst, then assistant controller. She received degrees in marketing and small business management at Ferris State College (now University), and her MBA from University of Detroit-Mercy.

44th District Court Administrator

Gary W. Dodge

Mr. Dodge was selected as the court administrator for the 44th District Court in December of 2014. He has worked as the court administrator at district and circuit courts in Michigan and Illinois from 1994 to 2014. Prior to that, he was a legal administrator with the US Army Judge Advocate General's Corp serving from 1972 to 1994.

Assistant Director of Planning / Building

Official Jason Craig

Appointed in July 2006, Mr. Craig came to the City of Royal Oak after serving for four years as the deputy building official for the Township of Canton. Jason possesses a Bachelor of Science degree in construction engineering from Eastern Michigan University.

City Attorney David Gillam

Mr. Gillam was named city attorney in November 2016. He previously served as city attorney from October 2006 to November 2014. Dave received his juris doctorate from

Wayne State University Law School in June of 1986. He then served as an assistant prosecuting attorney in the Oakland County Prosecutor's Office for nearly five years. In June of 1991, he began his City of Royal Oak career as deputy city attorney. He served in that position through December of 1998, when he moved into private practice with the Royal Oak law firm of Cooper, Shifman, Gabe, Quinn & Seymour. While in private practice, he served as prosecuting attorney for the City of Novi, assistant city attorney for Pleasant Ridge, Hazel Park, and Lathrup Village, and assistant township attorney for Lyon Township. In December of 2003, he joined the municipal practice group at the Farmington Hills Office of Secrest Wardle, where he served as legal counsel for several communities in Oakland County, including Walled Lake, Novi, and Bloomfield Township. Following the former city attorney's retirement, Royal Oak retained Secrest Wardle as interim city attorney in November of 2005. Mr. Gillam was assigned day-to-day responsibility for the city's legal affairs at that time, and he served the city in that capacity until he formally rejoined the city.

City Clerk Melanie Halas

Ms. Halas is a Royal Oak native who was hired as a clerk in August of 1995. Her dedication and hard work earned her a promotion to deputy city clerk in February 2000. In March of 2005 she obtained her Municipal Clerk Certification (CMC); in April of 2012 she received her Master Municipal Clerk Certification (MMC); and in April of 2014 she received her Certified Michigan Municipal Clerk Certification (CMMC). She is currently serving as President of the Oakland County Clerk's Association; In May of 2008 Ms. Halas was

appointed to the city clerk's position with the full consensus of the city commission.

City Engineer Matt Callahan PE

Mr. Callahan was hired by the City of Royal Oak as a civil engineer III in 1996. He holds a bachelor of science degree in civil engineering from Michigan Tech and a master's degree in civil engineering from Wayne State University. He has a Professional Engineers (P.E.) license and is a member of the American Society of Civil Engineers.

Director of Community Development

Timothy Thwing

Mr. Thwing was promoted to director of planning in August 2001 after serving as deputy director of planning since October of 1996. He was first employed by the City of Royal Oak in October 1991 as a planner III. He earned his bachelor of science degree in urban planning from Michigan State University. Tim's previous experience with the City of Monroe, Monroe County and the City of Jackson ranged from assistant planner, associate planner, planner, and principal planner to acting director of planning

Director of Recreation and Public Service

Gregory Rassel

Mr. Rassel was promoted to the director of recreation and public service in August 2004 after serving in an "acting" position since March 2004. He had been selected from Florida originally, to be the superintendent of public works effective October 1997. Greg entered service with the City of Royal Oak possessing a bachelor of arts degree in economics from the University of Florida, master's in organizational management from University of Phoenix, has served thirty years (active and reserve) in the U.S. Marine Corps, a retired colonel

in the reserves, and two years as the superintendent of fleet management for the City of Hollywood, Florida.

Fire Chief David Cummins

Mr. Cummins has been serving as fire chief since March 2017. He was hired by the fire department in August of 1992 and has held the positions of firefighter/paramedic, sergeant, and lieutenant. He was the president of the Royal Oak Professional Firefighters Association from November 2005 through January 2009. He received a B.A. in philosophy from the University of Michigan-Dearborn.

