Hazardous Conditions: This week 4 Total for the Year 11

1800 block of Main Street: We responded to a possible CO alarm. We had an EMS run earlier in the day at this location for a sick employee. We then received a call from the parents of another employee stating their son also was sick. We used our Gas Monitor and received readings above 400 PPM of Carbon Monoxide. Consumers Power was called and we located the cause of the CO readings, it was a faulty hot water boiler.

Other Runs: Other runs this week 26 Total for the year 106
