Additional Incidents and Information

Skimming Devices Found on Local 7-11 Store ATM's

The Royal Oak Police Department is investigating skimming devices found on ATM machines inside two local 7-11 Stores. On October 1, 2016, at 3:42 PM, Officers were called to the 7-11 Store located at 1121 N. Campbell for a skimming device that had been discovered on the ATM by a customer. A few hours later at 6:37 PM, Officers were called to the 7-11 Store located at 3305 N. Main Street for a skimming device that had been found on the ATM by an employee.

In both of these cases, the devices which can store information sought by thieves were recovered. Residents & business owners are asked to be vigilant for these types of devices and report any suspicious incidents to police.

If you believe your bank account has been compromised, notify your banking institution immediately, and contact your local police department.

The Royal Oak Police Criminal Investigations Division in conjunction with Southeast Michigan Financial Crimes Task Force is investigating. For further information please contact Royal Oak Police Lieutenant Keith Spencer at (248) 246-3456.