Human Resource Director Dennis Van de Laar

Mr. Van de Laar was promoted to Human Resources Director in April of 2017. He was hired as a City Management Graduate Intern in the summer of 2012 and was also assigned to a role of part-time specialist in 2013, before moving into a full-time position with Human Resources later that year. Prior to arriving in Royal Oak, he worked for the Southern Illinois Airport Authority and was assigned to a variety of operational and capital funding projects. He also worked as a Manager of Regulatory Affairs for the National Air Transport Association in Washington DC. Dennis holds a Bachelor of Science degree in Aviation Management, with a minor in Organizational Psychology, and a Master's degree in Public Administration with a concentration in HR and International Relations from Southern Illinois University.

Library Director Mary Karshner

Ms. Karshner became library director in 2010. She started at Royal Oak Public Library in 2002 and was promoted to head of youth and teen services in 2006. She received her

master's degree in library science from Wayne State University. Her bachelor's degree is in economics from Michigan State University. Previous employment includes research positions at archeological

excavations in England, Iran, Italy, and Spain; museum curator/local historian at St. Clair Shores Public Library; and Manuscripts Curator at the Burton Historical Collection, Detroit Public Library.

Manager of Information & Communications Technology Mike Kirby

Mr. Kirby was hired as the manager of information and communication technology in July 2015. He earned his bachelor of science degree in electrical engineering and computer science from the University of Michigan. Mike has over 20 years of experience in the technology field including software development, enterprise system and application architecture, data-center and infrastructure administration, project management and program management.

Superintendent of Recreation John Fedele

Mr. Fedele was appointed the superintendent of recreation in February 2018. John graduated from the University of Florida with a Bachelor's Degree in sport management and minor in business administration. Previously, he was the Athletic Director for the City of Newberry, Florida where he operated multiple sport complexes and activities.

Assistant City Manager / Police Chief

Corrigan O'Donohue
Chief O'Donohue was named the interim police chief in March 2011. He has also served as a deputy chief, lieutenant, sergeant, and patrol officer with the Royal Oak Police Department. He is a graduate of Eastern Michigan University's Staff and Command School, the FBI National Academy and has a bachelor's degree in criminal justice from Eastern Michigan University. He is currently pursuing a master's degree in public administration from Eastern Michigan University. Prior to joining the Royal Oak Police Department, he served in the United States Marine Corps.

Glossary

Accrual basis: Accrual basis accounting recognizes transactions when they occur, regardless of the timing of related cash flows. The application of accrual accounting techniques prevents distortions in financial statement representations due to shifts in the timing of cash flows and related underlying economic events near the end of a fiscal period.

ACORN: The ACORN fund accounts for the receipt and use of donations to the City to be used for a public purpose. Name changed to ROOTS.

Activity: Specific and distinguishable service performed by one or more organizational components of the City to accomplish a function for which the City is responsible.

Adjacent Generational Exchange (A.G.E.): The A.G.E. budget, using a Beaumont Hospital grant, funds a Volunteer Coordinator to recruit, train and place volunteers to serve senior citizen needs. The volunteers assist City staff with programming at both Community Centers. In the community, volunteers provide senior citizens with meals, assistance and transportation.

Americans with Disabilities Act (ADA): A law to provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities, to ensure the facilities, policies, and programs of public entities and their accommodations are equally accessible to the disabled.

Agency fund: A fund used to account for assets held by the city as an agent for individuals, private organizations, other governments and/or other funds.

Appropriation: An authorization granted by a legislative body to incur obligations and to expend public funds for a stated purpose.

Appropriation budget: The official resolution by the city commission establishing the legal

authority for the city to incur obligations and to expend public funds for a stated purpose.

Annual Required Contribution (ARC): Term used in connection with defined benefit pension and other postemployment benefit plans to describe the amount an independent actuary has determined the employer should contribute in a given year.

Assessed Value (AV): The basic value of property assigned by an assessor. It is used for an individual parcel and in the aggregate for the city as whole. Pursuant to Michigan's laws and regulations, assessed value is 50% of market value at December 31st.

Balanced budget: A budget in which estimated revenues, transfers-in and use of fund balance are equal to or greater than estimated expenditures and transfers-out.

Bargaining Units for Full-Time Employees: *Executive Department Heads* (city assessor, city treasurer, city clerk, police chief, fire chief, plus directors of finance, recreation & public service, human resource, and arena operations) are not represented.

The *Department Head and Deputy Department Head Association* is the local bargaining association including department heads not included above, deputy department heads, managers and superintendents.

The *Professional and Technical Employees Association (Pro-Tech)* is the local bargaining association representing certain professional, specialist and supervisory employees.

The *American Federation of State, County and Municipal Employees (AFSCME) Local #2396 of Michigan Council #25* is the union representing certain inspectors, officers, librarians, and all clerical employees except confidential secretaries.

