Fires: Fires this week 1 Total for the year 57

In the 3100 block of Elmhurst we had a large bonfire hazard in the back yard. The city has an ordinance of no open burning and we continue to respond to residents burning trash, brush and sometimes just a family camp fire. At times the fires are very hazardous due to the size and amount of materiel burning. Generally, the main complaint is the amount of smoke generated and homes down wind filling up with smoke and an uninviting odor. In the past we have had sheds, garages and homes catch fire due to outside fires in the backyard.
