ROCK 'N' RIDES ROYAL OAK
VACCINATION PRE-REGISTRATION

Please follow the link below or scan the QR code on your mobile device to begin your pre-registration process. You'll be taken to an online form to fill out, sign electronically on your device, and submit.

Completing this will greatly speed up the registration process. If you're unable to complete this, we will complete it with you at our registration table.

Please provide your correct first name, last name, and date of birth as well as a valid email address. Your results will be sent to your email address and you will need to validate your account by entering in your name (first and last) and date of birth.

THANK YOU

APPLE QR INSTRUCTIONS
1. Open the Camera app from the Home screen, Control Center, or Lock screen
2. Select rear facing camera. Once the QR code appears in the viewfinder of your Camera app, your device will recognize the QR code & show notification
3. Tap the notification to open the link associated with the QR code

ANDROID QR INSTRUCTIONS
1. Open your Camera app & point it steadily for 2-3 seconds towards the QR Code
2. Whenever scanning is enabled, a notification will appear
3. If nothing happens, go to your Settings app and enable QR Code scanning
4. If QR Codes isn't an option in your settings, your device unfortunately can't scan QR Codes natively. But don't worry, this only means you'll have to down load a free third-party QR Code reader app from the Google Play store