The *Professional Fire Fighters Local #431*, affiliated with the Michigan Professional Firefighters Union and the International

Association of Fire Fighters AFL-CIO, includes all uniformed firefighting and fire prevention personnel.

The *Royal Oak Police Command Officers Association* (ROCOA) is the local bargaining association, represented by the Police Officer's Labor Council, including sergeant and lieutenant ranks.

The *Royal Oak Police Officers Association* (ROPOA) is the local bargaining association representing police officers, police service aides and part-time parking enforcement officers.

The *Royal Oak Detectives' Association*, represented by the Labor Council Michigan Fraternal Order of Police, includes all employees with the rank of Detective. The *Foreman and Supervisors' Association* is the local bargain association representing public works supervisors.

The *Service Employees' International Union* AFL-CIO Local 517M (SEIU) is the union representing hourly employees of the department of recreation and public service.

Brownfield: The site(s) or legally defined area(s) meeting the eligibility requirements of the Brownfield Development Act as environmentally contaminated, functionally obsolete or blighted areas.

Brownfield Development Authority (BRA): The board to investigate potential brownfield sites and plan and finance their redevelopment. BRAs may use tax increment financing (TIF), per Public Act 381 of 196 as amended, to capture local property taxes and school taxes if approved.

Business-type activity: Business-type activities are financed in whole or in part by fees charged to external parties for goods and services. These activities are usually reported in enterprise funds which follow essentially the same accounting rules as a private enterprise.

Capital assets: Capital assets are tangible and intangible assets that will be of use for three or more years and have a cost greater than \$10,000. Typical examples are land, buildings, building improvements, streets, water and sewer lines, vehicles, machinery, equipment, and easements.

Capital projects fund: A fund to account for the development of municipal capital facilities.

Capital improvement budget: A capital improvement budget plans and prioritizes acquisition of or major repair to long-lived assets, such as infrastructure. This budget typically has a long-term outlook where a project can span a several year period. (see Operating Budget)

Community Development Block Grant (CDBG): This is a federally funded program to assist communities in the expansion and improvement of community services, to develop and improve neighborhoods, and to restore and preserve property values. In Royal Oak, CDBG money pays for most of our senior citizen programs.

Contingency: An estimated amount of funds needed for contingent or emergency purposes.

Debt service fund: A fund to account for the accumulation of resources for and the payment of, general long-term debt principal and interest.

Defeasance: In financial reporting, the netting of outstanding liabilities and related assets on the statement of position. Defeased debt is no longer reported as a liability on the face of the statement of position. Most refundings result in the defeasance of the refunded debt.

Deficit: An excess of liabilities and reserves of a fund over its assets.

Depreciation: Depreciation is the accrual accounting concept using various methods to expense the capitalized cost of an asset over its estimated useful life.

Downtown Development Authority (DDA): The City Commission created the Downtown Development District and the DDA board (also the Authority) to administer it on November 1, 1976. The DDA Act (P.A. 175 of 1975 as amended) is designed to resist blight and be a catalyst in the development of a downtown.

DDAs have a variety of funding options. Royal Oak's DDA primarily uses development bonds and tax increment financing (TIF) to fund its development plan. It levies a district tax millage for its staffing operations. Projects to date include downtown marketing, streetscape improvements, public parking, the district court building, and other public infrastructure improvements.

Downtown Development District (DDD): The legal area created on November 1, 1976 by the city commission, originally bounded by 11 Mile Rd. and Troy, Lincoln and West Streets. The district has been amended three times.

Emergency Medical Service (EMS): The fire department provides advanced and basic emergency medical services typically with a rescue unit or ambulance.

Enterprise fund: A fund established to account for operations that are financed and operated in a manner similar to a private business, i.e., the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. Water & sewer is an example of an enterprise fund.

Expenditure: The cost of goods delivered and services rendered whether paid or unpaid.

Expenditure object: An expenditure object is a specific classification of expenditure accounts which includes a number of related accounts determined by the type of goods and services to be purchased. For example, the personnel services expenditure object includes the wages account as well as all fringe benefit accounts. Expenditure objects include personnel services, supplies, other

charges, capital outlays, debt service, and transfers out.

Final Average Compensation (FAC): An average of an employee's annual wages used in the calculation of their retirement benefit.

Fiscal Year (FY): The 12 month period, July 1 to June 30, to which the annual operating budget applies and, at the end of which, financial position and the results of operations are determined.

