5,470 total runs in 2010

CPR classes save lives. Darlene Nolan recently took one of our CPR classes. Four days after taking the class she found a coworker on the floor. She began CPR and a pulse was restored. This is why everyone should take a CPR class, you never know when you might need help or someone may need your help. Thanks Darlene!

800 block of S. Lafayette 1800 hrs. On 4/16/2011: An 89 year old driver ran into a house on Lafayette. He stated that the accelerator jammed causing him to strike the two unit house. No injuries were reported at the scene. Consumers Power was called to shut off the gas to the house due to the damaged meter.