Full-Time Equivalent (FTE): A method to convert part-time hours worked to that of a full-time worker in a like position based on 2080 hours per year.

Function: Groups of related activities aimed at accomplishing a major service or regulatory program for which the city is responsible.

Fund: Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions, activities or objectives with special regulations, restrictions, or limitations. (e.g. Major Street Fund). A fund is a self-balancing set of accounts recording financial resources with all related liabilities resulting in equities or balances. The accounts of the city are organized on the basis of funds and account groups in order to report on its financial position and results of its operations.

Fund balance: The difference between assets and liabilities reported in a governmental fund. Generally Accepted Accounting Principals (GAAP): Conventions, rules and procedures that serve as the norm for the fair presentation of financial statements.

General fund: The city's major operating fund to account for all financial resources except those accounted for in another fund.

Government-type activities: Activities typically supported by taxes, intergovernmental revenues or other non-exchange revenue. The general, special revenue, debt service,

capital project, internal service and permanent funds are governmental activities.

Government Finance Officers Association (GFOA): The GFOA of the United States and Canada is a professional organization of public officials united to enhance and promote the professional management of governmental financial resources by identifying, developing and advancing fiscal strategies, policies and practices for public benefit.

Industrial Facilities Tax (IFT): An exemption from property tax allowed to eligible industrial facilities in Michigan.

Infrastructure: Long-lived capital assets that normally are stationary in nature and normally can be preserved for significantly greater number of years than most capital assets. Examples of infrastructure assets include roads, bridges, tunnels, drainage systems, water and sewer systems, and lighting systems.

Interfund transfers: Flows of assets (such as cash or goods) between funds and blended components of the primary government without equivalent flows of assets in return or without a requirement for payment.

Internal service funds: Internal service funds are used to account for the financing of goods and services provided by one department or agency to other departments or agencies of the governmental unit on a cost reimbursement basis. These funds use the flow of economic resources for measurement purposes and the full accrual basis of accounting. Included in this category are the information technology, motor pool and worker's compensation funds.

Industrial Waste Charge (IWC): A surcharge placed by the City of Detroit on certain non-residential sewer accounts to pay to remove the level of waste (e.g. grease from restaurants) above normal residential use.

Line item budget: A budget which emphasizes allocations of resources to given organizational units for particular expenditures, such as, salaries, supplies services, and equipment. Line item budgets may be organized to provide accountability at varying levels, such as on department, division, or agency levels. The City of Royal Oak adopts budgets on a "function" level.

Modified accrual accounting: This basis of accounting recognizes revenues in the accounting period in which they are both measurable and available to finance expenditures. Expenditures are generally recognized in the accounting period in which they are both measurable and incurred.

Michigan Municipal Risk Management Authority (MMRMA): A risk pool program providing a risk-sharing management program for local units of government in Michigan. Member premiums are used to purchase excess property/casualty insurance coverage and to establish a member's loss fund. The loss fund is used to pay self-insured retention portion of the member's claims.

Net assets: The difference between assets and liabilities of assets and liabilities of proprietary funds. Net assets may be further divided into unrestricted and restricted amounts like constraints of legislation or external parties, trust amounts for pensions or pools, or other purposes like invested in capital assets, net of related debt.

Object (of expenditure): In the context of the classification of expenditures, the article purchased or the service obtained, rather than the purpose for which the article or service was purchased or obtained (e.g., personal services, contractual services, materials and supplies).

Operating budget: The operating budget is the authorized revenues and expenditures for on-going municipal services and is the primary means by which government is controlled. The life span of an operating budget typically is one year. Personnel costs, supplies, and

other charges are found in an operating budget. A capital budget typically has a long term outlook where a project can span a several year period.

Occupational Safety and Health Administration (OSHA): The agencies in state and federal government that oversee the workplace environment to ensure it is safe for workers.

Other Postemployment Benefits (OPEB): Other postemployment benefits (OPEB) include postemployment benefits provided separately from a pension plan, especially retiree healthcare benefits.

Other charges: An expenditure object within an activity which includes professional services, utilities, rents, and training for example.

Personnel services: An expenditure object within an activity which includes payroll and all fringe benefits.

Revenue: The income of the city used to fund operations. Typical revenue examples are taxation, licenses and permits, inter-governmental (e.g. state grants), charges for goods and services, fines and forfeitures, contributions and donations, reimbursements, interest and rents, and gains on the sale of investments or disposal of capital assets.

Refunding: Issuance of new debt whose proceeds are used to repay previously issued debt. The proceeds may be used immediately for this purpose (a current refunding), or they may be placed with an escrow agent and invested until they are used to pay principal and interest on the old debt at a future time (an advance refunding).

Royal Oak Civic Center Project (ROCC): A new development project to build a new city hall, police station and downtown park. The project will transform the downtown area to a gathering place for the entire city as well as provide necessary updates to building designed more than 60 years ago.

Royal Oak Opportunity to Serve (ROOTS): A city committee formed to receive any money or property deemed by donor for city use.

Royal Oak Senior Essential Services (R.O.S.E.S.): R.O.S.E.S. is a local program providing contract workers to provide home chores, minor home repairs and personal care to senior citizens, age 60 and over, and permanently handicapped adults. Low income senior citizens may be able to qualify for a CDBG subsidy. Administrative fees from clients, donations and CDBG grants pay for R.O.S.E.S. aides.

State Equalized Value (SEV): It is the function of the Michigan State Tax Commission to establish and maintain uniformity between counties by establishing the value of the total of each classification in each county. The State Equalized Valuation of an individual parcel of real property is that parcel's final value in the assessment process. Normally SEV equals Assessed Value (AV) when measurement and professional standards are properly applied. (see AV, TV)

Southeastern Oakland County Resource Recovery Authority (SOCRRA): The intergovernmental organization, serving 12 municipalities in the southeastern region of Oakland County, that provides for collection and disposal of solid waste as well as the handling of yard waste, compost and recyclables.

Southeastern Oakland County Water Authority (SOCWA): The intergovernmental organization, serving 11 communities in the southeastern region of Oakland County, that purchases water from the Detroit Water and Sewerage Department and stores and/or pumps it to each member unit.

Special assessment: Amounts levied against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

Special revenue fund: A fund to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The library fund, the major street fund and the local street fund are examples of special revenue funds.

Supplies: An expenditure object within an activity which includes all goods that have a useful life of less than three years and cost less than \$2,500.

Surplus: An excess of the assets of a fund over its liabilities and reserves.

Transmittal letter: A concise written policy and financial overview of the city as presented by the city manager. It notes the major changes in priorities or service levels from the current year and the factors leading to those changes. It articulates the priorities and key issues for the new budget period. It identifies and summarizes major financial factors and trends affecting the budget, such as economic factors; long-range outlook; significant changes in revenue collections, tax rates, or other changes; current and future debt obligations; and significant use of or increase in fund balance or retained earnings.

Transfers-in/out: A legally authorized funding transfer between funds in which one fund is responsible for the initial receipt and the other fund is responsible for the actual disbursement.

Trust & agency fund: Trust & agency funds are used to account for assets held by the city in a trustee capacity or as an agent for individuals, organizations, other governments or other funds. These include the Employees' Retirement System and the agency funds.

Tax Increment Financing (TIF): Financing secured by the anticipated incremental increase in tax revenue, resulting from the redevelopment of an area, or the funding on a current basis of pay-as-you-go improvements or operations. The TIF Authority (TIFA) board creates the TIF plan, carries out the projects and collects the incremental taxes to pay its costs. TIFAs may capture local taxes but not school taxes.

Tax millage rate: Tax millage rates are expressed in dollars per thousand dollars of taxable value. A tax rate of 10 mills means \$10/1,000 or \$0.010 x Taxable Value. (see TV)

Taxable Value (TV): Taxable Value is the base for calculating a taxable parcel's property tax in Michigan. Property tax equals Taxable Value multiplied by the tax millage rate. Taxable Value is calculated to limit growth in property taxes to a parcel's State Equalized Value or to 5 percent a year or less depending on inflation. Michigan's 1994 Proposal A Constitutional amendment and related legislation govern its application. (see AV and SEV)

Unreserved fund balance: The balance of net financial resources that is spendable or available for appropriation, or the portion of funds balance that is not legally restricted.

Water & sewer fund: This enterprise fund accounts for the operation of a combined water & sewer system. The revenues consist of charges for services from city businesses and residences which are used to pay for all water and sewer related expenses.

Transportation

Miles of public road (including boundary roads): 241

Source: Michigan Geographic Framework

Pavement Condition (in Lane Miles)

Note: Poor pavements are generally in need of rehabilitation or full reconstruction to return to good condition. Fair pavements are in need of capital preventive maintenance to avoid deteriorating to the poor classification. Good pavements generally receive only routine maintenance, such as street sweeping and snow removal, until they deteriorate to the fair condition.
